Vol. 4, No. 8.

Friday, November 2, 1917.

Price 5 Cents.

Miners 65, Marionville 7.

Coach McConnell's dynamite squad took Marionville College into camp last Saturday on Jackling Field by the one-sided score of 65-7. The game with the exception probably of the first quarter, was listless and very uninteresting. The Miners lacked the pep and go which has always been so prominent in the past. The exhibition Saturday foretold one thing, which is, some radical changes must be wrought this week if the Mineralogists are to make a fair showing at St. Louis next week. Wilson for the Miners was easily the shining star of the day, and although all but out in the latter part of the game bravely and unflinchingly stuck to his post. Denison, Place and Stevens played a good game. The visitors scored in the early part of the second quarter on a fumble by Mann; Denny, of the visitors, recovered and raced with a clear field before him 35 yards and a touchdown. At the beginning of the second half the second team was pitted against Marionville, but had to be yanked, as they could do very little against the opponents. The frequent pass from White to Wilson was executed in rare style, and much ground was gained in this manner. Capt. Bruce was called away, and could not, therefore, be present in uniform.

First Quarter.

Marionville won the toss, and

Continued on Page Six.

Big Pep Meeting Thursday.

The Student Council called a special mass meeting Thursday, and it certainly was a real meeting. After a short talk by Chief Gray Eagle, Dr. McRae announced the winner of the Spilman Prize, and Mr. Spilman, the donor of the prize, gave an interesting talk on "Why we are in school, and what we should do while there." Prof. Dean then gave a clever talk on "Time," but did not take up much time, for we had an important thing to do—the awakening of old-time pep.

And then things began. Taylor was elected cheer leader, with Guy as his assistant. Coach McConnell gave us a hunch as to the kind of fight the team was going to put up Saturday. Various members of the team confirmed the statements of the Coach, and some did so so forcibly that their words cannot be printed. Cheer after cheer caused Parker Hall to vibrate. One would have thought it was the resurrection of the old steam roller days. Over 90 per cent of the student body avowed its intention of being at the game, and yelling until there was not a throat left. Our motto is: "Beat Washington."

Lyceum Cours Opened by St. Claire Sisters.

The first number of the Lyceum Course, which is given under the auspices of the 1918 Rollamo Board, was formally opened at Parker Hall last Tuesday even-

ing by the four St. Clair Sisters. These four girls gave an evening full of musical entertainment. Each one is talented, and demonstrated her gift in more ways than one. The program consisted of singing, playing on mandolins, guitars, banjos, violins and piano, solos and recitations. The audience, which was a good one, considering the short notice given them, was especially well pleased with Miss Mary St. Clair, who is an elocutionist of no little ability. The girls put pep into their numbers, and were young and attractive. They seemed to enjoy their work very much; unlike some of the older people with which we have to deal, who always go thru a performance in a bored way.

Spilman Prize Won By M. Shanfeld.

After going over and carefully investigating the lists handed in by the contestants, the judges handed down the decision that M. Shanfeld had done the most in bringing the most new men to M. S. M.

Dr. McRae announced the winner at the Mass Meeting Thursday, and presented him with the check for \$50.00, given by Mr. Spilman.

"Mike" Shanfeld is a Senior, a good student, and an enthusiastic worker for M. S. M. All wish to congratulate him."

There will be first-class freight accommodations to St. Louis on Friday night. Be on the alert.

FRESHMAN COLUMN.

The Freshman class, for the first time in the history of M. S. M. has had the honor of having among its members a school cheer leader. We are glad to see that one of our members, Guy, has been elected, and feel sure that he has the "pep," "zest" and "push" to become a successful cheer leader. We are also positive that he will contribute a great deal to bring back to the school a little "pep." Go to it, Guy. We want to see you before the Washington U. stand leading the "High School Boys" when their team crosses the opponent's goal. We are backing you, and will yell till our throats can't utter a sound! In the same manner that we have produced a cheer leader, and a few football stars, we will continue to produce new wonders, as we are confident of having one of the best classes that has stepped over the M. S. M. threshold. We admit it, and will see that eventually the rest of the fellows will.

To celebrate the coming victory over Washington, we have planned to hold a smoker the coming Saturday, Nov. 10th. Come on, fellows, we expect to have one of the best smokers ever held. Everybody be there.

We would advise a few members of our class to keep off their faces some of that shrubbery they are so carelessly letting grow. We have already heard some mysterious whispering among the Seniors, and have seen something looking like an old hoe in the hands of them.

Next Tuesday there will be an election of class officers. All members of the class are requested to attend the meeting.

If any one doubts the true sportsmanship of Prof. Hutsin-pillar, just ask any one in the third hour Freshman English class.

The Marionville Coach remarked after last Saturday's game that his team had not re-

ceived as cordial a welcome any place as he did at Rolla. The Rolla game being the third for the Marionvilleites this year. In return we must say that the featherweights from Marionville did sure put up a fight that was inverse to their weight.

A word to the wise is sufficient. Freshmen, remember your obligations to the smoker.

The Freshman class did not appreciate the descriptive art work presented by M. Salmon, and as a consequence said gentleman had a few wrinkles removed from his mid-section.

The new course in "snipe hunting" has gained much favor. Our friends in the Lyceum sang praises unto it, and to the founder, Sir Hyman.

The battle is not always in favor of the strong. This was verified on last Saturday afternoon at the Miner-Marionville game. Dr. York, Ph.D., C. E., was neatly administered a wrinkling for not making his appearance on the field during halves. Take heed, brother classmen, and don't allow your dignity to overpower your class duties.

School of Mines Bulletins in Demand.

Maxtel and Knott, consulting engineers, London, writes: "We are much obliged to you for sending us Professor McCandless's Report on Blended Cements, which we have perused with much interest. We observe on page 53 of this report that some further bulletins will be published, and as the matter is one of considerable concern to us as consulting engineers to the cement industry in England, we should be much obliged if you will let us have further copies of these Bulletins."

Ray D. Morgan, ex-'10, city engineer, Temple, Texas, visited the School of Mines this week. He is very much interested in the football team, having played on the Miner team four years.

JUNIOR COLUMN.

"Gabe" Harris is now first-class bugler for the military company. If Gabriel is true to his name he will be a mighty trumpeter.

Sophomore Barnard wants all these Profs. to know that they need not try to kid him along.

"Would it be correct to say that our knowledge of chemistry has decomposed, and our knowledge of mechanics has disintegrated?"

Krause had quite a time last Tuesday, fussing four sisters at once. He enjoyed it fine, he said.

With Bruce and Krause playing in the line that football team looks about as good as any high school team. Krause is opening up holes big enough for a box car to go thru. He is going to make up for the price of all the extra leather.

Stevens explained to the English class just what the size of two fingers means.

November, and some men have not yet paid their October's dues See Nichols.

Meryl No. 2 has arrived in school. His surname is Ross. Look him up, Mc.

We wish to take this opportunity of thanking the Physics Department for those beautiful examinations which we receive weekly. We learn something new from each one. Something which we had never heard of before.

The stewards of the several clubs and fraternities should place their orders for game with Kamp and McCarthy.

Some of the students' fussing scores took an awful jump last week. Quite a few of last year's combinations have been broken up, but the new ones seem quite as effective.

Maness wants to remind the mining men to beware, and report at the mine tomorrow.

Patronize our Advertisers.

SENIOR COLUMN.

The St. Clair Sisters were entertained by the Senior members of the Rollamo Board, under the able direction of Theatrical Manager Maness.

A number of Ore Diggers attended the Hallowe'en masque dance at Jim Town Wednesday night. They were chaperoned by H. S. Clark.

Lieut. H. P. Lawrence, ex-'18, visited Rolla last week before going to Ft. Sill, Okla., where he is an instructor in the Government military training camp there. Until recently he has been stationed at Camp Cody, New Mexico.

Play Golf.

Arrangements have been made with the management of the school, whereby every student is entitled to all the privileges of the Golf Links. Your membership ticket M. S. M. Athletic Association is all that is needed to admit you to an associate member of the Golf Club. We welcome you.

M. F. FAULKNER,
President Rolla Golf Club.

SOPHOMORE COLUMN.

Hawkins evidently fears the potential energy of the physics quiz the Sophs are to have.

Whitworth, who joined the National Guards at Nevada last summer, was called out last week and is now in the ordinance department at Fort Sill.

Altho some of the Sophomores are good hunters they don't seem to be able to hunt ducks successfully.

By the able assistance of the Frisco, many Sophomores are contemplating seeing the Miners show Washington what a real football team is like.

Prof. Dean is going to feed the Sophs calculus with a toothpick pretty soon.

At an entertainment given by Mrs. J. H. Bowen last Saturday afternoon the engagement of Miss Edna Wright to Lieutenant Emmett Lee Arnold was announced. The couple will be married next Saturday, Nov. 3rd, in St. Louis. Mr. Arnold is a graduate in General Science from M. S. M., class of '16. The Miner extends best wishes.

Prof. and Mrs. V. B. Hinsch left Rolla last Friday for Davenport, Iowa, where Mrs. Hinsch was put in the hospital for treatment. The Miner hopes a rapid recovery will soon be in order.

The South Central Missouri Teachers Association is holding its annual meeting in Parker Hall this week. The High School basketball contests will take place in the Jackling gymnasium Saturday, and the declamatory contest will be held in Parker Hall auditorium Saturday night.

Pay your Miner Subscription.

On to Washington.

Only a few days more until the Rolla Miners journey to St. Louis to meet their old rival, Washington. Washington, with her luck, is hard to beat, but she is doomed this time.

The Miners are all in good shape and anxious for the sound of the whistle. Johnston, who was hurt at Fayetteville, is again all right, and is tearin' things up. A general all-round change has been made, and the dynamite squad Saturday will prove a different aggregation than it has been at any previous time this season. Good stiff practice, with plenty of blackboard work has proven beneficial, and more pep thruout the entire eleven is noticeable. Krause, the veteran lineman, has again donned the moleskins, and is tearing holes in the second string line big enough to drive an elephant thru.

Coach Higley, who saw Washington play Rose Poly last Saturday brings back word that the Pikers are not to be belittled; and incidentally he brot all of Washington's plays back with him, which the second team have played all week on the Varsity, with but little success. "Mac" is very optimistic over our chances, and we all know that the Miners are going to bring us home another win this Saturday.

Quite a delegation from here will attend the game, and with a body of rooters behind that white and yellow team, it is going to be encouraged, and fight with a hammer and tongs feeling in their hearts.

Howard B. Shaw, formerly Professor of Electrical Engineering and Dean of the School of Engineering, University of Missouri, and for the past four years a member of the Public Service Commission of Missouri, has taken charge of the Doherty Training Schools, with headquarters at Toledo, Ohio, at the offices of the Toledo Railways and Light Company.

Rollamo Dance a Glorious Affair.

Over fifty couples enjoyed the first Rollamo dance of the season. It was such an enjoyable affair that all look forward to another dance in the near future.

Due to an oversight, mention of our defeat of last year by Arkansas was omitted in a recent issue. It was unintentional, and now adjusted.

THE HOBO ENGINEER.

Sometimes I think I'll quit this
life,
And settle down and get a
wife!
Sometimes I think that I would
like
To have a place that I call
home,
And settle down no more to
roam.
But then that very thing I've
tried,
And find myself dissatisfied.

I've often tried to settle down
To office work and live in town
And act as civilized folks do;
Take in the shows and dances,
too

But I no more than get a start
When wanderlust would seize my
heart,

And in my night dreams I can
see
The great white silence calling
me.

Then at the chance near I
would fail

To drop it all and hit the trail
Back to the old solitudes again
With level, rod, transit and chain
And do the same things o'er
and o'er,

Day after day and week after
week.

Sometimes we would go to
town

To seek a little fun; and, some-
times, well

To raise a little Hell.
Now we don't mean to, but you
see

When we've been out two
months or three
In silent places, where the night
face

Of a white man's out of place,
We hit again the great White
Way,

Our joyful spirits get full
sway,

And when we crowd into one
night

The joys of many months, it's
right.

Well, maybe not, but it's not for
me

To shape our final destiny.
When our last survey is done

And tied up to the great un-
known,
And to our child our record
brought
Of numerous work and hard-
ships fought,
Of lonely work we have endured
That the best results might be
secured;
Against all this our little sprees
Will seem as brooks compared
to seas,
And angels surely will decide
There's a balance on the credit
side.
Then God, I think, will drop a
tear,
And bless the
HOBO ENGINEER.

From W. V. Bayha.

St. Louis, Mo., Oct. 28, 1917.
Missouri Miner,
Rolla, Mo.

Mr. Editor:

The Miner is one paper that I
cannot get along without. It
brings back old times, especially
the last issue (Oct. 26th) in
which you list the M. S. M. men
who have offered their services
to Uncle Sam. A good many of
my classmates are in that list,
and it kind of gives me the blues
to think that I cannot go, too.
My brother and I drew straws to
see who should enlist, and he
won, and it was up to me to stay
at home and support my mother
and younger sisters. I am doing
my best in a way, as we are mak-
ing machinery for the Govern-
ment.

I notice that the Miners play
Washington U. next Saturday,
and think we will beat them. At
any rate I'll be there, and help
you "Spell it out for the team,"
"Give 'Em Hell, Miners."

Sincerely,
W. V. BAYHA.
4310 Washington.

M. H. Thornberry, of the Ex-
periment Station, attended the
funeral of his cousin, W. H. Wa-
ger, at Neosho, Missouri, last
week.

Miners 65, Marionville, 7.

Continued from Page One.

chose to defend the west goal. Oyler kicked off to Smith, who brot the ball back 5 yards. After four unsuccessful attempts Marionville lost the ball to the Miners. Wilson took it 2 yards; Mann off tackle for 12 yards and first down. White went around right end for 2, and Denison thru center for 10 more. Miners penalized 15 yards for holding. A pass, White to Wilson, was completed, and made first down, putting the ball on Marionville's 4-yard line. White carried it over. No goal.

Butler kicked off to White, who booted it back 20 yards. Plunges by Mann and Denison took it to 30-yard line. On a pass from White to Wilson 18 yards were added. Denison thru center added 15 yards, and Mann carried it over for the 2d touchdown. No goal.

Oyler kicked to Williams, who was downed in his tracks. Smith made 2 yards, and Viele 3; a penalty of 5 yards for offside. Marionville tried to hit the line, and lost the ball as result. On a series of line plunges another 6 points were added.

Butler kicked to Dorris, who brot it back 15 yards. Wilson tore off 35 yards around end; Denison cut off 12 more. Denison hurt, and is replaced by Taggart. Mann worries it over. No goal.

Butler kicked to White, who returned 8; pass White to Wilson netted 20 yards; Wilson and Mann carried it down the field for 4 first downs, and to the 1 yard line, where Taggart successfully carried it over. Oyler kicked goal.

Oyler kicked to Smith, who came back 8 yards. The quarter ended with the ball in Marionville's possession on their 75-yard line. Score 31-0.

Second Quarter.

The visitors could not gain on

the Miners, and forfeited the ball. The back field carried it to the 35-yard line. Mann fumbles, and Denny races to a touchdown. Kicked goal.

Oyler kicked to Smith, who brot it back 5 yards. Mann steals a pass, and it is Miner's ball in midfield. Mann goes thru tackle for 20. An incomplete pass, White to Stevens, White loses 5 yards. Taggart races to the 2-yard line. Mann over. No goal.

Miners kick to Bettis, who was downed by Stevens. Marionville loses ball on downs. White to Stevens incomplete. Mann thru tackle 1 yard. Mann again for 2 Wilson around end for 2; Taggart thru center for 5, and first down. White loses 7 yards. Smith snags a pass, and carries it 4 yards. In a series of unsuccessful line plunges Marionville kicked on fourth down. Wilson run back 8 yards. Mann loses 2, Taggart cuts off 9 thru center, White to Wilson for 30 yards. White loses 2 more;; Taggart makes 3, and the half ended with the ball on the Miner's 10-yard line. Score, Miners 37, Marionville 7.

Third Quarter.

At beginning of second half Miner second team appeared Durning kicked to Smith, who fumbled, and Webb recovered. Mellow off tackle for 3; penalty of 5 yards for offside. Pass Homer to Larsh incomplete, and lose ball. Miners hold and get ball back. Homer to McClarken incomplete. McClarken goes around end for 10 yards. Mellow no gain. Horner 3 over right tackle. Mellow plunged off center, takes ball to the 10-yard line. McClarken carries it over. No goal.

Swayze replaces Miler. Durning kicked off to Viele, who returned it 7 yards. Marionville loses ball on downs. McClarken and Horner net 7 yards, offside 5 yards. Mellow carries it to first down on the 12-yard line. Miners lose ball to Marionville. On a

blocked punt Miners down Marionville behind goal, and score a touchback. Ball put in play on 20-yard line. On fourth down the visitors kick. McClarken and Mellow take it 8, offside 5 yards. Homer carries it to first down, McClarken goes around end for 22 yards and a touchdown. No goal.

Durning kicked off to Smith, and the quarter ends on the Miner 30-yard line, in the visitors' possession. Score, Miners 51, Marionville 7.

Fourth Quarter.

First team replaces second team. Wilson carries the ball around left end for 20 yards, and is hurt, but continues. Mann goes thru center for 7 yards; penalty 15 yards for holding; Mann makes first down; White loses 5 yards, Wilson makes 11, and time again taken out when he is hurt. Ball on the 10-yard line, from where Taggart carries it over. Oyler kicked goal. Butler kicked off to Taggart, who returned 25 yards, White loses 5 yards, Mann thru center for 8 yards. Housholder replaces Dorris.

Taggart goes thru tackle for 4, and "Kid" Wilson around end for 12, placing the ball on the 9-yard line. Mann to Taggart carried it over. Oyler kicked goal.

Butler kicked to White, who was downed in his tracks. Wilson around end for 10 yards, White loses 3 yards, Taggart no gain, and Mann off sackle for 8. The whistle then blew with the ball in the Miners' possession in midfield. Final score: Miners 65, Marionville 7.
