NUMBER 26

ROCK IS WINNER OF BOND AT BIG MSM RADIO SHOW

Sophomore metallurgist Bob Rock was declared winner of the \$25.00 war bond at MSM's radio show and broadcast in the Municipal Auditorium in St. Louis on Monday evening, December 28th and featured on "Tic Toc Time" over radio station KSD.

The war bond was the result of his winning the second round of "Tic Toc Talk," a quiz game featured on the program. He also won seven dollars during the first round of the quiz.

Mrs. Joe Adams, wife of the junior mechanical and so-called "financial wizard of the campus" was second place winner and receiver of nine dollars. Third place went to alumnus First Lieutenant Paul Kloeris, now stationed at Camp Shelby, Miss., and netted him six dollars.

Approximately 700 Miners, alumni, dates and friends filled the broadcast assembly hall in the Auditorium and showed great spirit and enjoyment of the entire program.

The broadcast, sponsored by the Hyde Park Breweries gave the Missouri School of Mines considerable valuable publicity.

The show got under way at approximately 9:15 p. m., with announcer Ron Rawson introducing the popular master of ceremonies, Don McNeil. McNeil has been featured master of ceremonies of the NBC Breakfast Club program for the past several years.

During the pre-broadcast show Don McNeil interviewed a number of the audience and sent Bob Rock, Mrs. Joe Adams, and Lt. Paul Kloeris up to the stage for the broadcast.

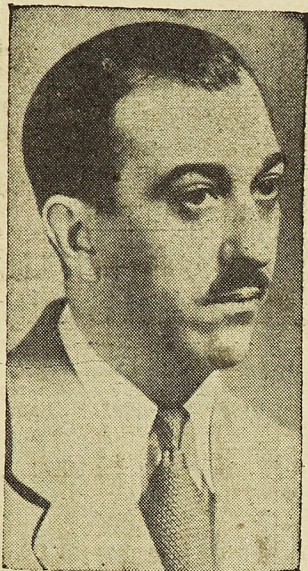

The broadcast began with a special arrangement of "Fight Missouri Miners" and was sung by Kaydebs, a singing sextet built around Kay Thompson, Joe Karnes and Dottie Bennett.

The special arrangement of "Fight Missouri Miners" was written by Phil Levant, our popular Winter Carnival orchestra and rearranged to some extent by Russ David whose orchestra was featured on the program and who made such a hit at MSM's last Military Ball.

The three quiz contestants were introduced to the radio audience and individually quizzed. Each contestant was required to name a musical selection, for two dollars, played by Russ David's orchestra and then required to begin a sentence used by Don McNeil. For every sentence completed in a minute, the contestant received one dollar. The first session closed with Mrs. Joe Adams winning nine dollars, Bob Rock with seven dollars, and Lt. Kloeris with six dollars.

The internationally famous singer Kay Thompson presented a special arrangement of "Day In, Day Out." Miss Thompson jour-

Tom Collins on Lecture Program

The popular humorist-speaker, Tom Collins, will appear here on the general program next Thursday night, January 14.

Mr. Collins is one of the most widely sought-after dinner speakers in the country. Every day for 10 months of each year he makes at least one talk at a banquet, sales meeting, school or before some organization somewhere in the United States.

In 1937 he spent some time in Hollywood making movie shorts. While there he addressed several large banquets and has since been recalled many times to talk at banquets of movie people.

Mr. Collins has been featured under his own name, in a series of radio broadcasts over a national hookup, for an eight-month duration. On a ballot of newspaper publishers and editors in Kansas and Missouri, he was selected as the outstanding humorous speaker of the two states.

Mr. Collins believes that speeches should be, first, entertaining and then have a concise but definite theme. His aim is to have people laugh and wish for more when he has finished, and to leave them with thoughts and ideas both beneficial and unforgettable.

His talk will be "Dust Off Your Sense of Humor" which has as its theme a discussion of laughter, its value, and explanation of why we laugh as illustrated by many stories. His talk which has a plea for sense of humor and more laughter has sound psychological basis as well as humor.

The lecture will begin at 8 p. m. in the auditorium. Admission: students, by card; student dates and faculty, 25c; and general public, 50c.

eyed from New York City for the broadcast.

The second and last session of the quiz was won by Rock who received the war bond.

Fourteen New Men To Phi Kappa Phi

On Thursday, December 17, the Missouri School of Mines chapter of the honor society of Phi Kappa Phi held an initiation for fourteen seniors. The initiation was held at 6 p. m. in the Met Club room. After the initiation ceremony was concluded, a banquet was given in the Methodist Church social room. Professor E. W. Carlton honored the members with a speech on the subject "War Work at MSM."

Phi Kappa Phi accepts only those who have developed the various qualities essential to a true scholar, combined with exceptional character and service. The new members and some of their extra curricular activities are as follows:

Ewin H. Barnett: president of A. I. Ch. E., member of Tau Beta Pi and Blue Key.

Edmund C. Burke: member of Tau Beta Pi.

Donald J. Coolidge: member of Tau Beta Pi, and Blue Key, and receiver of the first prize for an essay in a contest of the local chapter of Tau Beta Pi.

Fred E. Dreite: member of Tau Beta Pi and treasurer of A. I. E. E.

Vernon E. Flessa: member of Tau Beta Pi.

James C. Johnson: president of Alpha Chi Sigma, and member of A. I. Ch. E. and the Student Council.

Francis M. Krill: member of the Student Council, Tau Beta Pi, Independents Board of Control, and the varsity track team.

Henry Kurusz, member of Alpha Chi Sigma, Blue Key, A. I. Ch. E., and the varsity tennis team.

John G. Leming: member of Tau Beta Pi, A. I. E. E., and secretary of Sigma Pi.

Marion K. Main: president of the "M" club and member of Tau

Goetemann Elected Editor-in-Chief Of The Missouri Miner

At the regular meeting of The Miner Board Thursday, December 17, 1942, new officers were elected to take the place of those leaving through graduation.

Ed Goetemann was chosen to replace Gene Martin as editor-in-chief of The Miner. Harold Butzer and Carl Finley were elected managing editors.

Other officers elected are: John Griffith, as business manager and Matthew Kerper as circulation manager. George Burke was re-appointed as sports editor and Patterson appointed feature editor.

New members elected to the editorial staff were Harry Gilliland, Phil Dampf, Ed Patterson and Morris Sievert. Jim Hoelscher was the only chosen to the advertising staff. Al Uriwal and Jerry Kendall were elected to the circulation department.

A new ruling passed by the Board requires that all tryouts must work another semester after being elected to the Board before they are eligible to receive The

Pres. Middlebush Addresses Assembly on World Crisis

Wagner Is Pres. Of St. Pat's Board

At the last meeting of the St. Pat's Board on Thursday evening, January 7, George Wagner was elected president of the St. Pat's Board by acclamation. Wagner is a member of the Triangle fraternity.

The other new officers elected are: Ralph Feldhaus, vice-president, Independent; Bob Schmidt, treasurer, Kappa Alpha; Bill Christman secretary, Theta Kappa Phi, John Griffiths, finance, Sigma Nu; Joe Adams, dance chairman, Sigma Pi; Harry Scott, utilities, Independent; Dick Wheat, advertising, Lambda Chi Alpha; Lou Hartcorn, decorations, Pi Kappa Alpha; and Tom Gettys, activities, Kappa Sigma.

The new board takes office immediately and plans are now being formulated for the coming semester, including the renowned St. Pat's Celebration this coming March 19th and 20th.

Beta Pi and the varsity basketball squad.

John H. Olson: member of the Miner Board Circulation Department, Tau Beta Pi, and A. S. M.

Fred J. Radavich: member of Blue Key, Theta Tau, A. I. M. M. E., and A. S. M.

Gabriel K. Skitek: member of Tau Beta Pi, and Chairman of the A. I. E. E.

Willis M. Whitfield: a transfer from Shuetteff College, and student assistant in the Physics department.

Miner key. At the same time, the business and advertising departments were placed under one head as in accordance with an amendment in the constitution last year.

Ed Goetemann has the distinction of being the editor-in-chief while still a junior. Goetemann is former pledge manager of Theta Kappa Phi, secretary of Blue Key, president of the ASM, a member of Tau Beta Pi, sports editor of The Rollamo and a member of AIME.

Harold Butzer is secretary of the ASCE and is also a member of The Rollamo Board and the S.A.M.E. He is a junior Civil and a member of Theta Kappa Phi.

Carl Finley of the Engineers' club is a winner of the James scholarships.

John Griffith, vice president of Sigma Nu fraternity, is president of the S.A.M.E. and belongs to the St. Pat's Board.

Matthew Kerper, Engineers' club and Theta Tau, is a junior ceramist.

America Can Help To Maintain Peace

President Frederick A. Middlebush made his first public appearance at the School of Mines yesterday, when he gave a talk on "Our Present World Crisis," at the special convocation of students and faculty.

Dean Wilson introduced President Middlebush, whose opening remarks recalled his contact with the Miners when they made the trip to Columbia in 1940 in an attempt to get a dormitory for the school. He also remarked on his regret at having no more personal contact with the students than he does.

Dr. Middlebush stressed the fact that the "world crisis" today is not as we usually think, the war and its relation to us, but rather the problem of rebuilding the world after victory is ours. This applies to us because we are not only soldiers, sailors, engineers, etc., but we are Americans and it is going to be up to us to decide what sort of a world we want after the war. Of course we are taking for granted that we will win the war, but we must also make provisions for winning the peace or the winning of the war will not be worthwhile.

He went on to say that the present generation has grown up through the toughest part of the country's history. Since our birth we've been surrounded by a discussion of the fact that it was a mistake for the United States to ever be involved in the war and that the modern youth should have nothing to do with it. Then just as we were making plans, along came the Depression and the motto of the graduation seniors became embodied in the expression, "W. P. A. here we come." To be faced with another war is the final and "acid" test. The reaction of the students to all these trials is a tribute to the youth of America.

Dr. Middlebush pointed out that the problem of piecing together the "jig-saw puzzle of the world" will probably be greater than those of the war. And we must come back to the observation of International Law before the world can ever make any progress.

In 1931 and 1932 Dr. Middlebush sat in on the conferences of the League of Nations in Geneva. It was at this time that the Japs first entered China and the League was powerless to do anything about it. Although he is not necessarily an advocate of the League of Nations, Dr. Middlebush emphasized the fact that we must have something like it when this war is over. It will be up

LETTERS TO EDITOR . . .

The Editor
The Missouri Miner.
Dear Sir:

Your writer of the column AS A MINER SEES IT is apparently one of these arm-chair strategists that knows all the Army rules and regulations. Well the poor boy slipped. Army Regulations 260-10 section 2 subsection g sub section (6) states as follows: "When the national flag is displayed in a chapel, in front of the chancel, it will be on the congregation's right as they face the chaplain. If displayed within the chancel, it will be on the chaplain's right as he faces the congregation. Other flags similarly displayed will be on the wall opposite the national flag or on the chaplain's left, as the case may be." The chancel in this case is comparable to a stage or platform, and since the flags were in front of the stage they were properly placed.

As another reference to flag etiquette, I would like to have the great strategist refer to Public law 623—Seventy-Seventh Congress Chapter 435—Second session. H. J. Res. 303, a joint resolution. This resolution in Section 2 paragraph (k) states, in part, as follows: " . . . But when the flag is displayed from a staff in a church or public auditorium elsewhere than in the chancel or on the platform it shall be placed in the position of honor at the right of the congregation or audience as they face the chancel or platform. Any other flag

Thomas to Head Interfrat Council

The Interfraternity Council of M. S. M. held its annual election of new officers at the Sigma Nu house on December 9th. The new officers are: William Thomas, President, Theta Kappa Phi; Robert Williamson, Vice President, Triangle; Wayne Stutterfield, Treasurer, Sigma Nu; and Norbert Bateman, Secretary, Lambda Chi. These new officers took office immediately and will continue in office until next year.

Plans for the exchange of guests were also discussed. According to this plan guests from certain fraternities will visit other fraternities on specified dates arranged by the fraternities. Final arrangements were also made for the selection of the fraternity man of the year. This man will be selected at the end of the present semester so that his name may be announced at the graduation exercises.

Have you heard the one about the two Japanese statesmen who jumped out of a hotel window because they found an American vessel under the bed?

so displayed should be placed on the left of the congregation or audience as they face the chancel or platform." With these references I hope that the strategist will become a bit wiser. After all that is what Army regulations are for, and I intend to use them when in doubt so I think you should too.

—Don M. West

Col. Jones Has Heart Attack

Lieut. Col. Carl R. Jones, former M. S. & T. of Missouri School of Mines, was taken suddenly ill with a heart attack while stationed at his new command.

He had been engaging with the staff officers of a newly formed Engineer Battalion in a physical conditioning exercise. He was stricken after completing an hour of close order drill, swimming a stream with full pack, and taking a ten mile hike.

The division with which he is now training is a newly organized one and is rapidly being prepared for overseas action. Capt. Puetz, a MSM graduate, is also in training with this division.

Col. Jones present address is: Lieut. Col. Carl R. Jones, Ward A-9, Station Hospital, Camp White, Ore.

ASM Election Held at Banquet

The American Society of Metals on December 16, 1942, gave a banquet for its members and for those students who showed any inclination in desiring to become a member. The banquet, which was scheduled for 8 p. m., was preceded by an informal gathering at which the boys gossiped and partook of certain spirits, well known at M. S. M.

The banquet itself was not an elaborate affair, although it was complete enough, and very tasty and enjoyable to the epicurian palate. The principal feature of the banquet was chicken, which was supplemented by a pear salad, and all the various other trimmings that make a chicken feast appetizing.

After the dinner, the election of officers was held, at which the following men were elected to lead the student society for the coming year: Ed Goeteman, president; Al Dick, vice president; Bill Goodwin, secretary; Professor Clayton will continue as treasurer.

To top the evening off, the very interesting lecture on the composition of the new nickel and of the difficulties met with in determining the proper alloy to be used, was given by Mr. C. Travis Anderson of the United States Bureau of Mines. Slide type pictures were shown in conjunction with the lecture for illustrative purposes.

Cigarettes were furnished by the society for those who desired to smoke.

Glenn Lufcy Elected President of ACS

The American Ceramic Society chapter of the Missouri School of Mines met Monday evening, December 14, 1942, and elected Glenn H. Lufcy president of the organization. Matthew Kerper was elected vice president; Paul H. Stovesand, treasurer; and Fredrick G. Mertens, secretary.

Campus Spotlight

GENE MARTIN.

This week's senior in the campus spotlight is Gene Martin. Gene was born in Lamar, Mo., a little town about forty miles north of Joplin. He also received his elementary and high school education in this town.

Gene is graduating this semester as an electrical engineer. He is graduating as a Second Lieutenant from the MSM Cadet Corps. After he leaves MSM he expects to be called into active service shortly.

Gene has participated in many campus activities, for example: he belonged to the Independents and the Shamrock Club and the Independent Board of Control. Gene is also a member of the S. A. M. E., A. I. E. E., the Tau Beta Pi, and the Miner Board.

He has no specific hobbies but, his early ambitions were to become a lawyer.

Gene is the retiring Editor-in-Chief of the "Miner."

Lieut. John Shank Added to Faculty

First Lieutenant John H. Shank came here to Missouri School of Mines on December 15 to replace Captain Warwick L. Doll, who has been transferred to Camp Clairborne, La.

Lieut. Shank was born in Syracuse, N. Y., and raised in Vermont where he attended high school. Upon graduation from high school he received a Vermont State Scholarship to the Colorado School of Mines, Golden, Colo., where he graduated in 1935, as a metallurgist. While in college he was a member of the Sigma Phi Epsilon social fraternity and Tau Beta Pi and Blue Key honorary fraternities. Following graduation, he went to work for Republic Steel Co., in Buffalo as a Metallurgist. He stayed there until the fall of 1938 when he went to Cornell University where he was an instructor in experimental mechanical engineering for a year.

In the fall of 1939 Lieut. Shank went to work for the Colorado Fuel & Iron Co., as a mill and contact metallurgist. He worked there until May, 1942, when he was called to the army. His original assignment was to the ERTC at Fort Leonard Wood and upon arriving there he was immediately assigned to the 474th Engineer Maintenance Company. During the summer he was scheduled for overseas duty and got as far as the coast, but was called back to the 474th, and then sent here.

Lieutenant Shank has taken charge of Capt. Doll's classes.

Music Club to Present Works of Great Masters

This Sunday the Music Club will hold the first meeting of the New Year. The program to be presented will be a chronologized collection of the works of some of the world's greatest composers from the eighteenth century to the twentieth century.

The composers to be represented are Handel, Mozart, Beethoven, Schubert, Gounod, Saint-Saens, Tchaikowsky, Debussy, and Stravinsky.

Start the year with good music by attending this meeting, everyone is invited. The time is 7:30 Sunday evening in Room 706 Norwood Hall.

Who was that lady I saw you outwit last night?

Student Council Elects Officers

The Student Council met Wednesday evening for the election of officers for the coming semester. The retiring officers are: Kent Comann, president; Ken Mooney, vice president, and Theo. Hoby, secretary-treasurer.

The newly elected officers are: Tom Brannick, president; Bill Clark, vice president; and Jim Sullivan, secretary-treasurer.

Brannick is a junior metallurgist, a member of the Student Council, a member of Blue Key and is treasurer of Theta Tau.

Bill Clark is a junior mining engineer, a member of Pi Kappa Alpha fraternity, a member of Theta Tau and treasurer of Blue Key.

Jim Sullivan is a junior metallurgist and a member of Sigma Pi fraternity.

Drury Cagers Down Miners in Pre-Xmas Clash, 40 to 29

Ed Isenmann Leads Scoring for Miners

The Missouri Miners' basketball team was defeated by the Drury college quintet from Springfield, Mo., December 19, by a score of 40 to 29.

Since the game was played on the evening that the Christmas season started, the attendance was almost nil, and the team played as if they wanted to get the game over in a hurry so they could get home too. The Miner team did not appear at all like the team it started out to be at the beginning of the season, for its ball handling was rather mediocre. Then too it was a case of not being able to make the majority of their shots find their mark, that helped the Miners put up a poor showing.

Ed Isenmann was hurt during the game, but he did not let this interfere with his scoring when he racked up nine points to lead the Miners in that department. Don Smith followed him with six points. Moore and Counts scored four points apiece.

Tompson, the Drury center, turned in the best play on the floor during the evening, leading his team by scoring twelve points. His teammates Savage and Roberts helped along with the team's efforts by piling up nine and six points respectively.

The defeat was the Miners' fourth straight loss.

Wife (to drunken husband): "Come on, Dear, let's go to bed."
Husband: "Might as well. I'll catch Hell when I get home anyway."

Miners to Tangle With Cape Tonight

The Miners take to the road this week end to meet Cape Girardeau, in an effort to break into the win column for the first time this year. The game tonight is the first time this year that The Miners and Cape will have met in conference competition.

As usual, the Cape Indians will be the heavy favorites in tonight's game. Cape has always turned out one of the finest small college basketball teams in the country, and despite their bad start this season, they should have enough punch to win easily over The Miners.

Cape started off the season by dropping two games in a row, one against Murray State college from Kentucky, 32 to 30, and the other to Western Kentucky State Teachers College, 50 to 33. The Indians succeeded in giving both opponents a very hard fight in both contests and showed definite signs of improving as the season progresses.

The Miners are riding the crest of a four-game losing streak, and as to whether or not they can get into form tonight and break this streak, still remains to be seen. The Miners have lost to good teams in the likeness of Washington, St. Louis U., Westminster and Drury, which case gives The Miners a little boost in tonight's forthcoming match. However, the Miner team will have to entirely rejuvenate itself if it expects to surpass Cape tonight.

To date, The Miners have not produced any outstanding players. Main, Smith, Isenmann, Spinner and Counts have all shown signs of ability, but they have failed to keep it up in the games so far. If these boys could get going now, and keep turning in their usual fine games, The Miners might be able to break into the win column a few times this season.

The Miner team looked impressive against the Kappa Sig team, Intramural basketball champs, Wednesday night when they rolled to an easy 74 to 26 victory in practice. If the team can show as much fight and ability against Cape and the other teams on the schedule as they did Wednesday night, The Miners will not go another season without a loss.

Joe McDuff: "I'm a bank examiner."
She: "Well, I'm no bank."

INTRAMURAL Sports

(BY MORRIS SIEVERT.)

Thursday night brought to a close the basketball round robin, with Kappa Sigma emerging with the undisputed championship in their grasp. In gaining the crown, Kappa Sig piled up the impressive record of 12 victories against no defeats.

Second place honors was shared by Theta Kappa Phi and Kappa Alpha, each having ten victories and two defeats. Sigma Pi followed in fourth place with Sigma Nu right behind in fifth place.

On Tuesday night, Kappa Sigma and Theta Kappa Phi met in a contest which was to largely settle the question as to whom the winner of the basketball tournament would be. Both teams took the floor with confidence and determination, but the Kappa Sigs turned in their best game of the season, to easily defeat the Theta Kapps 36 to 22. "Sleek" Brand of the Kappa Sigs turned in an exceptionally fine game, demonstrating ability to score from almost anywhere on the floor any time he wished. Brand turned in his usual fine game for the victors. Brand piled up a total of 12 points while Frame scored 8, to pace their team, to victory. The Kappa Sigs wound up their competition by defeating Triangle on Thursday night, 23 to 13.

As it was started in the beginning of the first semester, the current Intramural season, the organization having the highest number of points at the close of the semester would receive a trophy. At the present time it is especially interesting to note that the two leaders in points are Sigma Nu with 1535, and Kappa Sigma with 1530.

With the Intramural swimming the final event on the current calendar of Intramural sports, it should provide some excellent competition between the two organizations for the Intramural Championship trophy.

The annual Intramural swimming meet is scheduled to take place during the week beginning January 11. This year's tournament gives promise of being one of the best ever to be held here, as a new event has been added to the list and this year preliminaries will be held leaving only four men in each event for the finals.

The rules to be followed for the meet are as follows:

1. All students except the varsity basketball squad are eligible.
2. Each swimmer can enter only two events and a relay. The individual medley counts as an event.
3. Only one entrant in an event from an Organization.
4. Entries must have been in before Jan. 7 or they are disqualified.
5. The points for the relays will be 8-5-2; other events 5-3-1.
6. The preliminaries are to be held Jan. 11, 12 and 13. Four men in each event will qualify for the finals which will be held Jan. 14.

The list of events and the records held are as follows:

1. 60 yards free style, record 34.4 made in 1942, held by Sloan, Jr.
2. 60 yard breast stroke, record 40.8 made in 1941, held by Brouk-K. S.
3. 120 yard free style, record 1:21 made in 1942, held by Dixon-Frosh.
4. 160 yard relay-free style,

record 1:30 made in 1942, held by Jr.

5. 60 yard back stroke, record 41.6 made in 1942, held by Dixon-Frosh.

6. Medley Relay, record 1:17-6 made in 1942, Jr.

7. Diving.

8. Individual Medley Relay—new event—no record.

There will be a gold medal given to the winner of each event including the members of the winning relay team. There will be silver medals given for second place in each event.

Schedule for Tank Meet

Following is the preliminary intramural swimming schedule. Sports managers are urged to get their entrants to the meet on time for the events.

DIVING.

Date, Jan. 11, 1943.

Starting time—4:30.

Entries — McKnight, Liddell, Dick, Wilms, Kuruz, Fink, Knapp, Vogenthaler, Kallmeyer.

Each man does three dives—Front, back and front flip dive.

Five men qualify—Each man will do 3 Optional dives in finals.

120 MEDLEY RELAY.

Starting time—5:00.

First Heat Entries—Kappa Sigma, Freshman, Sigma Nu, Theta Kappa.

Second Heat—Seniors, Sophs, Sigma Pi.

Third Heat—Triangle, Kappa Alpha, P. K. A.

Time First and Second—Three first and one second qualifies.

120 YARD FREE STYLE.

Starting Time—4:00.

Entries—Sloan, Moe, Duffner, Kendal.

Second Heat—Time 4:10.

Entries—Brackett, Burke, Litz-elfelner, Bucholtz.

Third Heat—Time, 4:20.

Entries — Battermann, Lloyd Parkinson.

Time First and Second Man—All first's and Highest second man will qualify.

60-YARD BACK STROKE

Date—Jan. 12.

First Heat — 4:00. Entries — Hadley, K. A.; Dickenson, Sigma Pi; Bruns, Kappa Sigma; McClinton, Lambda Chi.

Second Heat. Entries—Comann, senior; DuBois, sophomore; Carlton, Sigma Nu; Schwartz, frosh.

Third Heat. Entries—Fink, Triangle; Merritt, Pi K. A.; Markway, Theta Kap; Jett, junior.

60-YARD BREAST

First Heat—5:00. Entries—Doerres, seniors; Morris, Sigma Pi; Dick, Kappa Sig.

MIDDLEBUSH—

Continued From Page 1

to this body to administer the Dr. Middlebush world's affairs, but in some other manner than that attempted by the League of Nations which resulted in failure.

As a point of interest Dr. Middlebush recalled that on his return to the United States from Geneva he and Mrs. Middlebush took a walking trip through the Black Forest of Germany. While on this trip they stopped in a little village where a man by the name of Hitler was to make a speech. However, they did not consider it of enough importance to even wait an hour to hear, but in the few months that followed Hitler became the ruler of all Germany.

Dr. Middlebush again stressed that "the United States can no more stay out of this war than a moth can keep away from a candle, and is time we recognized the fact."

Although he had no pattern by which we could remake the world after the war, Dr. Middlebush pointed out that there were cer-

tain fundamental principles to be followed, the most basic of which is a system of rules and regulations that will enforce law and order.

At his parting remark, he wished us God sped in finishing this job.

TANK MEET—

(Continued From Page Three.)

Off the Campus

TRIANGLE.

As we returned from the holiday vacation, we found that changes had occurred in the lives of a few of our fellows. Some of the comon sessions were held in which tales of the holidays were thoroughly discussed, especially dates.

Then Brother "Mike" Mazzoni came up with the announcement that he had "pinned" Miss Adele Katz, queen of the recent "Winter Carnival."

Brother Jim Carroll and Miss Betty Freeman, of Rolla were joined in marriage during the holidays. Through the efforts of several of the fellows, our living room was transformed into a beautiful setting for the wedding. Miss Freeman represented Triangle as Maid of Honor at the "Winter Carnival."

We are very sorry Pledge Bill Merkle has had to leave us. He

will be inducted into the army next week. Our wishes for good luck go with Bill wherever he may be sent.

Just before the holidays Missouri Mines Chapter of Triangle celebrated "Founder's Day" with the traditional banquet. Captain Doll was guest speaker for the occasion.

Don Smith Elected President of M Club

On Thursday, January 7, the M club met for the election of officers. Nominations were made and from them the following were elected for the coming term:

President, Don Smith; vice president, John Moore; secretary, Joe Bush; treasurer, George Allison,

and chairman refreshment committee, Ed Isenmann.

After the meeting, refreshments were served.
