## Administrative Review Committee Report 2/18/10

### Status Report:

- The following administrators have been selected for review this year:  
VP Allada, VP Krishnamurthy, VC Robinson,  
VP Schwartz, and Dean Goff
- The surveys will be administered anonymously through Blackboard involving all T/TT faculty. Numerical results will be available to the T/TT faculty. Written comments go to the administrator reviewed and their direct supervisor.
- Self-assessments have been requested from each administrator and information from four of the five administrators have been received.

## Administrative Review Committee Report...

- The surveys will be available shortly –the Blackboard site is expected to be ready by next week – and then the faculty will have two weeks to complete the surveys.
- Information from last year: We had approximately 75 respondents (about 25% of T/TT faculty) of which only 6 were paper surveys (faculty were given a choice between paper and electronic).
- **PLEASE complete the surveys.**
