

**9th International Conference on
Structural Health Monitoring of Intelligent Infrastructure SHMII-9
August 4-7, 2019
Student Poster Competition**

SHMII-9 will highlight student research as part of the three-day conference program activities. The Student Poster Competition is an opportunity to showcase your research, exchange knowledge and ideas, and engage with representatives from the transportation industry.

Competition:

The Student Poster Competition will be held on during the conference, date and time to be announced. The SHMII-9 Student Poster Session Committee members will serve as judges for the poster competition. First, second, and third place awards will be announced at the closing ceremony on August 7, 2019.

Judging Criteria:

- **Content and Presentation (50 Points), examples include:**
 - Research topic/problem/hypotheses clearly defined
 - Significance of research is clearly stated
 - Research questions align with methods
 - Presentation of data is clear, thorough, detailed
 - Ethical issues/limitations/validity issues addressed
 - Directions for future research addressed
 - Questions from the audience were effectively addressed
- **Design (40 Points), examples include:**
 - Visually appealing
 - Well organized; easy to read
 - Effectively conveys most important information about the project
 - Figures/tables/graphs complement presentation
 - Free of grammatical errors or misspellings
- **Overall Quality (10 Points):**
 - Poster
 - Presentation/delivery
 - Student's understanding of the topic

Poster Requirements:

Each poster must be presented by a student. Posters must be 40 X 30 inches. Please use the [SHMII-9 Poster Template](#) provided. Each presenter will be given an easel or display board. Poster set up date and time to be announced. Push pins will be available.
