THE MISSOURI MINER

MISSOURI SCHOOL OF MINES AND METALLURGY, ROLLA, MISSOURI.

VOLUME 19

TUESDAY, SEPTEMBER 27, 1932

NUMBER 2

R.O.T.C. UNIT IS ORGANIZED

Officers Placed

Four Companies Comprise M. S. M. Battalion; Sophomores Constitute First Platoon of Each Company

The War Department of the School of Mines organized the battalion for the first assembly of the year last Wednesday. Several changes have been made in the way in which the organization is effected. This year, the sophomores constitute the first platoon. Instead of making assignments to companies by height, the basic course men are assigned according to what section they are in.

There are about twenty-five men taking second year advanced work and approximately the same number of juniors are enrolled in the first year advanced course. At the assembly last Wednesday appointments were assigned temporarily. Lt. Hardin stated that these were not permanent and some changes would probably be made within a few weeks when the permanent assignments are published.

Max McCrory is major at the present time and Richmond is adjutant. The company commanders of A, B, C, and D companies are Burkhalter, Rodd, Lambur, and Pinkley. Due to the decreased enrollment in the freshman class it was thought that it would be possible to have only three companies, but so far there are enough men for four and so the battalion will be almost as large as it was last year. Four companies not only make a better appearance but they also provide a command for more of the advanced corps men.

Last spring the Department here received a rating of excellent from the War Department and it is the desire of the officers in charge that we continue to hold that rating. Drills will be held every Wednesday until cold weather prevents and by that time the battalion should have reached a fair degree of perfection.

The officers and non-commissioned officers and their company assignments are as follows:

Cadet Major, Max G. McCrory; Captain Adjutant, Ralph W. Richmond.

Company A—Captain, Burkhalter; Lieutenants, Jurvic, McKinley, Bratton, Sieberling; 1st Sgt., Hale, D. P.; Plat. Sgt. 1st Plat., Oswald, 2nd Plat., Walther; Sgt. 1st Plat., Richardson, La Follette; Sgt. 2nd Plat., Buck, Sheckler.

Company B—Captain, Rodd; Lieutenants, Borchers, Gaddis, Krattley, Asher; 1st Sgt., Fort, E.W.; Plat. Sgt. 1st Plat., Wells, 2nd Plat., Decker; Sgt. 1st Plat., Schamel, Weigel; Sgt. 2nd Plat., Ford.

Company C—Captain, Lambur; Lieutenants, Rosenbaum, Royer,

(See R. O. T. C. Page 5)

New Policy Adopted for Miner Absences

A new policy concerning absence records will be in force this fall. The responsibility for a student's record will be placed on the student, and no notices of absences will be sent out from the office during the semester. The three-day rule on remissions announced last year by the Student Advisor and the Student Health Director will be in effect this year also, and no remissions will be granted or accepted later than three days after a student returns to classes.

The new rules are printed in the latest edition of the Book of Rules, and any student not familiar with them should call at the office for a copy.—H. H. Armsby, student advisor.

30 ATTEND M. E. MEET

Effect Organization

Mechanical Engineers Hold First A. S. M. E. Gathering of Year

The Nut and Bolt Engineers held their first meeting of the year last Tuesday. A rather unusual attendance was recorded. Never before was seen such an array of blacksmiths, draftsmen, power plant experts, handbook engineers, and the inevitable handshakers. (There were thirty men present).

Treasurer Harry Decker surprised the old members with the statement that the A. S. M. E. chapter here actually has money in the bank. Continuing the business portion of the meeting, the election of a new vice-chairman was paramount. Al Jones was elected to take the office, vacated by Joe Cartledge, who is not in school this semester.

Besides the two above mentioned officers, there are M. G. Handly as chairman and R. H. Latham as secretary. These men have planned a series of meetings which will bring lectures and discussions of interest not only to M. E.'s, but to everyone in school.

The A. S. M. E. chapter of M. S. M. is one of the numerous student chapters of the huge national organization. Membership in the local chapter not only brings about association with fellow students, but also paves the way for future affiliation with the parent organization, which cannot be overestimated. The speakers at the regular meetings here are, for the most part, real engineers, and present lectures both instructive and interesting. Talks prepared by student engineers provide opportunities for useful discussion.

Miners Drop Initial Grid Clash to Pittsburg Teachers Here 13-0

Varied Attack Presented by Kansas Team

Capt. McDonald and Towse Lead M. S. M. Offensive; Kirchoff, Gibson, Hardaway, and Oswald Star in Defensive Roles; To Meet University of Arkansas Saturday, Oct. 1

The Pittsburg Teachers placed a heavy veteran eleven on Jackling Field, Saturday, and battered their way to a 13 to 0 victory over the light and somewhat inexperienced Miner team. The Teachers presented a varied attack, hitting the line and running the ends for gains, as well as completing several passes. The Miners had little success in running the ends, but gained occasionally through the line, and completed three passes for a total gain of sixty-two yards.

The Miner offense was led by Capt. McDonald and R. Towse. McDonald gained often on an off tackle smash, breaking loose once for a gain of fifteen yards. Towse, although hampered somewhat by a bad ankle, hit the line for several gains and did some good work at throwing passes. His return of punts and kickoffs was exceedingly good.

The line played fairly good football. Kirchoff, veteran end, played his usual brilliant game. Spotti did good work at the other wing position. Oswald and Gibson broke through time after time to smear the opposition for losses. Probably the most outstanding line play was that of Hardaway, the light-weight guard. He was in almost every play, regardless of which side of the line the play was on. It seemed impossible to get him off his feet, and his shoe-string tackles ended many Pittsburg plays with no gain. He is light in weight, but has plenty of fight and knows how to play that guard. He deserves much credit.

Pittsburg's outstanding ground gainers were Kahler, who scored both touchdowns, Marconi, and Myers. The Teachers first touchdown came in the early part of the second quarter, after a series of line smashes and passes had advanced the ball to the Miners four yard line. Kahler went over for the score on a line play, and Marconi kicked goal. From then on the game was on somewhat even terms until the middle of the fourth quarter, at which point a thirty-five yard pass from Kahler to Grossman placed the ball on the Miners 3-yard line. Kahler then gained a yard and a half in two attempts, and on the third try went over for the second touchdown. This completed the scoring for the day, as Marconi failed to kick goal.

The Miner eleven showed plenty of the traditional pep and fight, as all Miner teams do. This is an exceedingly light team this year, averaging about 165 lbs. The Teachers team averaged about 180 lbs. Coach Grant is able to put almost a complete veteran eleven on the field, but these men cannot play the entire game; when called upon to make substitutions, he is forced to

J. P. "Ike" Fraizer Dies in Arizona

J. P. "Ike" Fraizer, manager of Texas Oil Company plant at Miami, Ariz., was burned to death in a fire at the plant Sept. 16. Fraizer and another man were trapped in a sheet metal shed where a gasoline tank can, which was being unloaded, caught fire from sparks from an electric pump. Firemen were unable to control the blaze and the bodies were not recovered until the fire had burned out.

Fraizer was born in Illinois, but his family moved to Rolla where his father operated the Fraizer wagon shop. He was graduated from the School of Mines with the degrees of B. S. in M. E. in 1900, B. S. in C. E. in 1901 and C. E. in 1903.

Most of his later years have been

THRU THE TRANSIT

By AXE

Have you a little nugget in your home? It is rumored that emissaries from the holy land are already on the way to install a chapter in the hamlet. Pledging rites were reduced to the utmost simplicity this semester. A cash register was set up at Frisco station and at the given signal, the High Exalted Snark rang the no sale key. The first four to reach the cash box were immediately pounced upon and the official dollar sign pinned to the coats of the chosen. And I'm telling you, you should see our house! Music is furnished at all times. A very simple principal is involved. The piano is secured to the ceiling upside-down, enabling anyone to play with great gusto as he talks.

Hey! hey! how am I doing? Did we go to the beauty contest or no? Squint wandered in, still in a whirl from his exciting and death defying ride on the wagon last weekend and thought he was on the buying floor of the stock show. Haines and Hibbets, the dirty stay-outs, were found occupying the first row which by rights belonged to the press. This was bad enough, but when cries of 'take it off' were heard coming from their general direction, we know now where they spend their time during those week ends in St. Louis. Pat Lowney is recovering from a very much trampled upon chin, but we offer no sympathy on account he should keep it off of the stage during any such production as the Thundering Herd.

We are advocating a movement during this dearth of freshmen, to have all the fraternities combine the one or two remaining members of the respective houses into one fair-sized outfit to be known as the 'Dependents.' The Satyrs have generously offered their house for the new organization while the Bonanza Club has agreed to furnish the groceries. Of course there will be some dissention among the ranks

as to the office of chancellor of the Exchequer. We feel that we would be best qualified for this position in as much as we have been writing it on the cuff since the Republican party snuck over its first fast one at the polls way back when. The National Bank will handle the funds and give Eagle Stamps with each check written over ten cents.

At the mass meeting Friday, Dutch Tittle and Squint were at loss during the cheering for the respective classes since neither of these grand old landmarks could remember their class numbers, much less the yells. We pause to remark that the sign language was probably in use about that time. (The Indian Sign).

Maybe our geneology is a bit rusty but we fail to see how Soapy Settles can be Weigle's cousin just because he clutters up the Powell homestead. If you ask us it looks like a dead cat on the line. But in all fairness to Soap we might say that he comes from one of the finest families in Virginia. The old Virginia Hams.

Hesse and Stedelin have founded a Hunt Club this semester, with Hesse as head trainer of the nags and K. J. master of the hounds. To date the kennel consists of one Hinds terrier, one of the 57 variety type, and an Ozark Supply sweepstakes thoroughbred.

This column will sponsor a Kampus King contest in the near future. This will be run on the hit and miss system according to the relative merits of the candidates. All nominations will be received by this column and the polling tabulated each week. A grand prize of a brass plated gobboon will be awarded the winner at an impressive ceremony open to the public. Music by Gilmores' Mary Makers.

Tennis Tourney Is Making Progress

The first fall tournament of the M. S. M. Tennis Club is off to a successful start with all but one first round match and one second round match already played. Bill Lenz, winner of last year's spring tournament and first man on last year's Varsity team is the ruling favorite to capture first honors. However, he may be given considerable trouble by either of the other two veterans

of last year's team, Schuhmann and Mertz. Schuhmann is seeded second and Mertz third, although it is a toss-up which of the two will gain the final round, in the event that both come through successfully to the semi-finals. The other seeded players in the order of their seeding are: Lt. Hardin, MacConnell, Seiberling, Lt. Itschner, and Gasten.

Results of first round matches follow: Stewart defeated Proskine, 6-2, 9-7; Gasten defeated Kehr, 6-2, 6-2; McClure defeated Morgan, 3-6, 6-3, 6-2; Hoevel defeated Burnham, 6-4, 6-2; Rodgers defeated McDonald, 6-1, 6-0; Carpenter defeated Dresser, 6-2, 6-1; Molloney defeated Lt. Itschner, 6-4, 6-1; Steen defeated S. Levy, 6-2, 6-1; Haddock won from Danforth by default; Seiberling defeated Sievers, 7-5, 6-1; Prof. Rankin defeated Allen, 2-6, 6-2, 6-3.

Second round match: Mertz defeated Haddock, 6-0, 6-2.

All second round matches must be completed by Saturday, Oct. 1.

Football Ticket Sale Slow

The response on the sale of tickets for telephonic accounts of the out-of-town football games has not been good so far. This is being sponsored by Tau Beta Pi, national honorary fraternity. Season tickets for the four out-of-town games are being sold for \$1.00 each. Single admission is to be thirty-five cents for each game. The committee must know

how many tickets can be sold by tomorrow in order that the contracts with the telephone company may be signed. This is a notable undertaking and worthy of your support. Buy your tickets now from any Tau Beta or from the local drug stores.

Miners Play U. of Arkansas Saturday

In their second game of the season and their first game away from home the Miners will journey down to Fayetteville to try and take the measure of the strong Razorback team from the University of Arkansas. This is the first time in several years that the two schools have met on the gridiron and to win this game would place the Miners among the foremost teams in the state.

Arkansas is coached by Fred Thomsen, Line Coach Chuck Bassett, and Assistant Coaches Glen Eose and Wear Schoonover. The latter was an all-american end at Arkansas several years ago.

The Razorbacks have about a dozen lettermen returning to play this fall. Among the most outstanding are: Captain Erwin, tackle; Edmondson, guard; Biddle, fullback; and Nations, end. The Arkansas line this year averages 188 pounds and the backfield averages about 166. In the opening game against Hendrix, Sept. 14, the starting lineup averaged 180 pounds. Of this starting lineup, six of the men were veterans of the previous year and five were sophomores from the freshman team of the past season.

FAYETTEVILLE, Ark., Sept. 22 — (Special) — Two complete Razorback elevens will be given a chance to show their stuff in the season's opening game against Hendrix College here Saturday, according to Coach Fred Thomsen.

The starting lineup might be called a "veteran" team, since six of the players have had varsity experience and five are sophomores. A second lineup consisting of nine sophomores and two letter men will see action later in the game.

The starting lineup includes Nations and Lake or Greer at the ends; Captain Erwin and Edmondson at tackle; Black and Martin, guards; Eidson at center; Murphy, quarterback; Phillips and Click Jordan, halfbacks; and Joe Biddle, fullback.

The all-sophomore lineup has Rucker and Chambers at end; Benton and Stout at tackle; Conner or Carter and Wilson at guard; Sherland at center; LaForge or Harris at quarterback; Jud Jordan and Chinn at halfback; and Rees at fullback. Quarterback Geiser and Fullback Long will get a chance to play if they have recovered from minor injuries suffered in practice this week.

Murphy and Jordan will do the punting for the Razorbacks. Murphy, Phillips and Jordan will do the forward passing.

"If we can get by the first few games," said Thomsen, "we may develop some co-ordination, in which case this sophomore outfit will be hard to beat."

—MSM—

Third St. Pat Dance Is a Big Success

The third dance of the year was given by the St. Pats Board last Saturday evening following the game with Pittsburg. This dance far surpassed any that have been given this year. Quite a crowd turned out and a fine time was had by all. The dances in the future can be just as successful as this one if the student body will only support the Board. Plan to attend the gym dances and make them a big success.

Music for the dance last week was ably furnished by Bill Gilmore and his Varsity Orchestra.

Don't forget that there will be a

big Hallowe'en Dance during October and that some well-known out-of-town orchestra will play. Let's make it a little St. Pats. Support your St. Pats Board.

—MSM—

First Round Ends in Tennis Tourney

The first tennis tourney of this school year is now at the end of the first round. Starting at the first

of last week with 30 men the field has now been cut in half. Second and third round matches are to be played and reported on or before Sunday, Oct. 2. The tourney will be concluded in the week of Oct. 2-9.

The primary purpose of this tournament is to uncover new tennis material and keep the game before the student body. A tournament similar to this will probably be held in the spring to determine varsity tennis men.

Mr. and Mrs. Clemmons Here

Mr. and Mrs. B. H. "Babe" Clemmons of New York City are visiting relatives and friends in Rolla. Mrs. Clemmons was formerly Miss Madge Lennox of this city. Babe and Madge were married at the close of school last year. They plan a trip to Tulsa this week, but will return to Rolla for a few days before driving back to New York.

FOOTBALL

Continued from Page 1

put in inexperienced players. These boys have plenty of fight and try hard, but they must become accustomed to playing with one another before they can develop into a smooth hard playing team. What they need is confidence in themselves, and we can give this to them by backing them to the utmost.

Just because we lose a first game is no reason to pick flaws in the team. Give them credit for the good plays they made, and say nothing about the bad ones. Back the team, show lots of pep, and give all the members of this football squad a slap on the back. You owe it to them, and it will do them an unestimatable amount of good. This backing of the team applies to the faculty members as well as the student body.

There is no reason why this squad, with a few weeks of drill and the proper support, cannot develop into a team which will give creditable account of itself on any football field.

Next Saturday the team plays Arkansas University at Fayetteville. Let's give the boys a big send off, and they will give the best they have, and then some, to Arkansas University.

Following is a play by play account of the game:

Kirchoff kicked off to Kahler on the Pittsburg 18-yard line. Kahler made 2 yards through right tackle. Kennedy punted to the Miner 10-yard line. McDonald made two yards at center. In punt formation Kirchoff fumbled, but recovered for a quick punt. The ball went out of bounds on the Miner 36-yard line.

Kahler failed to gain on two attempts at the line. The Miners broke through and smeared Kahler with a 15 yard loss when he tried to pass. Kennedy punted over the Miner goal line. Taking the ball on their own 20-yard line, Williams made 9 yards. Kirchoff punted to the Pittsburg 43-yard line. On a quick punt, Kennedy booted the ball on the first play to the Miner 31-yard marker. McDonald lost two yards at end.

Kirchoff punted to Kennedy on Pittsburg's 37 yard line. Pittsburg fumbled, but recovered for a yard loss. Kennedy punted to the Miner 30-yard line. Pittsburg fumbled, but recovered for a yard loss. Kennedy punted to the Miner 30-yard line. Towse failed to gain. Kirchoff punted to the Pittsburg 32-yard line. Kahler made 5 yards through center. When Murphy, Pittsburg guard, used his hands, Pittsburg drew a 15 yard penalty, placing the ball on the Pittsburg 25-yard line. Kennedy punted to the Miner 35-yard line.

Kirchoff punted out of bounds on the first play on the Pittsburg 36-yard line. Kennedy punted to the Miner 30-yard line. McDonald failed to gain. Kirchoff punted to the Pittsburg 36-yard line. Five new Miners were sent into the lineup.

Marconi made 3 yards through center. Kennedy punted to the Miner 49-yard line. The Miners made two yards through the line. Towse's quick punt directly behind the line of scrimmage was partially blocked, Pittsburg downing the ball on her own 46-yard line.

Pittsburg Drives Down Field

Kahler made 5 yards. Kahler made a first down on the Miner 40-yard line. Kahler passed to Timms for a first down on the Miner 26-yard line. Kahler made 3 yards through the line. Marconi failed to gain. A long pass, Kahler to Timms was knocked down by McDonald. Kahler passed to Timms on the next play for a first down on the

Miner 5-yard line as the quarter ended.

On the first play of the second quarter, Pittsburg fumbled, but recovered for a 5-yard loss. The Miners were penalized 5-yards for being off-side. Kennedy was hurt on the play and was removed from the game with a leg injury. He was replaced by Ewing. Kahler plunged through the line for the remaining 4-yards for a touch down. The extra point was converted by Marconi.

Kirchoff kicked off to Kahler, who returned the ball to the Pittsburg 42-yard line. Ewing lost 5 yards, but both teams were ruled off-side and the ball was put in play on the Pittsburg 42-yard line. Ewing lost 2 yards when he was tackled from behind by Oswald and Hassler. Myers punted, but the Miners were off-side. Pittsburg took the penalty which gave them a first down on the Miner 49-yard line.

Pittsburg's pass, Kahler to Timms was knocked down. Kahler made 2 yards Pittsburg drew a 15-yard penalty. Myers punted to the Miner 28-yard line. Towse made 3 yards. The Miners drew a 15-yard penalty for roughing and the ball was put in play on their 14-yard line. Kirchoff punted to the Miner 40-yard line.

Russell Drops Scoring Pass

Kahler passed to Timms on the Miner 24-yard line. Kahler failed to gain, Oswald making the tackle. Kahler made a first down on the Miner 12-yard line from a fake pass formation. Marconi made one yard. Kahler added 3 more. Kahler's pass to Russell was incomplete when he dropped the ball after watching it slip through his fingers. He was standing behind the goal line with no one near him.

Kirchoff punted to the Miner 49-yard line. Ewing made on yard. Ewing's pass was incomplete. Myers punted to the Miner 14-yard line. Towse gained a yard. Kirchoff punted to the Pittsburg 40-yard line. Ewing made 2 yards, but lost a yard on the next play when he was tackled by Hardaway. Levy went in for Hardaway. The Miners were penalized 5 yards. Myers punted to the Miner 26-yard line. McDonald lost 2 yards on an end run. Towse gained it back on the next play.

Kirchoff kicked to Pittsburg's 40-yard line. The ball was returned by Dehan to the Miner 38-yard line. The Miners were penalized 5 yards. Kahler made 2 yards. Mack made a first down on the Miner 25-yard line, Gibson making the tackle after he had eluded three Miner tacklers. Kahler was nailed from behind by Oswald for a yard loss. Kahler made 14 yards through the line, placing the ball on the Miner 10-yard line.

Dehan made 2 yards, but failed to gain on a second attempt. Kahler lost 4 yards when he was tackled from behind by Gibson. Mack passed to Kahler, but Pittsburg lost the ball on downs. Two plays were run by the Miners before the half ended.

Third Quarter

Marconi kicked off to McDonald who ran the ball back to the Miner 37-yard line. Towse lost 2 yards. Towse passed to Kirchoff for a first down on the Pittsburg 47-yard line. A pass was incomplete from Towse to Spotti. Towse made 5 yards. Towse lost 10 yards on an attempted pass. The Miners lost the ball on downs on their own 49-yard line.

Pittsburg was penalized 15 yards for holding. Hardaway stopped Kahler after he had made 11 yards. Kahler passed to Mack for a first down. Dehan failed to gain. Dehan lost 8 yards. Kahler's pass was incomplete. Myers punted to the Miner 20-yard line, where Towse fumbled and Pittsburg recovered the

ball. Pittsburg fumbled on the first play and Hassler recovered the ball for the Miners. Myers intercepted McDonald's pass and ran to the Miner 12-yard line. Oswald stopped Kahler for no gain.

Kahler's pass was incomplete. Gibson threw Kahler for a 9 yard loss. Williams broke up Kahler's pass and the Miners took the ball on downs. McDonald made 5 yards through right tackle. Towse lost 2 yards. Kirchoff got off a short punt to the Miner 35-yard line. Oswald stopped Kahler for no gain. Kahler's pass was incomplete. Gibson threw Kahler for a 9 yard loss. Pittsburg was penalized 15 yards for holding and the ball was put in play on the Pittsburg 41-yard line. Myers punted to the Miner 38-yard line.

Towse's pass was incomplete. McDonald made one yard. Kirchoff punted to the Pittsburg 28-yard line. Myers made 9 yards. Marconi made it a first down on the Pittsburg 38-yard line. Womack stopped Pittsburg for no gain as the third quarter ended.

Dehan made 5 yards on a run around left end. Levy stopped Myers after he had made a first down on the Miner 43-yard line. A Kahler pass was incomplete. Pittsburg made a first down when the Miners interfered with the receiver of a pass. Kahler lost 4 yards on an end run. Myers made 9 yards through the line. Kahler added 3 more. Kahler failed by inches to make it a first down and the Miners took the ball on downs on their own 23-yard line.

McDonald lost 3 yards. Neel lost 2 more. Magyar punted about 20 yards to the Miner 35-yard line.

Kahler passed on the first play to Grossman who was downed on the Miner 3-yard line. Kahler made a yard and a half. Kahler failed to gain. On the third play Kahler crashed through the line for his second touchdown of the game. Marconi's kick for extra point was low.

Marconi kicked off to Towse, who ran the ball back to the Miner 34-yard line. McDonald failed to gain. Towse carried the ball out of bounds on the 35-yard line. Towse passed to Kirchoff for a first down on the Miner 45-yard line. Towse made eight yards through center. A Miner pass was intercepted by Pittsburg on the Pittsburg 48-yard line.

McCoy failed to gain. Dehan failed to gain. McCoy punted over the Miner goal line. Taking the ball on his own 20-yard line, Towse passed to Kirchoff, who broke away to the Miner 45-yard line. The pass was allowed when a Pittsburg man interfered with Kirchoff as he attempted to catch the heave from Towse. A pass, Towse to Spotti, was incomplete.

McCoy intercepted a pass from Towse intended for Kirchoff on the Pittsburg 46-yard line. McCoy fumbled and the Miners recovered the ball on the Pittsburg 41-yard line. McDonald made first down on the Pittsburg 29-yard line. Towse made one yard. McDonald added two more. The Miners lost the ball on downs with two incomplete passes.

Pittsburg took the ball on her own 30-yard line. McCoy made one yard. McCoy added another yard. McCoy punted to McDonald who was stopped on the Miner 35-yard line. McDonald lost a yard. Towse made 7 yards. Two more line plays failed and Pittsburg took the ball on downs. E. Spotti stopped McCoy after he had made two yards as the game ended.

UNASHAMED

"Unashamed" is the story of a girl who is pitted against her own brother in a remarkable court room drama. Helen Twelvetees plays the role of the heroine whose indiscretions force her to face the choice of sacrificing her honor or dooming her brother to the hands of execution. She is supported by Lewis Stone, Robert Young and Monroe Owensley.

SKSCRAPER SOULS

An excellent production with some very fine acting on the part of Warren Williams. Williams plays the part of the builder of the skyscraper. He gains ownership of the building through a stock manipulation at the expense of his friends. He is finally shot by his secretary who in turn jumps from the top story of the skyscraper. The tragedy however, is brightened by the love interest furnished by Norman Foster and Maureen O'Sullivan.

WASHINGTON MASQUERADE

This is a timely picture. Right in the midst of the presidential campaigns comes this sensational political picture. It shows the inside workings of Congress and the glittering social whirlpool of Washington social life. Lionel Barrymore plays the lead and that's enough said. Karen Morley also makes an excellent lobbyist and shows you why Congressmen work so hard to be elected. Barrymore and Morley are supported by an excellent cast.

MADAME RACKETEER

Here is something new in the racket. It's good comedy from start to finish. Allison Ekipworth as the Countess and Richard Bennett as her husband give an excellent performance. They are a grand pair of troopers and are supported by George Raft and Evalyn Knapp, who furnish the love interest. You will like this show.

CHANDU THE MAGICIAN

Magic, mirth and mystery are the

HOTEL

EDWIN LONG

AND

COFFEE SHOP

keyholes of this production. It makes liberal use of camera tricks and with plenty of comedy is a very entertaining performance. The personality of Edmund Lowe is given full rein in the title role. He has much trouble with a very heavy villain. We must not tell you too much because it's a mystery. This show will appeal to the Miners.

Orton Society Holds Its First Meeting

The first meeting of the Orton Society was held Wednesday, Sept. 21 at 7:30 p. m., in the Bureau of Mines Building.

Officers were elected for the coming year. R. E. Green was elected president; A. M. Beinlich, vice-president; and Kenneth Sheckler, secretary and treasurer. The new officers will have charge of the next meeting.

Plans for the year were discussed. Tentative plans for an Orton Memorial Day were drawn up. This Memorial Day is to be Oct. 8, the birthday of Gen. Edward Orton the founder of Ceramic education.

The Society is planning to hold meetings every two weeks throughout the coming year. A program will consist of lectures by prominent men of the Ceramic industry and papers by students.

An extensive research program is being planned but its exact nature has not yet been determined.

First Mass Meeting Held Friday Night

The first mass meeting of the year was held in Parker Hall auditorium last Friday morning at 11 a. m. The sole purpose of this gathering was to generate a little enthusiasm for the Pittsburg Teachers-Miners' game.

After each class, including the Frosh who made an attempt, had

given its class yell, a freshman, K. Hanson, led some of the M. S. M. yells. Coach Grant gave a short talk regarding the student body's rendering support to the team whether it be winning or losing. He was followed in a short talk by Jim McDonald, J. D. Martin then explained the Tau Beta Pi's plan to bring out of the city games to Rolla over leased wires.

The meeting was closed with the Class of '36 retiring to the football field for rock duty.

Hendrix-Arkansas U. Play Scoreless Tie

Hendrix College held Arkansas University to a scoreless tie Saturday. This was somewhat of an upset as the heavy Arkansas team was slated for an easy victory of the Hendrix eleven.

Arkansas University is the next opponent of the Miner eleven, when it journeys to Fayetteville next Saturday.

"You like that old pipe, don't you!"

"YES, I LIKE to smoke Granger. I have tried all kinds of tobacco; but, frankly, I have never found any other that is as good as Granger.

"I think I know something about tobacco, and I should say that Granger is the one tobacco that is made just right for pipes."

FRAIZER

(Continued from Page 1)

spent in Arizona where he has been active in mining and politics.

Fraizer was 57 years old, born Dec. 2, 1874, on a farm between Marshall and Martinsville, Ill. His father was a carriage and wagon maker, operating a small factory and placing the "Fraizer wagon," known in southern and central Illinois, on the market up until 1903. Young Fraizer served an apprenticeship in the factory as carpenter, wheelwright, blacksmith and painter.

He was graduated with the degree of bachelor of science in mining engineering, from the School of Mines of the University of Missouri in 1900, and later received a degree of bachelor of science in civil engineering.

His professional career was started as a rodman with a maintenance engineering crew of the old "Frisco Line," with headquarters in Pierce City, Mo. At that time the railroad had only about 1,500 miles of track. Later Fraizer served with a locating party, for the Choctaw, Oklahoma and Gulf Railroad, a Frisco subsidiary.

In 1903 his active work in mining started in Butte, Mont., where he was a mucker, tramman, timberman and diamond drill assistant with the old Speculator Mining Co. Later he was chemist and assayer

for the Anaconda Copper Company at its Washoe smelter at Anaconda.

Shortly he was promoted to be engineer in charge of the smelter and mines of the Balakala Mining Company, in Shasta County, Calif. In 1907, he became an engineer of the Montgomery Shoshone Mining Company, of Rhyolite, Nev., and the Tonopah Extension Mining Company at Tonopah.

He moved to Arizona in 1910, and operated the Nogales Engineering Company, in Nogales, for several years. He was city and county attorney in Nogales and Santa Cruz County at various times, and became senior member of the firm of Fraizer Brothers, commission agent of the Texas Company in Nogales, and later here.

He is survived by the widow, four children, and two grandchildren, the latter the children of Margaret Fraizer Hersey of Morenci, daughter by his first marriage. The children of his second marriage, to the former Miss Daisy E. Slater, are Faith, Morris Dean, and Bruce Norman. Mrs. Fraizer, before her marriage, was superintendent of art

and music in the Nogales High School.

Both the national and the state flags at the state capitol yesterday were lowered to half mast in honor of Mr. Fraizer, former secretary of state, who was believed burned to death in Miami yesterday morning. The flags will remain at half mast until after the funeral, it was ordered by Governor Hunt.

Sincere regret over the untimely passing of Mr. Fraizer, was expressed by all state officials who knew him. During the two years that he occupied the secretary of state's office, he made many warm friends among the officials and their attaches.

Governor Orders Flag at Capitol Lowered to Half Mast

J. P. Fraizer, just plain "Ike" to his many friends, was one of Arizona's most popular state officials, when he was serving as secretary of state under the administration of Gov. John C. Phillips.

High tribute was paid to him this afternoon as word of his probable death passed along the street and through the halls of the State-house.

Gov. Geo. W. P. Hunt expressed deep regret, and ordered the state flag lowered to half mast.

"It's the worst news I have ever heard," Ex-Governor Phillips said. "I am too shocked to say anything. Ike was like a brother to me."

"He was a great man," M. E. Cassidy, former assistant secretary of state, said. Mr. Cassidy was assistant to Mr. Fraizer.

The tribute to the former official was as high from all persons regardless of party.—Phoenix Gazette.

Fred Rifat, '30, Dies
in Peru, S. A.

Word has been received here of the death of Fred Rifat, '30, at Oroyo, Peru, S. A., Aug. 13, 1932. Death was due to Septicaemia following tonsillitis. He was buried in the American Cemetery there with full Masonic rites.

"Turk" Rifat, as he was commonly called, came here in the fall of 1927 from Antioch College. He had formerly attended Miami University. He was graduated in mining at the end of the summer session in 1930 after doing summer work at the Colorado School of Mines for two summers..

Upon leaving school Rifat went with the Inca Mining Development Company of which C. L. Woods '07 is president. He later went with the Cerro De Pasco Copper Corporation. He was employed by the Cerro De Pasco Corporation at the time of his death.

Word had been received by Alexander Gow of the Bureau of Mines that Rifat had secured employment with the Bureau of Mines at Constantinople, Turkey. Rifat intended to stop here on his way back to Turkey to take this new position. Mr. Gow wrote to him but received word of Rifat's death.

Rifat was graduated from the Trebizond High School in Turkey. He was sent to this country by the Turkish Government for his higher education.

"BILL" NEIL CHARLES SMITH

*"Nature in the Raw
is seldom MILD"*

**ATTILA—"THE
SCOURGE OF GOD"**

"Nature in the Raw"—as portrayed by the great painter, Harvey Dunn ... inspired by the barbaric cruelty of Asia's most dreaded plunderer... "the grass could not grow where his horse had passed" ... 433-453 A. D.

—and raw tobaccos have no place in cigarettes

Copr., 1932,
The American
Tobacco Co.

They are *not* present in Luckies
... the *mildest* cigarette
you ever smoked

WE buy the finest, the very finest tobaccos in all the world—but that does not explain why folks everywhere regard Lucky Strike as the mildest cigarette. The fact is, we never overlook the truth that "Nature in the Raw is Seldom Mild"—so

these fine tobaccos, after proper aging and mellowing, are then given the benefit of that Lucky Strike purifying process, described by the words—"It's toasted". That's why folks in every city, town and hamlet say that Luckies are such mild cigarettes.

"It's toasted"
That package of mild Luckies

"If a man write a better book, preach a better sermon, or make a better mouse-trap than his neighbor, tho he build his house in the woods, the world will make a beaten path to his door."—RALPH WALDO EMERSON.
Does not this explain the world-wide acceptance and approval of Lucky Strike?
