TABLE OF CONTENTS

	Page
Preface	iv
Low Cost Housing in Europe Sydney Lenssen	1
New Towns Leonard R. Mann	16
Industrialization: Generic Examples, Specific Solutions -- Camus and Sectra Laurence S. Cutler.	19
“Low Cost Housing Projects & Problems in Hawaii” Subtitle: “A Third Force in Housing D. Richard Neill.	27
Austin Oaks 68 Franklin B. Johnson, J. Neils Thompson, Robert I. Carr, Jr., and David W. Fowler.	31
Construction Methods For Low-Cost Housing V. Malakonda Reddy and A.S. Sarma	38
Feasibility of Prefabrication in Low Cost Housing Dr. Dogan Sorguc, David Arditti, and Taha Aksoy	50
A Case Study in Industrialized Housing William L. Hooper.	54
Low Cost Housing and the Problem of Local Building Codes in the United States Margaret E. Goertz	57
Psychological and Sociological Considerations in the Design of Low Cost Housing Units James J. Abernethy, Lecturer	60
The Causes of Delay in the Construction Industry Harold Rothbart, P.E.	63
Mobile Home Parks -- Design, Construction and Costs W. M. Baldwin.	66
Search For Economic and Universal Housing Systems -- Some Design and Construction Experience Zenon A. Zielinski.	71
Creating a Resource For Low Cost Urban Housing: Towards a Policy For Developing the Mobile Home Industry Arthur D. Bernhardt.	91
Shelly-Modular Housing System Luis E. Mora	95
“Sheltron” -- A Construction System For Low-Cost Housing Rodolfo J. Aguilar.	98
Cluster Development and Site Engineering Ray J. Peters	102
A Role For Educational Institutions in Housing Development Paul J. Grogan.	105
Soil Cement Blocks For Low Cost Housing -- Correlation of Experimental Results With Site Observations P. Selvanayagam.	110
Development By Means of Semi-Permanent Building A new, practical approach in Housing and City-planning B. E. Friedjung	114
Aggregate Rendered Plywood or Asbestor Exterior Wall Panels For Domestic Structures A. Coull and R.T. McCrone.	116
A Building System Using Precast Concrete Sandwich Panels From Footing to Roof E. L. Hansen and J.O. Curtis.	120
“The Buckle-Shell” V.J. Meyers and V.C. Matzen	128
A Hyper-Roof Concept For Low-Cost Housing John V. Huddleston.	132

Low Cost Housing in the Perspective of Metropolitan Calcutta's Urban Renewal	
S. Ghosh Dastidar135
Siting Criteria For Low Rent Public Housing	
Charles O. Quade139
An Experiment in Low Cost Housing in Stillwater, Oklahoma	
William H.J. Cleverly and Phillip G. Manke142
The Mobile Home is Low-Cost Housing--Or is it?	
Walter L. Meyer145
Cultural Bases of Preference For the Visual Appearance of Residential Environments	
Peter G. Flachsbart and George L. Peterson148
A Self-Help Process For Low Cost Housing Construction in Pittsburgh	
Dennis H. Parr152
Foundations For Low-Cost Housing	
Norbert O. Schmidt153
Low Cost Housing Projects in India	
A.R. Santhakumar156
Low Income System Key Assembly	
Darin V. Liska162
"ARACHNE"	
(a construction method for industrialized housing)	
J.P.D. Kergueno168
Modular Housing Systems Around the World and in the U.S.A."	
Nitin N. Shah171
Concrete Sandwich Panels For Low Cost Housing Construction	
Robert W. Ellis, Jr. and Steven D. Cummings175
Low Cost Housing	
(how to avoid the "problem" in three words or less)	
Carl P. Sharpe178
Increasing the Productivity of Housing Development Corporations	
Carol Van Alstyne181
Acoustic Evaluation of the Ten Houses in the Austin Oaks Project	
Elmer L. Hixson184
Effect of the Supply of Low Cost Housing on In-Migration of the Unskilled	
Daniel L. Babcock191
Preconditions for and Benefits of the Development of Low Cost Housing Technology	
E.L. Keating and E.S. Miller194
A Place in the Sun	
Arthur Monsey198
Analysis of Costs in Housing	
John J. Huson, P.E.200
Earthquake Resistant Construction Features in Low Cost Buildings	
A.S. Arya, Ph.D.204
A U.S. Building System: An Experience and Lessons to be Learned	
sepp firmkas211
Case Study and Analysis of a Low Cost Housing Project in an Urban Area in India	
P. Purusothaman and Jawalker K. Sridhar Rao221
Impact of Planned Policy and Sociological Factors on Low Cost Housing Programmes:	
D.R. Sikka228
Construction Methods For Low Cost Housing	
A.M. Mahajan231
Modular Housing	
Herbert Behrend234
Low Cost Housing: The Necessity of Interdisciplinary Skills	
Margaret K. Thorpe and Dwight D. Zeck237
Low-Cost Housing Through Total Planning	
Peter J. Hammond241
