Learn about the building blocks of course design

Posted by Velvet Hasner

On July 3, 2019

Join the Center for Advancing Faculty Excellence (CAFE) for a workshop about course design 1-4 p.m. Tuesday, July 16, through Thursday, July 18, in Room 317 Butler-Carlton Civil Engineering Hall. Space is limited to 12 people. [Sign up online.](#)

Courses tend to have a shelf life; materials need updating, technologies change and you've grown as an instructor. Join CAFE to design or redesign your course to align your goals, methods and outcomes to enhance student learning.

For more information about this workshop, please contact CAFE at cafe@mst.edu.
