# THE MISSOURI MINER

Missouri School of  Mines & Metallurgy

VOLUME 28

ROLLA, MO. WEDNESDAY, NOVEMBER 5, 1941

NUMBER 15

## Parents-Engineers Day Huge Success

The Missouri School of Mines just completed one of the most successful Parents'-Engineers' day of its existence. Not only was there a large attendance, but everything went off in good order.

Perfect weather prevailed during the week-end, enabling everyone to see the campus, the exhibits, and the game under ideal circumstances. A total of 402 parents and guests registered. It was estimated that an additional 100 to 200 guests did not register. Most of these guests spent the morning viewing the exhibits of the various departments.

The Miner-Springfield football game furnished another thrilling event in the day's program. In a very exciting and hard-fought game, the Miners won from farored Springfield 3-0. This was not only an upset, but it was achieved by the margin of one field goal, the first one kicked by the Miners since 1914. This spectacle was seen by about 2000 people. Five-hundred of these were from Springfield.

The banquet at the Pennant was attended by 233 guests and about 70 students. Speeches were given by George Bradshaw, Dean Wilson, Cowgill Blair, and Mr. Cross, head of the Society for the Advancement of the Missouri School of Mines.

Parents'-Engineers' Day succeeded beyond all expectations. If such a program could be made an annual event, it would do a great deal toward advancement of MSM and towards a closer understanding between parents, faculty, and students.

## Parent's Banquet Attended By 300

Over 300 parents, students and faculty members attended the annual Parent's Day banquet Saturday evening at the Pennant hotel.

The program for the evening began with the innovation, which was given by Rev. O. V. Jackson. Group singing was then conducted by Rev. H. P. Hunter.

George Bradshaw then gave the official welcome to the parents. H. J. Cross of St. Louis who is President of the Association for the Advancement of Missouri School of Mines gave a short talk on the word of this organization.

The principle address was given by Cowgill Blair of Joplin who is a member of the Board of Curators. In his address, Mr. Blair

## General Grant Discusses Peace

General Grant, in his speech to the Society of American Military Engineers gave a first hand account of the Armistice of 1918. According to him, the Treaty of Versailles was a failure because there were so many small details that could not be enforced without continuing the war. Also the different views on types of peace confused the treaty. President Wilson had progressive peace aims, while Lloyd George thought the balance of power should be preserved. These things, and the laxity of enforcement, made the treaty unsuitable, General Grant said.

The League of Nations failed, not only because America refused to join, but because each country had an equal vote whether they were concerned with the issue or not.

General Grant's speech contained several excellent quotations. These illustrated his talk, and made his points graphic.

General Grant is an extremely busy man, and the S.A.M.E. was fortunate to have him as a speaker. He arrived in a command car at five minutes after eleven, and spoke immediately. He had lunch with officers attached to the R.O. I.C., and returned to Fort Leonard Wood where he is Commanding Officer of the Engineer Replacement Training Center.

## "M" Club Will Wire Scores At Quarter

The "M" Club has announced that it will again sponsor the wire report after each quarter of the next Miner game played away from home. This will be the Cape Girardeau tilt on November 7th. The club is asking for the cooperation of the students in the affair, and would like for everyone to donate to the collection when the customary "milk bottle collection" is made.

The last time the "M" Club took charge of the affair they were disappointed at the school's backing of the plan. For the Warrensburg game the boys only collected six dollars from the "bottle". Anyone can understand that having the games related by direct wire costs a great deal more than this. Besides, this six dollars represented donations made by town people as well as Miners.

The plan for the next broadcast is to have bottles in all the fraternities, the three eating clubs, as well as various places downtown.

Give a nickel to the "Milk-Bottle Fund."

## Dr. C. V. Mann Will Present MSM History Tomorrow

At a meeting of the Phelps County Historical Society tomorrow night, the recently published book "The History of Missouri School of Mines and Metallurgy" will be presented to the public. The book was prepared by the Phelps County Historical Society and very much of the work was done by Dr. C. V. Mann.

The meeting, presided over by Dr. E. A. Stricker of St. James, a former student of MSM will take place in the Episcopal Parish house at 10th and Main Streets. Among those attending will be representative groups of students and faculty. It is hoped that Governor Donnell will be present. As a special guest, Dr. Ravold of the Class of 1875 will be present.

One of the features of the program will be a skit written by Mrs. Nadine Sease. The plot for this one act play comes from the first faculty record book and is titled "The Recital Performance of MSM Faculty of 1871-1872." Those participating in its presentation will be Mr. S. H. Lloyd, Mr. M. H. Cagg, Mr. J. M. Willson, Lt. Doll, and Major C. R. Jones of the MSM faculty; E. A. Rassinier, a student; Mrs. Lucy McMahon; and a cartoonist from Ft. Leonard Wood.

Mrs. C. H. Black will lead in the singing of a song of original MSM composition written especially for the school.

Some particulars of the MSM composition written especially for the school.

Some particulars of the MSM History book are that it has been in preparation for twelve years. It contains 20 chapters and 1036 pages. 15,000 miles were traveled in accumulating the information. At the close of the book, the appendix contains the names and degrees of every graduate of the school.

## Cast Starts On "Green Stockings"

Starting Monday evening, rehearsals began for the Alpha Psi Omega comedy, "Green Stockings." Practice will be continued several times a week from now until the date of production.

The part of Colonel J. N. Smith, our venerable hero, goes to Ted Bartling.

William Faraday, the well-presented father of the play, will be taken by Stanley Kamelgarn.

Admiral Grice, the typical sea-

## Miners Trim Springfield 3-0, Before Record Crowd

By Charlie Mitchell

Playing one of the greatest games in the history of MSM teams, the Miners pulled the season's biggest upset Saturday, and sank the highly publicized Springfield Bears at Jackling Field, 3-0.

Stubby Krueger made MSM tradition, when he coolly kicked a perfect field goal from his 19 yard line, with less than five minutes to play.

Krueger's demonstration came after two successive goal line thrusts had been stopped by Bear defense, one of them on the one-foot mark. These drives were both last quarter attempts, and were the only really dangerous thrusts made by the Miners. The first drive started when the Miners took over on their own 48 yard line after holding Springfield on downs.

On the first play, Jimmy Miller faded back to pass and, surrounded by a fast charging Bear line, threw the ball into space and drew a fifteen yard penalty. Then Al "Sunny South" Dick dropped back for another pass which was to rank as the second play of the day. Standing on his twenty-five yard line, Dick heaved past mid-field to "Big Nick" Mushovic, who rambled down the side line to the 14 yard marker. Fullop picked up six yards through right tackle, and the Bears drew a five yard penalty for off-sides, putting the ball on the four, and first down. Glover picked up three. Fullop packing it twice and Glover once, then failed to make the much needed one yard in three more downs.

Dizadyk, kicking for the Bears from behind his goal, was so rushed by Kromka he kicked out poorly on the fifteen. Then the Miners started goalward again. Cook passed incomplete, Jim Glover made 6 yards, and put the ball on the nine. On the next play, Glover dropped a pass from Cook in the end zone. At this point Krueger dropped back and made the memorable kick.

The Bears, led by two hard playing gridmen, namely Bumpus and Kaminsky, made two goal thrusts, also. In the third quarter, they drove from the Miner 49 to the five where the Miners set up one of their famous goal line walls and took over on downs. Starting from the 47 in the second quarter, they were again stopped twelve yards short of pay

See FOOTBALL, Page 4

## 400 Students And Band Here From Springfield Sat.

It is estimated that over 400 persons traveled the distance from Springfield to Rolla last Saturday to witness the Miner-Bear football game. About 300 of that total arrived on the special train. These 400 Springfield boosters plus about 600 parents, 800 Miners, and 200 townspeople made up the biggest part of the feeling of good sportsmanship which prevailed throughout the game. The Springfield fans were accompanied by their own band and cheerleaders.

The Springfield Band, which consists of about sixty pieces, was one of the main attractions of the afternoon. During the half the band gave an exhibition of the waltz style of marching and then made several formations. The most interesting of these formations was of the Miner pick-and-hammer emblem. The band's uniforms were of blue and white.

## More School Spirit Shown At "M" Club Dance

At the "M" Club dance, held Saturday night in the Jackling Gymnasium, there was an unusual air of good school spirit. The Varsity Orchestra started things off early in the evening by playing "A Mining Engineer" to which everyone sang the traditional words. Several times during the dance, spirited "stags" collected to count up the meager score for the benefit of the Springfield guests at the dance.

Many parents, visiting here for the Parent's Day celebration attended the dance. A few brave Springfieldians also attended the dance.

The gym was decorated with crepe paper streamers in Miner colors and in the red and white colors of Springfield. The dance began at 9:00 and ended at 1:00.

## ROLLAMO NOTICE

The pictures of Juniors and Seniors will be taken for the last time on Saturday and Sunday. Proofs should be turned in on Friday, Saturday, or Sunday.

## THE MISSOURI MINER

The MISSOURI MINER is the official publication of the Students of the Missouri School of Mines and Metallurgy. It is published every Wednesday and Saturday during the school year. Entered as second class matter April 2, 1915, at the Post Office at Rolla, Mo., under the Act of March 3, 1879.

Subscription price—\$2.00 per year. Single copy 5c.

## MUST THE LIBRARY CLOSE ITS STACKS?

It has been reported by Gil Campbell, manager of the School of Mines library, that books have been taken from the shelves that were not properly checked out, and not returned. That there are students among us who are thoughtless enough, or criminal enough to take books from the shelves and not return them, is a fact of which we, as a student body, are ashamed. This condition does exist, however, because from time to time a thorough search has failed to uncover books for which requests were made.

Our library at present is strictly on an "honor basis." That is, the stacks are open to students, and books may be inspected before they are checked out. If the present pilfering of books continues, Mr. Campbell has announced that he will have to "close the stacks." Closed stacks are common among college libraries today, but seemingly, it would be a dishonor to us to have them closed for the above reason.

We suggest that everyone be careful not to take books without checking them out, and if anyone has a book in his possession that belongs to the MSM library, it is still not too late for him to take it back.

The old victory bell ringing out last Saturday night sounded mighty good ... for the first time this year. We wonder whether the Rolla people will start complaining again.

You know fellas, it's funny what a little prosperity and a few years will do to a town. Not so long ago Harveys was a rather dimly lit joint with comfortable booths in which most of the major items of campus issues and politics were decided. Now, they even object to a Miner song and cheer after a victory. Still, the handwriting on the wall is convincing. Watch the overhead when the war is over.

The Peanut looked like old times last week-end with Charlie Ward, Lucy Stimson, and the Wormy Loveridges sittin' around steaming. Everybody enjoyed greeting them, except the Winkle family ... who promptly went home to sleep?

Probation Special Comann thought he could get away from the boys last Friday night after they'd gone to all the trouble to arrange for a date for him. Rather than go out with women, he slipped off, studied until eleven and slipped back home. Ken, the boys didn't exactly like it, and they warned you of the consequences. Maybe next time you'll take the hint.

The culprits that removed the railing from around the new Chem. Bldg. stair—well should be ashamed. Fun's fun, fellas, but that bldg. cost us a half million bucks or so. Why not bring it back?

Sammy Kurtz did a bit of cheating during the dance Saturday night when he stepped down behind the bandstand during Stretch's solo for a little swinging. That ain't the way to make an honest living. Wonder who the gal was and who was wolfing

ters are coming up fast.

The St. Pat's Board has already started knocking down on the students, with their checkroom concession. We're buying 'em all automobiles for souvenirs this year. Still isn't as bad as the Finley-Orlofsky shake-down during St. Pat's last year. Fred was charging a dime a piece for each glove.

We promised Kasten that if he'd be a good boy we'd forget all about his over-activity during the past week. But he's taking advantage of the situation and doing too much. For instance, lecturing to lil Ann about who she may and may not date; wolfing Krummel's gal, Spaulding from Stephens to spite the other lovely; scratching the names of a few gals in Columbia from the circulation list at appropriate times so he may pose as a bit of an angel; fixing up Comann with dates and things. Better tame down for a while Ray, midsemesters are coming u pfast.

The advertising manager of the Miner seems to have a warped sense of humor, when he takes advantage of his own fraternity brother the way he did last week. Come on, Bobby, the fella's ruined already in every city in the U. S.

Springfield's cheer leaders looked rather pitiful after the game, bawling on that post on the campus. Hell, gals, if the Miner team knew it meant that much to you, they'd have certainly let the Bears across their line just once, anyway. Funny how the result of the action of twenty-two men on a lime-marked field can be the cause of so many guys getting skunked-up.

We've heard of drinks being mixed in a lot of things, but the story they're telling about Larry Stewart mixin' 'em up in a casserole takes the prize. Must have been mighty fine stuff.

None of the mets have broken down yet and told us all about that senior trip to Philly. They're sticking together as a body. The only statement that we can coax out of any of them is that "it was veddy, veddy educational." But sooner or later they'll slip. We already know that Moeller and Balmat weren't exactly little tin gods. And the rest of that Hill Dahm Black-King story is going to leak before long. We'll give you the full details later.

Krueger's educated toe gets top honors this week for the win over the Bears. And to Kromka for his line work; to Fullop for some power drives; an even Kaminsky of Springfield for some of the fanciest end runs we've ever seen.

## Police Ask K. A.'s To Stop Dance After 12 p. m.

Last Friday night at the Kappa Alpha Dance, at about twelve o'clock, two Rolla policemen put in their appearance and asked that it be stopped because a neighbor had complained about the noise. Nothing was done about the officers' request, and the dance was not ended until shortly before two a. m.

The next day some of the neighbors in that vicinity got together and demanded that the problem be brought up before the City Council and an ordinance be passed that all dances be ended by mid-night. The council did not want to pass a ruling such as this, so the mayor and one of the councilmen went to see Dean Wilson. They asked the Dean to have a talk with a group of students and see if something couldn't be done that would suit both sides. He thought that this would be the best way to handle the matter and stated that he would contact the boys involved.

It is expected that only the dances held at the Parish House will be affected by an early hour of closing and that the other dances will go on as usual.

## Intramural Sports

By Charlie Mitchell

Intramurals are in full swing with the cross-country race of last Saturday still in the limelight, football going nicely, and swimming just around the corner.

Kappa Sig, Duke Blair and Pi K. A., Bob Westwater seem to have this cross-country business well in hand. Last year Westwater set the pace and finished first with Blair second. This year "The Duke" came back with fire in his eye and a determined heart and forced Bob into the second position.

The following is the order in which the teams finished in the intramural cross-country:

Kappa Sig, first, Sigma Nu, second, Pi KA and Lambda Chi for third, Triangle, fourth seniors, fifth, Theta Kappa Phi and Frosh, tied for sixth, Kappa Alpha, ALT, Juniors, Sigma Pi, and Sophomores finished last.

With these points picked up on second place Pi KA seems to be out to get the Intramural trophy which was barely taken from their grasp last year by the Miners. The Juniors are the seniors of this year and by their showing in the football playoffs they seem to have their intentions holding in to the cup. Besides taking first, Duke Blair is the honor of holding the record for the one mile course since was the first time this particular course was run. His time was 11.

The other men who finished in upper ten were Carlton, Sigma Nu, 3rd; Webers, Triangle; Dietz, Kappa Sig, 5th, Jack Vin, Seniors, 6th; Vaida, Lambda Chi, 7th; Lindberg, Frosh, 8th; Riley, KA, 9th, and Brand, Sigma Pi, 10th.

It will be noticed that KS got one of the first ten places. Out of a thirty-two men starting, twenty-four finished. This was by far the best cross-country ever run here according to intramural director Percy Gill, it seems to indicate the growing interest in intramurals. This year's list of thirty-two starters is three times that of last year's.

Springing over into the pigskin game, we find that Monday night Pi KA squad lost to the Juniors 22-20. It was the passing and running fine playing of PiKA and the fine blocking of

## Round The MIAA

By Ed Goetemann

The Miners pulled another one of their famous upsets to crumble Springfield's winning streak Saturday before a large Parent's Day crowd. Last year it was Maryville who had their 22 game winning streak dashed to pieces by the Miners. Saturday it was the high flying Springfield Bears who saw their conference winning streak crumpled by the educated toe of Harold Krueger. It was the Bear's first conference defeat since 1939 and, incidentally, the last time the Miners beat Springfield was in 1937 by a score of 25 to 0. Coaches Bullman and Gill had the Miners groomed to stop the Bear's little All-American end, Russ Kaminsky, from receiving any of Bumpus' passes and they did a good job of it. Nevertheless, Kaminsky played a great game, and stands out as the best end the Miners have played against this season. His defensive play didn't give Fullop much chance to get loose around end.

Warrensburg Beats Kirksville  
Fullback Porter Robb, who once played with the University of Missouri, punted Warrensburg into scoring position and then passed for a 6 to 0 victory over the Kirksville Bulldogs.

In the opening period, one of Robb's fine kicks shoved Kirksville deep into its own territory and the return punt gave Warrensburg possession on the 37 yard line. Charles Richardson passed to Larry Crouse for 10 yards and Crouse Bucked the line for 13 more. Robb then passed to Richardson for the only score of the game.

Maryville Wins Again

A combination of fullback Jack Padilla and magnificent coffin corner kicking by quarterback Ivan Schottel gave Maryville a 6 to 0 victory over the Cape Girardeau Indians. Catching the Bears almost before they were warmed up, the Maryville Teachers drove 48 yards without losing the ball to score in the first period of the game; then, actually outplayed except for punting breaks, had the toughest time keeping the Indians from their door. Padilla, a 147 pound flash, clicked off 76 of the 84 yards the Bears got from scrimmage.

	W	L	T
Springfield	2	1	
Maryville	2	1	
Warrensburg	1	0	2
MSM	1	1	1
Kirksville	1	2	
Cape Girardeau	0	2	1

Gollub that stood out despite the defeat. For the Juniors, Ed Fris sparkplugged the squad as usual. Fris it will be remembered is the gentleman that spilled the Seniors' EE's in a little game a week or so ago. Spinner, Miner trackster, also proved his gridiron ability in this tilt.

In the other battle the ALT's and the Frosh settled with a 13-7 victory going to ALT.

IMPORTANT!

The Intramural swimming meet will be held Nov. 12th and 13th at 8:00 p. m. All entries must be in by Nov. 10th. Any man who has not made a letter in swimming in a four year college can compete. An entrant can enter two swimming events and also swim the two relays and dive.

## Off the Campus

Theta Cappa Phi

Theta Kappa Phi had the pleasure of entertaining a large number of parents and guests who took part in making Parents-Engineers Day the success it was. Among the visitors were Mr. and Mrs. Albert J. Klorer, Mr. and Mrs. John L. Vorbeck, Mrs. J. A. Rose, Mr. and Mrs. George Weilmuenster, Mrs. W. F. Thomas, Mr. and Mrs. Marion Catanzaro, Dr. and Mrs. John Schwaig, Mrs. Phil Dampf, Mr. and Mrs. Steve Salzano, Mrs. Sadie Gilliland, Mr. and Mrs. William Henne, Mr. and Mrs. G. M. Fennerty, Mr. and Mrs. William Barnett, Mrs. G. J. Hazelett, Mr. and Mrs. Lois DeJardins, Mr. and Mrs. Robert E. Jones, Mr. and Mrs. L. L. Schuler, Mrs. I. Bringes, Mrs. A. Lombards, Mr. and Mrs. E. R. Christman, Mr. and Mrs. Anthony Herrman, Mr. John Fontano, Mr. William Fontano, Pvt. Fabian Pietruzinski, Pvt. Ralph Gille, Miss Mary Zubiena, Miss Virginia Vorbeck, Miss Virginia Rose, Miss Joan Klorer, Miss Mary Ellen Christman, Miss Jane Carr, Miss Carmen Klorer, Miss Anna Siurone, and Miss Gladys Rose.

Lambda Chi Alpha

Guests of the house for the past weekend were Mr. and Mrs. W. A. Stevens and daughter, Norma Jean, of Bucklin, Missouri; Mr. and Mrs. R. Andrews and daughter, Dorothy, of St. Louis; Dr. and Mrs. Clarkstead, of Palmyra, Mo.; Mr. and Mrs. Browning, of Roelare, Illinois; Wilson and Roach, of Springfield, Mo.; and Miss Jean Fay, also of Springfield.

One alumnus, Brother K. Alledbach, of Los Angeles, California, also visited the house this past weekend.

Beta Alpha Chapter of Kappa Alpha held its annual pledge dance at the Parish House last Friday night. The brothers and guests danced to the inimitable rhythms of the Varsity Orchestra. The chapter was host to numerous guests, including many parents and out of town dates. They were Col. and Mrs. C. L. Woods, Mr. and Mrs. Parkinson, Mrs. C. S. Wagner, Mrs. M. M. Labelle, Mr. and Mrs. F. A. Beyer, Mr. and Mrs. F. S. Schmidt, Mr. and Mrs. R. L. Kackley, Louise Keller, Evelyn Hawkins, Catherine Lee Benson, Margaret Beyer, Florence Lewis, Emily Schmid, Nina Lee Roberts, Adeline Chouckas, Petty Pohle, Maxine Houlihan, Marigelle Sue Calhoun, Jean Gamwell, Elsie Schoenthaler, Lea Dean, Wilma Carbaugh, Elenor Conrad, Nancy Rayle, and Betty Rayle, Mr. Walter N. George, Executive Councilor, and his family were here from Springfield. Other K. A.'s that were here are: Robert Lawyer, Vernon Ascherman, George Thompson, Jim Kennedy, John Rolfe, and Bill Mayes.

TUCKER'S PASTEURIZED MILK

## Miner Eleven Will Invade Cape's Indians Friday

By Ed Goetemann

The revamped high flying Miners travel to Cape Girardeau Friday to meet the Indians in a MIAA conference tilt. The Miners will be seeking their second conference victory, while the Braves will be out after their first conference win. Although Cape's record isn't too impressive this year, they are not to be taken lightly. Against common opponents the Miners ran up 46 points against Arkansas State while the Indians made 44 points against the same team. The Miners and Cape both played scoreless ties with Warrensburg and both lost to Maryville, with the Miners losing 20 to 7, while Cape lost 6 to 0. On the basis of these comparative showings the teams should be rather evenly matched. However, the Miners will have an experience edge, for a great part of Coach Stuber's men are new to the squad. Only six seniors and three juniors are back on the Indian's squad this year, but Coach Stuber has several promising sophomores and the best crop of freshmen that has worn the Indian uniform in many a year.

Much of the glory of the Indian's record so far can be credited to the Cape line, and a great portion of this line work has been done by tackles Martin Petrasik and Ed Migieliez, and center Jim Allen, all new faces to the Cape roster. Three freshmen backs who have shown great promise this season for the Indians are John Freeze, a triple threat back, Ray Owensby, and Bill Fritts, who has made a strong bid for first string quarterback. Stuber will probably start Lu Hadway and Richardson at ends, Migieliez and P. Allen at tackles, Sapp and Fatchett at guards, with Jim Allen at center. This starting lineup is composed of all newcomers to the Cape roster.

The Miners will probably still be without the services of veteran guard Gene Veale. Both Hoby and Captain Kromka suffered recurrences of shoulder injuries, but both should be back in shape for the contest. "Stubby" Krueger, whose beautiful kick proved the margin of victory against the highly touted Springfield Bears, and Gil Caraffol will start at guards, Nick Mushovk and John Moore will start at ends with Kiburz at center. The Miner mentors will start the same backfield combination that played against the Bears. Fullop and Miller will be the halfbacks. Al Dick whose

beautiful fifty yard pass to Mushovic Saturday turned the tide of the battle against the Bears, will start at fullback with Jones at quarterback. Jim Glover and Keith Cook who played a great game against the Bears will also see a lot of action in the backfield.

Cape	Pos.	Miners
DuHadway	LE	Mushovic
Migieliez	LT	Kromka
Sapp	LG	Krueger
J. Allen	C	Kiburz
Fatchett	RG	Caraffol
P. Allen	RT	Hoby
Richardson	RE	Moore
Brune	LB	Jones
Golladay	QH	Fullop
Owens	RH	Miller
Anderson	FB	Dick

## Rifle Club Has Many Ft. Wood Matches This Year

At a meeting of the Rifle Club last Friday evening in the gymnasium Sergeant Bertram explained for the benefit of the new members the purpose and activities of the Rifle Club. This year the club will only fire a few postal matches, the rest being fired with soldiers at Ft. Leonard Wood.

Three of last year's best marksmen graduated last spring, however, there are ten members of last year's team left. In addition, fifteen sophomores and ten freshmen came out for the team. Several of these have had previous experience, so the team should be better than average again this year.

## Community Chorus Held Monday

The Community Chorus under the direction of Mrs. Lovett, wife of Prof. Lovett, was held Monday night in 104 Norwood Hall. The chorus meets every Monday night. It has been organized for over twelve years. At present they are working on Christmas songs and carols to be sung at their annual Christmas concert.

If enough Miners are interested there is a possibility that a male singers group may be formed. Any fellows who would be interested in such a group are invited to leave their names in the office or to call Mrs. Lovett, 155W.

A reporter told us that there is a difference between a fat girl and an old maid.

**BANQUET**  
(Continued From Page 1)

praised the work of Missouri School of Mines in all the engineering fields. He stated that the Board of Curators is anxious to see that the work is carried on efficiently and the needs of the school are met.

Dean Wilson acted as toastmaster for the evening. He first called upon the mothers to stand, likewise the fathers and then the members of the faculty. Each group was given a hearty round of applause. Gale Bullman was called on frequently during the evening applauded for the excellent performance of the football team in the afternoon and the illustrious victory over Springfield.

Dr. Walter T. Schenk, chairman of the Parents' Day Committee and Prof. E. J. Miles, chairman of the Engineers' Day Committee were also given a good hand of applause for their work in planning the Parents-Engineers' Day program.

(Continued From Page 1)

dog, comes to us in the person of Gene Moniak.

The Honorable Robert Tarver, an emptyheaded swell, will be portrayed by W. M. Dressel.

The two men-about-town, James Raleigh and Henry Steele, are played by Tom Vogenthaler and John Allen, respectively.

Martin, the butler, will be played by Robert Andrews.

Celia Faraday, our humorous heroine, is played by an old favorite of Miner audiences

Phoebe Harlow, the hard-boiled

dirt.

The Bears, a precision team with a great forward pass attack, came to Rolla with a record of

of seventeen wins in eighteen games, and were confident of victory.

This set-back will now throw them back in the MIAA, and make the conference race much tighter, since they are tied with

Maryville for first place.

The statistics show the Miners were outplayed, particularly in the passing department. The Miners

completed one out of twelve for 39 yards, while Springfield connected 11 times for 121 yards in

30 tries.

**GAME CRUMBS**

There is quite a story behind

Kreuger's boot. Stubby's kick was

not just the case of a fellow that

had a try at something different

when everything else failed, made

a lucky kick, and got a lot of

credit. Kreuger is rated as a

good place kicker and has prac-

ticed every night all season on his

specialty. He did this because

Coach Bullman told him one night

that some day he would be put in

there when he would be depended

on to turn the game for the Min-

ers. With no more guarantee than

this, Kreuger went to work and

the Coach's prediction came true.

chorus gal of "No Women Want-

ed."

Madge Rockingham comes to

life in the person of Virginia

Schultz.

Phyllis Faraday, a spoiled

youngster of twenty, will be por-

trayed by Mary Ruth Wilson.

Last but not least is the part

of Mrs. Chesholm Faraday, the

unpredictable Auntie. Some dif-

ficulty was met in casting this

part, but it was finally decided to

let a newcomer to Miner audi-

ences try it; Hertha Gluttschneid-

er.

With this array of promising

talent, "Green Stockings" gives

indications of being a great

comedy. The signal has been given,

the first hurdle cleared, and

"Green Stockings" is "on the

make."

**Eastman Is First To**  
**Interview Seniors**

Eastman Kodak stole the beat on the job situation at MSM this year when J. H. Howard of the personnel department of that company interviewed twenty-seven juniors and seniors Monday in Parker Hall. Applicants were considered for both summer and permanent jobs, but no definite commitments were made at this time.

Mr. Howard told the interviewers something of the policy of the company and described a few of the jobs that were likely to be available at the close of school.

**CORRECTION**

Leonard Wolff and not George Wolfe as previously printed is a candidate for treasurer of the Senior Class.
