Join the Center for Advancing Faculty Excellence (CAFE) for an [early career faculty forum](#), "Technology Transfer, Intellectual Property and Entrepreneurship," at 4 p.m. Wednesday, Jan. 24, in Room 204 Curtis Laws Wilson Library. The event is designed for un-tenured, tenure-track faculty, assistant teaching professors and research professors. Refreshments will be provided.

Technology transfer complements the research mission of the university by providing a path to move innovative discoveries to commercialized companies to further develop technology. Learn about S&T's technology transfer office, which serves as the university's focal point for entrepreneurship, economic development and technology transfer. Refreshments will be provided.
