Deadline approaches for mini-grant letter of intent

Posted by Velvet Hasner

On February 22, 2018

All faculty and staff planning to submit a proposal for the Educational Research Mini-Grant program should submit a letter of intent to the CERTI office by Thursday, March 1. Please email the letter of intent to certi@mst.edu or mail the letter to 207 Norwood Hall, with the title of your project and a brief, 100-word abstract.

All full-time faculty, full-time staff and department chairs with teaching duties may apply for up to \$5,000 for an individual project or up to \$8,000 for an interdisciplinary team project.

The purpose of the Educational Research Mini-Grant program is to promote a culture of scholarship of teaching and learning through funding projects that systematically examine pedagogical practices within a particular discipline. Funding is provided by the provost's office through the Center for Advancing Faculty Excellence (CAFE). For more information, please visit the [CERTI website](#).
