II. Campus Reports and Responses

a. President Report – Frank Blum

This month's Academic Council meeting may be its last. If the Board of Curators approves the revised Faculty Bylaws, the name of the governing body will be changed to Faculty Senate for the next meeting.

The Board of Curators will meet November 29-30 in Kansas City, and will consider a number of changes to the Collected Rules and Regulations related to the responsibilities of Deans, Schools and Colleges. The changes are necessary for UMR/MST to fully implement its management structure which has no Schools and Colleges.

At the Intercampus Faculty Council (IFC) meeting this month, Vice President Krawitz gave a presentation on the 2008 budget. The UM System is developing the process for implementing Senate Bill 389. There is a new health benefits plan that will increase medical leave opportunities for some of the non-regular faculty. There will be no increase in benefits cost for this year, and a 6% reduction in dental costs.

Enrollment reports for the university are positive. There will a General Faculty Meeting on December 4th at 4:00 in 125 Civil Engineering. The next Academic Council Meeting on January 18, 2008 could actually be a Faculty Senate Meeting upon the approval of the UM Board of Curators.

The following changes were made after the above minutes were approved by the Faculty Senate.

For reference the changes are included as an Addendum.

Addendum I: Public Occasions – Frank Blum for G. Venayagamoorthy
Draft 2009 – 2010 Calendar (July 12, 2008)

Fellow Senators:

A mistake in the Academic Calendars approved by the Faculty Senate was found for the Mid-Semester date for 2009 and 2010 Spring Semesters.

		<u>Currently approved</u>	<u>Correct date</u>
Spring Semester 2009 Saturday	Mid-Semester	March 14, Saturday	March 7,
Spring Semester 2010 Saturday	Mid-Semester	March 13, Saturday	March 6,

The Officers and Chair of the Public Occasions Committee considered this change to be like a typographical change. Consequently, I have told the Registrar to make these changes in the official Calendar so that the book printed next week will be accurate.

I believe that this action will meet with your approval. If there are any serious considerations with respect to this change that need to be considered, please let me know.

Regards
Frank Blum,
FS President
