MEMORANDUM TO: Dr. Kurt Kosbar, President, Academic Council

FROM: Drs. Ralph Alexander, Jeff Cawlfeld, Gregory Gelles, and
Richard Stephenson

IN RE: Administrative Review Committee

The committee prepared a questionnaire requesting regular tenure track faculty to review the following administrators.

Chancellor Carney
Provost Wray
Vice Chancellor Robinson
Vice Chancellor Eggert
Dean Goff
Librarian Stewart

Blackboard was used to deliver the questionnaire and tabulate the results. The tabulated results were provided to the president of the Academic Council.

The Academic Council may wish to evaluate the use of Blackboard for this purpose. The main issue raised was confidentiality. The committee found no evidence that this was a problem.
