Monday, November 10, 1924.

Price, 8 Cents.

## ROSE POLY 3, MINERS 20

### CLARENCE.

The M. S. M. Players presented Booth Tarkington's "Clarence" Friday night, as their initial performance of the year. The play was given for the benefit of the M. S. M. Boosters Club.

Tom Eagan, played the leading part and made an excellent showing as "Clarence". Stewart MacKelvie made his first appearance with the Players and did some clever acting as Mr. Wheeler, a tired business man with a lot of family troubles. Josephine Bowen, as Mrs. Wheeler, upheld her past reputation as a talented actress. Miss Dorothy Julian as Cora Wheeler and Creighton Hendrickson as Bobby Wheeler, appeared for the first time in a M. S. M. production in parts which they displayed their acting very skillfully. Violet Finney, Cora Wheeler's governess was well played by Billy Farris. Fred Matlock played the part of the rich widower, Hubert Stem. He made his usual good showing. Wm. Schweickhardt, as butler, Loraine Love, as Della, the maid and Margaret McKee as Mrs. Martyn, the stenographer, played their parts very well in their first appearance with the M. S. M. Players.

Miss Dorothy Julian was the outstanding star of the play. Her portrayal of the "kid sister" type was realistic to the last point. We hope to see her often in the future productions of the Players.

The whole cast is to be complimented on the play. Each member of the cast displayed an ability to act which is more than could be said of many plays of the past.

The play was well attended due to the reduction in price of admission. Over four hundred paid admission. The Varsity Orchestra played the overture and entertained between acts.

Much credit of the success of the play is due to C. N. Valerius, who directed the play.

### CURATORS MET IN ROLLA LAST FRIDAY.

The annual meeting of the Board of Curators of the University of Missouri held in Rolla took place last Friday. The following members of the Board were present: H. J. Blanton, Frank M. McDavid, E. Lansing Ray, J. P. Hinton, P. E. Burton, Milton Tootle, S. L. Baysinger, also S. D. Brooks, President of the University, and Leslie Cowan, secretary of the board.

The only business transacted by the Board was the consideration of the proposed budget for the coming biennial period.

### MINERS OPPOSE MISSOURI WESLEYAN.

The Miners are encountering strong opponents next Friday in tackling Missouri Wesleyan on their home field at Cameron. The Wesleyanites put up a strong battle against Missouri University, holding the Tigers to a 14-0 score.

The Miners will send their strongest line-up to Cameron. Hasselman and Lee have returned to their best shape, having recovered from their early season injuries. A victory over Missouri Wesleyan would be a feather in the Miner's cap, and they are primed for a strenuous combat.

### IRA REMSEN AND MINING AND MET. ASSOCIATIONS HEAR DR. SCHLUNDT.

The Ira Remsen Society, with the Missouri Mining and Met. Association as its guest, met Saturday, Nov. 8th, in the Chemical Building to hear Dr. Herman Schlundt deliver a lecture on Radium. Dr. Schlundt is Professor of Chemistry at the University of Missouri, and for more than twenty years has been conducting research work in radioactivity. His lecture dealt with the various means of extracting radium from its ores, and the disintegration of radium.

At the conclusion of Dr. Schlundt's splendid lecture refreshments, served in true chemical style, completed an excellent meeting.

The Miners celebrated their return to home pastures after playing on foreign lots for four consecutive week-ends by trouncing Rose Polytechnic of Terre Haute Indiana 20 to 3 on Jackling Field Friday. At no stage of the game did the Technicians from Indiana seriously threaten the Miners good line, their nearest advance being the 30 yard line.

The Miners started the scoring early in the first quarter, gaining possession of the ball in midfield after an exchange of punts. Springer passed to Allebach who advanced the ball to Rose Poly's 5-yard line before he was downed. After three attempts at smashing the line had netted but three yards, Modaff shot off tackle for a touchdown. McBride failed to add the extra point.

The Miners scored again in the second quarter after a sixty yard march down the field. End run by Thomas and Lemon and a pass, Fisher to Ledford, brought the ball to Rose Poly's five yard line and Thomas carried it over. McBride kicked goal.

The Miners scored their final marker in the last quarter after recovering a blocked punt on Rose Poly's thirty yard line. Off-tackle plays, aided by Modaff's fifteen yard run around end, carried the ball to within scoring distance and Thomas slipped through the line for a touchdown. McBride kicked goal.

The visitors scored their only points in the third quarter on Mooreheads thirty-five yard placement. One of his attempts at goal from placement just missed by inches.

The Miners played an indifferent brand of ball and seemed to lack the fight which they displayed against St. Louis University and Washington University. Playing without the services of Hasselman and Lee, and also Fisher during a greater part of the game, the Miners clearly showed the effect of their absence.

The work of Buck nad Gladden on the backfield was especially outstanding. Buck and Gladden played their opponents to a standstill and were the cause of the failure of the

visitors off-tackle play. Lemon proved to be the Miners' chief ground gainer, carrying the ball for long gains on several occasions.

Captain Moorehead and Miller were the shining lights for the visitors.

#### PLAY BY PLAY.

##### First Quarter.

McBride kicked off over Rose Poly's goal line. The ball was put in play on the 20-yard line. Reinking failed to gain around end. Ledford threw Reinking for a 6-yard loss. Rose Poly punted to Thomas, who returned to the visitors' 30-yard line. Modaff failed to gain. Thomas made 3 yards off tackle, and Springer added 2 more. McBride's placement kick from the 30-yard line failed. Rose Poly's ball on their 20-yard line. The visitors punted on first down, and the ball went to the Miners in midfield. Modaff lost 2 yards. Springer passed to Allenbach, who was downed on Rose Poly's 6-yard line. Springer failed to gain, and Modaff hit the line for 2 yards. Thomas added 1 yard more, and Modaff shot off tackle for a touchdown. McBride failed to kick goal. Miners 6, Rose Poly 0.

Glenn kicked off to Ledford, who returned to the Miners' 20-yard line. Springer went around end for 2 yards. Modaff fumbled, but recovered. McBride punted out in mid-field. Glenn failed to gain thru the line. Poper made 5 yards around end. Reinking added 2 yards thru the line. Mayrose punted to Thomas on the Miners' 30-yard line. Berry failed to gain. Springer failed to gain. McBride punted to the visitors' 40-yard line. Gladden stopped a line buck. Reinking circled end for 8 yards. Miller added 3 yards thru the line. Rose Poly fumbled, but recovered. The visitors were penalized 5 yards, back-field in motion. A pass was good for 5 yards, and Reinking made 1 yard around end. Reinking added 2 yards off tackle. Mayrose kicked to Thomas, who returned to mid-field. Modaff and Thomas hit the line for 6 yards. Modaff failed to gain. McBride punted 50 yards across the visitors' goal line. Piper went around end for 5 yards. Rose Poly fumbled but recovered. Miller hit the line for 2 yards. Mayrose kicked to Thomas in mid-field. Berry failed to gain.

##### Second Quarter.

Thomas made 5 yards around end. A pass, Berry to Ledford, was incomplete. McBride punted out on the visitors' 25-yard line. Rose Poly punted out on the Miners' 48-yard line. Modaff failed to gain. Miners

penalized 15 yards for holding. A pass was incomplete. Line buck failed. McBride's punt was returned to the visitors' 42-yard line. J. Johnson was injured while stopping a line smash. Heinrich replaced him. Berry threw Reinking for a 5-yard loss. Miller made 4 yards, but Rose Poly was penalized 15 yards. They then punted out on the Miners' 40-yard line. Thomas shot off tackle for 12 yards. Fisher went in for Berry, and Lemon replaced Springer. Modaff made 1 yard. Fisher hit the line for 6 yards. Lemon made 15 yards off tackle. Thomas and Modaff made 5 yards thru the line. Lemon swept around end for 10 yards. Miners penalized 5 yards. Fisher failed to gain. Fisher passed to Ledford for 15 yards. Fisher added 3 yards thru the line. Rose Poly penalized 1 yard for excessive number of time outs. Thomas went over for a touchdown. McBride kicked goal. Miners 12, Rose Poly 0.

Mayrose kicked out on the Miners' 10-yard line. Lemon 5 yards thru line. Modaff added 2 yards more. Lemon 4 yards off tackle. Fisher added 4 yards more. Thomas made 6 yards around end. Modaff fumbled, and the visitors recovered. An end run failed to gain, and Rose Poly was penalized 15 yards. An end run lost 1 yard. Glenn and Piper made 6 yards. A placement kick from the 45-yard line by Moorehead failed by inches. Modaff hit the line for 3 yards. Fisher failed to gain. Lemon fumbled, but recovered. McBride punted to Miller, who returned to the Miners' 33-yard line. Two smashes by Reinking and Miller netted but 1 yard. A pass was incomplete. A placement kick from the 45-yard line was blocked, but recovered by the visitors in midfield. A pass was good for 5 yards. An end run failed. A pass was incomplete. A placement kick from the 55-yard line failed, Thomas returning the kick 45 yards. Thomas made 15 yards off tackle, and Fisher added 1 yard.

##### Third Quarter.

McBride kicked off to Rose Poly's 12-yard line. The visitors punted to Thomas on the visitors' 37-yard line. Fisher failed to gain. Thomas made 1 yard. Miners penalized 5 yards. The visitors intercepted Fisher's pass on their 27-yard line. Gladden was injured, and Buck replaced him. Rose Poly punted over Thomas' head to the Miners' 10-yard line. Lemon failed to gain. McBride punted to mid-field. Allenbach stopped an end run. Off-tackle play netted 4 yards. Fish-

er was injured, and replaced by Berry. Two line smashes failed, and the ball went to the Miners on downs. Lemon made 2 yards off tackle, and Berry added 3 yards more. Miners penalized 5 yards. Modaff failed to gain. McBride punted to Rose Poly's 40-yard line. Pass incomplete. Miller made 5 yards around end, and a line smash netted 2 yards. The visitors punted to Thomas on the Miners' 27-yard line. Lemon failed to gain, and Thomas lost 1 yard. A pass was incomplete. McBride punted 50 yards to the visitors' 30-yard line. Two passes were incomplete. Thomas fumbled, Rose Poly recovered and fumbled, and the Miners recovered. Berry made 15 yards off tackle. Thomas and Modaff made 5 yards thru the line. Rose Poly intercepted Berry's pass. Buck stopped a line smash. A pass was incomplete. Miller made 15 yards off tackle. A line buck netted 1 yard. Allenbach stopped an end run. Buck threw Piper for a loss. Moorehead's placement kick from the 35-yard line was good. Miners 13, Rose Poly 3.

McBride kicked off to Miller, who returned to the 25-yard line. Ledford threw Reinking for a 5-yard loss.

#### Fourth Quarter.

Rose Poly punted to Thomas in mid-field. Rose Poly was given the ball when the Miners were guilty of holding. An end run netted 10 yards. Buck stopped an off tackle smash. Rose Poly punted past Thomas to the Miners' 10-yard line. Lemon hit the line for 10 yards. Modaff failed to gain. Thomas gained 3 yards off tackle. Berry failed, and McBride punted out on the visitors' 30-yard line. Modaff stopped an end run, and Buck also stopped an end run. Miller made 4 yards thru the line. The Miners blocked a punt, and Allenbach blocked a punt, and Allenbach recovered. Modaff hit the line for 15 yards, and Lemon added 5 yards more. Lemon repeated for 7 yard. Smashes by Thomas, Lemon and Modaff failed to gain, but Thomas went over on the next play. Miners 20, Rose Poly 3.

McCauley, Treib and Hodgson replace Allenbach, Berry and Young. McBride kicks off over goal line. Rose Poly's ball on their 20-yard line. An

off-tackle play netted 4 yards. Piper added 3 yards, and Miller hit the line for 4 yards. Another line buck gained 4 yards, but Glenn lost 1 yard on an end run. Miller made 3 yards, and Mayrose punted out in mid-field. McCauley and Modaff failed to gain. A pass was incomplete, and McBride lost 2 yards. Rose Poly's ball on downs. McCauley broke up a pass as the game ended.

#### Summary:

Miners (20)	Rose Poly (0)
Ledford .....	Anderson
Gladden .....	Hail
R. Johnson .....	Kelly
Young .....	Schilt
McBride .....	White
J. Johnson .....	Rikelman
Allenbach .....	Mayrose
Thomas .....	Miller
Berry .....	Reinking
Springer .....	Glenn
Modaff .....	Piper

Substitutions: Miners—Buck for Gladden, Heinrich for J. Johnson. Fisher for Perry, Lemon for Springer, McCauley for Berry, Treib for Allenbach, Hodgson for Young.

Officials: Referee, Ramp (Cincinnati); umpire, Krause (Washington); field judge, Thoruberry (M. S. M.); head linesman, Cairns, (Missouri.)

#### A NOTE OF THANKS.

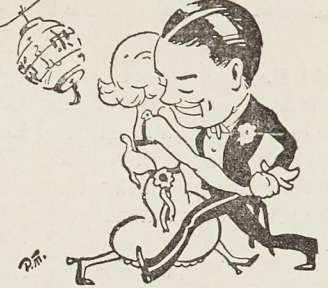

The M. S. M. Players wish to thank Mr. Stewart MacKelvie for his generosity in presenting them with a new set of scenery. A lack of suitable scenery has handicapped the Players in the past so the additional scenes will enable them to present many plays which would otherwise have been impossible. In this way the Players will be more able to serve and entertain the student body. The gift of Mr. MacKelvie is accepted

with gratitude by the student body through the M. S. M. Players.

DONALD R. BAKER,  
President.

#### LOST.

A gaberdine coat was taken from the check room at the Miner Dance last Friday. Will the party who took the coat kindly return it to some member of the Miner Board who will identify it. No questions asked.

**The winning stride**

Watch him at the "Prom." He's there with perfect ballroom condition from soles of his patent pumps to top of his glossy dome.

He's just as neat after the twentieth dance as during the first fox trot. There's no secret about his method. "Vaseline" Hair Tonic goes to his head regularly. It makes his hair silky and manageable and prevents dandruff. At all drug stores and student barber shops.

Every "Vaseline" product is recommended everywhere because of its absolute purity and effectiveness.

**JUST ANOTHER STORY.**

In the office of a college president that I know there hangs a diploma framed, emblazoned with all of the Latin inscriptions, but with the name gone. From what little Latin I know, I found that it was issued by this little college in the year 1892. The thing that is unusual about it is the fact that the name has been cut out.

I asked the president about the story connected with it and he told me something like this: "Thirty years ago Jack Milton, of course that is really not his name, finished here. He was one of the most popular men that we have ever had, a good athlete, excellent speaker, much in favor with the girls of his day, and a fair student. He had every honor that the students could give him.

"After he had finished things went well with him. Today he is president of the biggest bank in Texas and his income is written in five figures. They have even tried to get him to run for governor. Here is where the diploma comes in. Four years ago I found in my mail with a short let-

ter. I will show it to you."

He dug into his files and pulled out a letter written on highly embossed stationery. I made a copy that reads like this: "Dear Mr. President: I am sending you under separate cover the diploma that was issued me in 1892. I would like to have my name erased from the list of graduates and this diploma destroyed for I cribbed my way thru college. It has made me miserable for years, especially since there is no one who knows. I hope that you will be able to forgive the injustice that I have done to the college, that I really love." And there was a name that when mentioned in financial circles makes men look up quickly. I felt sorry for the man who could not forget. To him the honor system had not been a passing thing.

Copyright 1924 Collegiate Feature Syndicate.

Dear Mr. Editor:

An incident has come to my notice most recently which I believe to be most worthy of comment. Not only that, but I think the school as an institution is to be congratulated that it did not lose, to a certain Texas oil company, a student of recognized worth, Mr. William Godwin.

Sunday night, while calling at the home of one of our co-eds, Mr. Godwin received an urgent request, by phone, to confer with a representative from a Texas oil firm, who was stopping at the Baltimore Hotel.

We do not know what transpired during the course of the interview, for our Bill, with his inborn reticence about his personal affairs, refused to talk about it. However, he did state that he intended to remain at M. S. M. for the remainder of this term.

We rejoice that Bill thinks enough of us all to refuse what we all know must have been a most lucrative offer to remain with us. We doubly rejoice that the possessor of the "Most Perfect Moustache and Sideburns" is to continue to adorn our campus.

A Contributor.

**McKELVIE GIVES DANCE****FOR PLAYERS.**

Stewart McKelvie '25, was the host at a delightful dance which was held Friday night in honor of the M. S. M. Players and their friends. The affair took place at the K. of P. hall and was voted a complete success by those fortunate ones present. Luncheon was served at midnight after which confetti and serpentine was distributed, and added considerable

enjoyment to the merry-makers.

Mr. and Mrs. Jay Tschudy of Kansas City, parents of the host, were honored guests of the evening.

The chaperones for this pleasing occasion were: Dr. and Mrs. J. W. Earley, Prof and Mrs. C. Y. Clayton, H. H. Armsby and mother, Col. and Mrs. C. L. Woods, Mrs. H. G. S. Anderson, Mrs. Fanny Powell and F. E. Dennie.

Music was furnished by the Varsity Orchestra.

**ROLLAMO PHOTOGRAPHS.**

Sid Whiting of St. Louis will be here to take all individual photographs for the Rollamo on Saturday, Sunday and Monday, November 15, 16, and 17. The Rollamo is compiling a list of every man in school who will require an individual picture in the Rollamo. This year it will practically mean any man belonging to a school organization.

The schedule of sittings will be run about five minutes apart so that a man must be present at his appointed time during the three days or lose out.

This is quite an undertaking for the Board, and the earnest cooperation of the entire school will be necessary.

**PROF. G. W. STEVENS TO ADDRESS MASS MEETING.**

Prof. G. W. Stevens, professor of economics at Washington University, will address the student body at mass meeting next Friday.

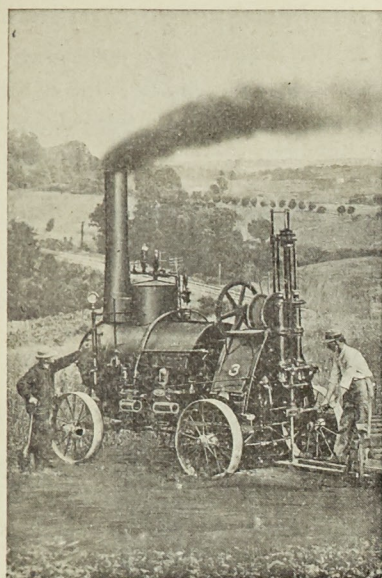

Prof. Stevens spoke here two years ago, under the auspices of the Methodist Engineers. Those who heard him at that time will remember a very interesting talk. His subject for Friday has not been announced, but that the subject will be of interest is understood.

**PROF. ELLSWORTH McLEOD AND PROF. HERBERT WALL TO GIVE JOINT RECITAL FRIDAY.**

The Booster Club is bringing Profs. McLeod and Wall, both of the University of Missouri, to Rolla this Friday. A joint recital will be given in Parker Hall Friday night. Admission will be 50 cents.

Some excellent reports have been received regarding similar recitals in other cities. Rolla is fortunate in being able to hear these two artists who have studied under the best masters of this and foreign countries. Prof. McLeod is professor piano, and Prof. Wall is professor of singing at the University of Missouri.

### WRESTLERS IN TRAINING.

The wrestling squad has inaugurated practice early this year. Having workouts every Thursday and Friday.

About twelve men have already reported and are working hard to get in shape for the opening meet. This year's wrestling squad is composed of all the members of last year's squad with the exception of Captain Walker, who upheld the 115 pound class for the Miners.

Commack will again hold up the heavy weight division with McCandless and Schramm in the 158 pound class. The Craig brothers, Sammy and Dewey, will be contenders in the 145 and 135 pound classes. C. S. Martin and Fruit are last years veterans in the 125 pound division. The 115 pound class has no representative as yet due to the graduation of Walker.

Ellis, Livingston, Joyce, Cook, Surry and Seydler are newcomers on the wrestling squad. Coach McCandless urges anyone who desires to learn wrestling to come out for the squad. This is especially true of the freshmen. Candidates are also desired for the 115 pound and heavy-weight division due to the fact that there are few candidates in these classes.

There have been no meets scheduled as yet but Missouri U., Drake, Iowa State and Washington U., are probable opponents on the wrestling schedule.

All Work Promptly Done

*Thomas A. Edison and Charles P. Steinmetz in the Schenectady laboratories of the General Electric Company, where Dr. Steinmetz did his great work*

## Steinmetz

The spirit of Dr. Steinmetz kept his frail body alive. It clothed him with surpassing power; he tamed the lightning and discharged the first artificial thunderbolt.

Great honors came to him, yet he will be remembered not for what he received, but for what he gave. Humanity will share forever in the profit of his research. This is the reward of the scientist, this is enduring glory.

Emerson tells how the mass of men worry themselves into nameless graves, while now and then a great, unselfish soul forgets himself into immortality. One of the most inspiring influences in the life of a modern corporation is the selfless work of the scientists in the laboratories, which it provides for their research.

**ARMISTICE DAY CELEBRATION.**

Ex-service men and the R. O. T. C. turned out Tuesday, November 11th, to celebrated the signing of the Armistice.

The program was:

- 9:15 a. m. Assembly of ex-service men and R. O. T. C. students on campus of School of Mines.  
 9:45 a. m. Parade thru town, headed by Rolla Band. March South on Main St. to 6th, and North on Pine to Campus.  
 10:15 a. m. Review on Jackling Field.  
 10:45 a. m. Address by Senator F. H. Farris.  
 11:00 a. m. Exhibition drill by R. O. T. C. Students.  
 Competitive drill between ex-service men and R. O. T. C. students.  
 1st Prize \$15.00.  
 2nd Prize \$10.00.  
 3rd Prize \$ 7.50  
 4th Prize \$ 5.00.  
 Prize money donated by Business Men of Rolla.

**LAMBDA CHI ALPHA DANCE**

Alpha Delta Zeta of Lambda Chi Alpha Fraternity entertained with an informal harvest dance at their home on November 8th. The house was beautifully decorated Fall fashion in which oak leaves and corn stalk formed the major part of the decorations. Out of town guests attending were Dr. and Mrs. Herman Schlundt, and daughters, Anna and Ester, of Columbia, Mo., Miss Irene Burress and W. P. Gatts of St. Louis.

Patrons and patronesses attending were Dr. and Mrs. W. D. Turner, Lieut. and Mrs. W. W. Wannamaker, Mrs. Geo. E. Joslin, Mrs. M. E. Smith, and Mrs. S. L. Baysinger.

**THE GRUBSTAKER DANCE.**

The Grubstaker's Club entertained with an informal fall dance at their house on Nov. 6. The house was beautifully decorated for the occasion and a good time was had by all.

The patrons and patronesses were: Mr. and Mrs. E. S. Wheeler and Mr. and Mrs. Wm. Kahlbaum.

**REV. E. W. BEHNER DIES.**

The Rev. E. W. Behner, pastor of the Presbyterian Church of Rolla, died of heart failure last Sunday afternoon at 2:30. Rev. Behner started to Elk Frairie to fill an engagement, and a short way out of town stopped J. Livingston, a freshman at M. S. M., asking him if he would drive the car for him, as he was not feeling well.

Livingston got in and drove on, but Rev. Behner soon said to turn back and get a doctor. They drove to the home of Dr. Durant, and he lost consciousness as Dr. Durant was assisting him from the car. He died at 2:30, a few minutes later.

Rev. Behner came to Rolla a little over two years ago. His popularity here was evident from the large number of students who attended his church. His congeniality and splendid personality made him a friend of the student soon after he came to Rolla. The shock of his sudden and untimely death is felt by the students who extend their sympathy to the bereaved family.

**DOLOMITE FOR REFRACTORIES.**

The dolomite refractories investigation being conducted by the Department of the Interior at the Ceramic Experiment Station of the Bureau of Mines, Columbus, O., includes a study of the many fluxes which could be used to aid in the dead-burning of dolomite and also a complete survey of the iron oxide-alumina-silica field as fluxes. The temperature of calcination and the resulting properties have been carefully investigated, and the most desirable ones chosen for further investigation in the making of dolomite bricks. Many binders and the several methods in common use of facricating bricks commercially have been tried, and a thorough study has been made of the properties of the most successful ware.

The result of the work of the Bureau of Mines investigators indicate that by employing the power fluxes in the proper proportions, it is possible to dead-burn dolomite when properly sized and under proper heat treatment, to a grain that will not slake after long exposure to the air nor under the more severe autoclave treatment. Several binders for ground have been found to give promise while two of this number are especially satisfactory. It is possible to make shapes from ground sinter, by both the semi-dry press and slop mold methods, which, when properly fired, will not slake upon prolonged exposure to the weather. The tricks thus made have physical properties which indicate that they will probably give good service as a basic refractory.

One of the members of the class of '27 uses the following letterhead on his stationery: "Dr. Fulton's Finishing School for Young Men of Engineering Inclinations."

**HONORARY AND PROFESSIONAL ORGANIZATION TO HAVE CLUB ROOMS.**

For a number of years the Honorary and Professional Fraternities of the M. S. M. campus have been badly in need of a place in which to hold their regular meetings and initiations. Since the completion of the new Bureau of Mines Building the congestion of class rooms has been somewhat relieved and it is planned to convert a room in the Metallurgy Building into a club room to be used as headquarters for the different honorary and professional organizations on the campus. The different organizations involved will stand the expense of furnishing the club room and it is expected that the same will be quite an asset towards bringing the different organizations of the campus in closer touch with one another and with the student body as a whole.

## A UNIVERSAL TWIN

## TWO RAFFLE.

Now is the time for all gasoline inhalers to come to the aid of the Class of '26. The Juniors after much effort have obtained a young member of the can family, which they wish to present by raffle. This Henry is an early twenty-five, having all the conveniences of home and the most alluring lines Ford has yet produced. Some of its most outstanding qualities are electric lights, four wheels, steam heat and open plumbing. The chances on this big black racer are going to be nominal and can be obtained from any Junior. Get hot and ask yourself the question: Not how do I stand, but when do I ride?

## VOCATES.

Walter Shupe and Mancil Overeen who are now Junior topographers in the U. S. G. S., have finished their assignment in Missouri and will report to Major Cook at Austin, Tex., about the 1st of December.

Coordinator Montie E. Lum was in St. Louis on business Monday.

Emil E. Shireman has reported back to school after having spent the summer in Kansas.

The Rehabilitation Committee of the U. S. Veterans Bureau will be in Rolla about December 1 to meet vocational students and talk over training matters with them.

## ALUMNI.

"Pen" Gordon, '22, was in town over the week-end. "Pem" will be remembered as a star player with the M. S. M. Players.

W. P. Gatts, '22, was in town over the week-end, giving the campus the once over. "Willie" was actively connected with the Chemistry department while in school.

"Bob" Richards, '23, spent several days in Rolla recently.

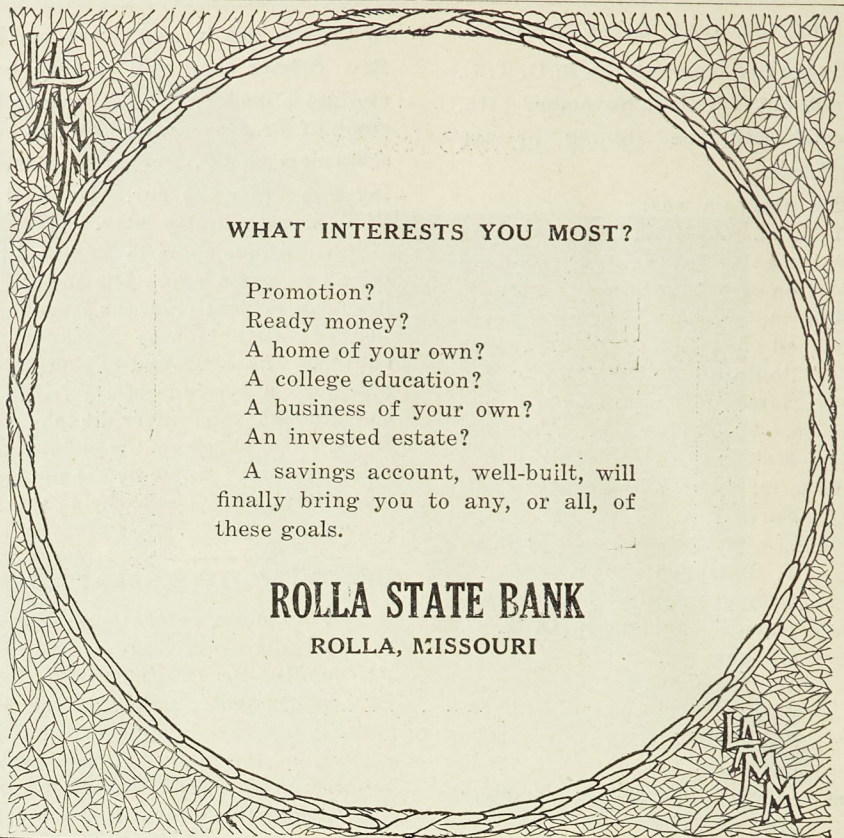

C. L. "Schuntz" Miller, '21, is back in Rolla working on his thesis.

## ANOTHER JUNIOR MEETING

On Wednesday evening another important Junior Class meeting will be held in Norwood Hall. Be there, Juniors. We are getting a good start but we need the cooperation of every body.

## M. S. M. ALUMNI AT THE CHICAGO GAME.

Frank Caplan, M. L. Signer, R. A. Lindgren, Jimmy Gregg, Reginald Dean, Johnnie Kitchen, Charles Kitchen, Fred Schaeffer, George Gabler, Wm. Keeling.
