The Mules of Warrensburg defeated the Miners by a score of 6-0 Friday night in Warrensburg. The Warrensburg team consisted almost entirely of Navy men who had played football in other colleges all over the United States.

Warrensburg kicked off to the Miners on a muddy field. The Miner team using standard plays of line bucking and end runs off of both the "T" and single wing formations marched on the Mules 20 yard line up to the Mules 40 where the Miners lost the ball on downs. The Mules took over the ball and using line plunges, short passes, and end runs succeeded in crossing the Miner's goal line. The kick for the extra point was wide making the score 6-0. The Miners received the kick-off from this period on they were wholly in the main in possession of the ball. Three down the field

marches were stopped between the three and the eight yard lines where the Miners were held to downs and the Mules took over the ball. The sailors of Warrensburg were too tired to do a thing after their initial touchdown to repeat any scores, but enough reserves were thrown into the game by the Warrensburg coaches so that a hard defensive team was in action for the most part, enrolling the Warrensburg team to stymie the goal line dash of the Miners. Errors crept up on the Miners such as the line not holding in the touchdown march of the sailors in the first quarter. The original starting lineup for the Miners was kept practically intact for the entire team. Substitutions were very few. Jim Miller, Al Dick, Dick Hoehn, and Al Gammon played a bang up game for the Miners. On the line Tapperson caught some beautiful passes which brought important gains for the Miners. Markway and Schofro played a hard game at tackle, Schofro being withdrawn in the third quarter because of punchiness caused by a head blow after a tackle. The guards, Sexauer and Seabaugh were in the midst of every tackle made in the sailors' backfield and line. Don LaPere, the center, played almost the entire game, except for a short breathing spell in the latter part of the third quarter. The starting quarterback, Bob Rolley, was still too injured from the Arkansas game to be of much use to the Miners, and when subsequently injured on the ankle again, he was replaced by Earl Kane, who moved in from end and handled the situation very ably. The Miners were easily the best team on the field outstriving and having a total ground gain total which had a ratio greater than 2.5 to 1 as compared with Warrensburg.

THE MISSOURI MINER

THE MISSOURI MINER is the publication of the Students of the Missouri School of Mines and Metallurgy, managed by the Students.

An Appeal

Blue Key has taken it upon itself to edit and circulate a News Letter every two weeks to all Miners now serving in the Armed Forces of the country. So far three of these News Letters have been distributed and many letters have come in from Miners in the Service praising the Letter and asking for more as they are starved for news of their Alma Mater.

However, the expense of mailing these News Letters cannot be borne by Blue Key since it has no steady source of income. Although this expense is small it will begin to mount up as more and more News Letters are published. The Blue Key is appealing to the student body as a whole to help in this project. They want every Miner to drop a stamped envelope or even just three cents in the News Letter Box in Parker Hall once a month. Now if every Miner would faithfully do this, the problem of mailing the News Letter would be solved.

Certainly every student with the true Miner spirit will willingly give three cents or even more once a month to give a former Miner or even a former classmate a break. So let's get behind this project and give the Blue Key our support.

General Garlington To Speak at A.S.C.E. Banquet

A joint meeting of the Mid-Missouri Section of the American Society of Civil Engineers and the MSM student chapter will be held at a banquet Friday, October 8.

Dinner will be at the Pennant Tavern at 6:30 p. m. The price of the dinner will be \$1.25 per plate; senior citizens are to be guests.

Guest speaker of the evening will be Brigadier General C. Garlington, Commanding Officer of the E.R.T.C. at Fort Leonard Wood. He will speak on the topic, "Engineers at War", which

should be of great interest to all of us.

Anyone interested in hearing Gen. Garlington's talk is urged to attend. Everyone who plans to attend the dinner should make reservations with Prof. E. W. Carlton in Harris Hall, or call him at his home, 588-M.

stationed at Fort Leonard Wood, visited the Chapter House.

Miss Alice Essmeyer of St. Louis, Mo., visited Brother Bernie Duffner this weekend.

Brothers Bob Klorer and Jack McCarthy and Pledge Ray Dreher, all of St. Louis; Brothers Bill Thomas and LeRoy Markway of Jefferson City; and Pledge Bob Corbett of Pacific, Mo., all returned to their respective homes this weekend for a short visit.

We had a very pleasant surprise last Saturday when Brothers Jim Hoelscher and Harold Butzer,

should be of great interest to all of us.

Anyone interested in hearing Gen. Garlington's talk is urged to attend. Everyone who plans to attend the dinner should make reservations with Prof. E. W. Carlton in Harris Hall, or call him at his home, 588-M.

ASTP Teams Have Edge In First Round of Intramural Football

With the first week of the new intramural sport program, completed the ASTP teams have taken the edge in the touch football games played so far. Only two student teams up to date have come out of the first elimination as winners. However one game between the Giants and the Theta Kaps was postponed. The soldiers seem to have better, heavier teams gaining the edge in practice and organization. "There is great spirit between the teams and the touch football program provides a high spot in both the campus and ASTP life," Coach Haffell states. The soldiers are especially finding it interesting and the same spirit should prevail throughout the rest of the intramural program.

On Monday, September 27, the first game was played and Sigma PIKA took a 14 to 2 victory from the Yanks. On Tuesday the ASTP took a double header when the Browns beat the Kappa Sigs 13 to 12 and the Indians took Triangle 8 to 2. Wednesday saw a split with the Cardinals swamping the Sigma Nus 26 to 7 while Lambda Chi took a game from the Red Sox 14 to 7. There were no games Thursday but on Friday the ASTP took two more games with the Dodgers beating the Frosh-Sophs 34 to 2, and the Pirates shutting out the Senior-Junior team 25 to 0.

The next intramural event will be the Obstacle Race which will be held October 8th. Managers are warned that they must have their entry list in by at least October 6.

ASM Hears Mets Talk on Summer Work

The M. S. M. Chapter of the American Society for Metals held a meeting Thursday September 30 in the Metallurgy Building.

Several Metals who worked during the summer talked to the meeting about the experience they received in industry. Bob Westwater, who has been working for several years as a Metallurgist for North American Aircraft in Kansas City, gave a very enlightening talk on the "Metallurgy of Aluminum in the Aircraft Industry." He outlined the various heat treating and annealing steps involved in the processing of the many aluminum alloys used in the B-25.

Allen Crosby spent the summer working at the Carondelet Foundry in St. Louis. He outlined the varied experience he received in the sand control lab, working on the cupola, patching furnaces, etc. He pointed out that he was moved all over the foundry in order to obtain a thorough working knowledge of the foundry.

Bill Rule gave a detailed account of his experience working in the Eagle-Pitcher Lead Smelter at Galena, Kansas, the past 2 summers. Bill pointed out that the work in a smelter is not all brain work, but that a great deal of hard and dirty labor work is involved.

After the meeting refreshments of pie and coffee were served in the Fire Assay Lab.

Dr. Muilenburg To Speak at A.I.M.E. Meeting

Dr. G. A. Muilenburg, Chairman of the Geology Department, will be the speaker at the first A. I. M. E. meeting of the year on Wednesday at 7:30 p. m. in Room 204, Norwood Hall. Since his talk, "Geological Myths", is not of a highly technical nature, it should be of interest to all.

At this meeting the policy to be followed during the coming year will also be discussed. All members and prospective members are strongly urged to be present in order that a complete cross-section of your opinions can be obtained. Of course, everyone, whether a member of the A. I. M. E. or not, is invited to attend the meeting; and, as usual, eats will be provided for all.

Have a "Coke"—Come, be blessed and be happy

"Coke" = Coca-Cola
It's natural for popular names to
acquire friendly abbreviations. That's
why you hear Coca-Cola called "Coke".

...from Idaho to Iceland

Have a "Coke", says the American soldier in Iceland, and in three words he has made a friend. It works in Reykjavik as it does in Rochester. Round the globe Coca-Cola stands for the pause that refreshes—has become the ice-breaker between kindly-minded strangers.

**VICTORY SALES TAX
SUGGESTED BY TAX
CHAIRMAN.**
WASHINGTON—M. L. St. X. Seidman, chairman of the Taxation Committee of the New York Board of Trade, today urged Congress to enact a \$6,000,000,000 10 per cent Victory Sales Tax with no exemptions as a substitute for the Treasury Tax Program.

**ROLLBACK OF PRICES
TO REDUCE COSTS.**
BOSTON, Oct. 5.—(UP)—President Roosevelt informed the 63rd Annual Convention of the American Federation of Labor today that he expected the rollback of prices will reduce the essential cost of living.

**LEAGUE MEMBERS
INDICTED AS NAZI AGENTS.**
WASHINGTON — The German-American Vocational League Inc., one of its subsidiaries, and 27 officers and members were indicted today by a Newark, N. J., Federal Grand Jury on charges of conspiring to act as without notifying the State and Justice Departments, Attorney General Francis Biddle announced here.

**RECEIVES COMMISSION ON
RETURN TO FARRAGUT.**

Gene Northern, popular Rolla city attorney, prior to his induction into the Navy, and who was recently here for a short visit with Mrs. Northern, received a pleasant surprise upon his return to Farragut, Idaho. He was commissioned Lt. Col., Jr. Grade, and will proceed to his station at Corpus Christi, Tex. Several Rolla residents were surprised and pleased to hear Mr. Northern's voice over the breakfast club program recently, when he was a guest at Sardi's. Mr. and Mrs. Northern were visiting with Mrs. Northern's mother and brother, Mrs. Allen and Morris, who live at San Francisco, Calif.

**VISITS HERE WITH
RELATIVES AND FRIENDS.**

Lt. William Snodgrass who is in Texas with the Army Air Corps and Mrs. Snodgrass are spending some time here visiting with friends and relatives.

Lieutenant Snodgrass has been in the army all of his life and formerly lived here in Rolla. For the past four years he has been in the air corps, three years of the time being spent in Texas.

SPENDING FURLOUGH HERE.
Seaman S/c Perry Oakes, arrived here Sunday morning to spend a furlough visiting his wife, and son, Douglas Rainey and his parents, Mr. and Mrs. R. D. Oakes.

He has finished his boot training at Farragut, Idaho, and will be transferred to a Naval school in the near future.

**S/SGT. E. A. BRANSON
TRANSFERRED.**
S/SGT. E. A. Branson of Diming, New Mexico, has been recently transferred to Salt Lake City, Utah. He is with the Army Air Corps.

**PFC. FLOYD R. SNEILON
LEAVES NEW GUINEA.**
Pfc. Floyd R. Sneilon and a letter to his parents, Mr. and Mrs. Frank Sneilon of Rolla says he has been transferred from New Guinea to a "beautiful coral island which is thickly inhabited." Pfc. Sneilon has been in the service almost a year.

Balance Is
\$54,211.09**

The Phelps County Court met in adjourned term, Saturday, October 4, with H. W. Lenox, Presiding Judge; Ira Parry, Judge, Eastern District; Isaac Sands, Judge Western District; John A. Mooney, County Clerk, and Pryor Harvey, Sheriff, present.

After routine matters were dispensed with the following order proceedings were had, as recorded by Clerk Mooney:

Warrants drawn for salary and office expense for Sept. \$2,376.97. Warrants drawn for fuel and repairs on road machinery for last half of Sept. \$1,054.88.

Warrants drawn for road funds for the last half Sept. \$814.10. The offer of J. T. Harris of taxes, interests and cost for the SW SE Sec. 4, Twp. 34, Range 8, tax land was accepted and W. D. Jones, commissioner ordered, to draw deed.

W. R. Brown, real estate dealer, was granted relief from taxes in the amount of \$155.46 on his lands in Phelps County.

Balance in County Fund, \$54,211.09.

Balance in Road Fund, \$4,039.41.

Receipts (Co. & Roads) for the month of September, \$1,568.08.

**To Observe
Birthday of
China Republic**

Following is a copy of a self-explanatory letter received from the United China Relief by Mrs. Guy W. Cornwell, chairman for Rolla:

Arrangements have just been completed today for the international broadcast on the evening of October 9, in celebration of the 32nd anniversary of the founding of the Chinese Republic.

The program will be carried over the Blue Network, Saturday, October 9, 10:15 to 10:45 p. m., Eastern War time. (9:15 to 9:45 p. m., our time).

Wendell L. Willkie, honorary chairman of the UCR will preside and speak briefly. Secretary of State Hull will speak from Washington, voicing the congratulations and good wishes of the American people. The response will be made from Chungking by Generalissimo Chiang Kai-shek. He will speak in Chinese; each paragraph will be translated. We hope it may be possible for this to be done by Madame Chiang.

This is the second time that the Generalissimo's voice will be heard throughout America. The other was a brief part in an "Army Show" program last year. It is the first program carrying America's congratulations direct by air to China, with a response from President Chiang Kai-shek.

Cordially,
(Signed) James L. McConaughy President, United China Relief, Inc.

**Amazes Instructors
With Decoding Speed**

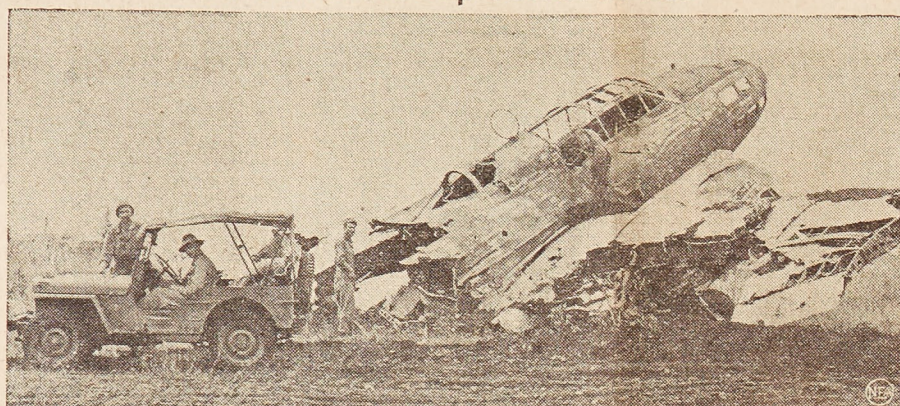

MADISON, Wis. (UP)—The exceptional code taking ability of Pfc. Frank J. Elliott, former broadcasting engineer from Atlanta, Ga., amazed instructors at the Army Air Forces Technical school at Trux Field, Madison.

The first day Elliott entered a code class, his instructor inquired why he was not participating in the work. The modest operator said his speed was "slightly above" the work the students were doing, 20 words a minute.

Officers tested him. At 30, 40, 60 and 65-word speeds Elliott took code calmly, conversing with instructors part of the time. The machine sending code was pushed to 72, its top speed. At this point, with Elliott still typing messages accurately, the machine began to smoke.

While personal taxes have increased from about \$3 billion in 1940 to an estimated \$16 billion in 1943, total income payments to individuals increased during the same period from \$76 billion to at least \$140 billion.

Monument to Jap Defeat at Lae

Symbol of shattered Jap resistance at Lae, New Guinea, is this crumpled wreckage of an enemy bomber being inspected by a jeep-load of American and Australian fighters at the airfield there.

Phelps War Purchases Swell Far Over Goal

As more complete returns are made available on the September bond drive which closed Saturday it becomes increasingly apparent that Phelps county went "over the top" in fine manner.

With figures from the Rolla State Bank and the Rolla post office now tallied, it is estimated that Phelps county folks purchased at least \$345,574 in bonds, or \$22,574 over the quota of \$323,000.

From now on until Nov. 31, purchases of \$130,600 in all bonds must be made if Phelps county gets credit for buying the three much-needed C3 Ambulance planes.

Up to now, this drive is credited with nothing but the "E" bonds bought by individuals during the September drive. Therefore, on the \$323,000 total needed, Phelps county now has credit for \$199,400 in "E" bond purchases.

So, here's a grand continuing opportunity to help our wounded fighters at the fronts.

Hostess Corps Picnic To Be Next Sunday

Approximately forty members of the Rolla Hostess Corps met in regular session at the USO Club Monday evening. Miss Emily Crutts, president of the organization, presided. The group adopted a set of by-laws prepared by a committee composed of Nadine Peters, Virginia Plank, Wilma Loughridge, and Rose Lee Marling.

Plans were made for a Halloween Party. The committee in charge of the arrangements for the party includes Virginia Pewitt, Babe Loughridge, Gladys Husky, Billie Bartle, Lorraine Lippis, Faye Loughridge, Dickie Moore, Gracie Dunham, Freda Summers, Virginia Plank and Pauline Marlow.

Final arrangements were made for a picnic to be held Sunday afternoon, October 10. Members must make their reservations by Wednesday morning. Gladys Husky, Faye Bell, Emily Crutts, Margaret Linville, Pauline Smith, Georgia Smith, and Mary Weakly will be in charge of plans for the picnic. To take advantage of the lovely fall weather, the picnic party will leave the USO Club at three o'clock Sunday afternoon. The committee urged that the members make their reservations promptly.

The Hostess Corps will meet again on November 1, at 7:30 p. m. The meeting adjourned.

WAR BULLETINS

SOVIETS BREAKING COUNTER-ATTACKS.

MOSCOW, Oct. 5.—(UP)—Soviet mechanized forces broke stubborn enemy counter-attacks and expanded their bridgeheads on the Pronya rivers west bank 25 miles east of key White Russian stronghold of Mogilev today, but the three-month Russian summer offensive appeared to be nearing an end. Only limited gains had been reported from the White Russian front during the past 24 hours, and farther south the Soviets apparently had halted temporarily at the Nazi Dnieper defense line to mass strength for a new push.

Another 1,000 Tons of Bombs Fall on Frankfurt

LONDON, Oct. 5.—(UP)—British four-engined bombers, rounding out 100 hours of the heaviest aerial offensive of the war, sent another 1,000 tons of bombs crashing down on Frankfurt last night while the German arsenal city still blazed from an American raid only 12 hours earlier.

Other British night bombers struck simultaneously at the inland port and war production center of Ludwigshafen and northwest Germany to boost the tonnage of Anglo-American bombs dropped on the Reich in 10 major raids in the past four days to perhaps 7,000, by far the heaviest weight of explosives ever unloaded in a similar period.

A force made up entirely of four-engined Lancasters raided Ludwigshafen, dropping upwards of 500 tons, while twin-engined Mosquitoes scattered bombs over northwest Germany. Only 12 bombers were lost in all raids last night.

During yesterday's operations, which the U. S. Army described as "one of the war's most sensational series of aerial battles," Allied planes shot down 68 enemy fighters against a loss of 15 heavy bombers. Allied fighter losses, if any, were not announced.

Large enemy fighter forces dogged the Flying Fortress formations which struck at Frankfurt and simultaneously at an enemy airfield at St. Dizier, France, while Liberator bombers which carried out diversionary operations over the North Sea were attacked repeatedly by Focke Wulfs.

Over St. Dizier, Fortress gunners encountered fighters equipped with rocket catapults, while the fighters which attacked the Liberators over the North Sea dove repeatedly through the formation, one ramming head-on into a Liberator, and both planes crashing into the sea.

Fortress and Liberator gunners accounted for 56 enemy planes and Thunderbolts, escorting the bombers almost into the Rhine-land in their deepest penetration yet of enemy territory, knocked down 19 more.

RAF Typhoons, attacking enemy shipping along the Dutch coast and locomotives, barges and other targets in France, shot down three additional enemy fighters. The air ministry said five RAF aircraft were missing.

WAR BULLETINS

NEW AMERICAN GAINS IN ITALY.

ALLIED HEADQUARTERS IN ALGIERS, Oct. 5.—(UP)—Four to five German divisions—perhaps 60,000 to 75,000 men—stiffened their resistance on the Italian front today after new American gains of six to eight miles and the first Allied air attack on occupied Greece from newly won bases in Italy. An official announcement of the mounting German opposition followed the disclosure that United States troops slicing into the Nazi flank above Naples had captured the Montecario road junction and Northwest African Air Forces had intensified their part in the expanded Mediterranean campaign.

Sports Corner

Rolla Baseball Fans Warm Up to World Series, With Cards Favored

**FACTS AND FIGURES
ON WORLD SERIES**

Opponents—New York Yankees, American League, vs. St. Louis Cardinals, National League. Winner—First team to win four games.

Latest odds: First game, Yankees favored 5 to 7½; Cardinals, 8½ to 5. Series, Yankees, 5 to 6½; Cardinals, 7½ to 5.

Schedule: Today, Wednesday and Thursday at New York; Sunday, Monday, Tuesday and Thursday at St. Louis. In case of postponement order of games will be maintained with dates adjusted accordingly.

First game pitchers: Max Lanier (15-7) for Cards; Spud Chandler (20-4) for Yankees.

Probable attendance, first game: 70,000.

Time of games—New York games at 12:30; St. Louis games at 1:30 (Rolla time).

Last year's result: Yankees won first game; Cardinal next four.

Broadcast: Mutual Broadcasting System. (KWK in St. Louis).

United Charity Drive Is Under Way in Rolla

The "advance guard" of the United War Charities drive is at work here now.

The "special gifts" committee is visiting downtown firms and individuals.

A county-wide organization is being perfected by R. B. Murry, chairman, and his central committee, to be announced soon. Everyone will be expected (and will want to contribute) to aid this drive.

All Charities United

It is a united campaign, soliciting for all worthy war charities—all in one process. It includes the USO, the United China Relief and some 20 other war efforts of proven worth.

Mrs. Guy W. Cornwell, chairman for Rolla of the United China Relief phase of the drive, calls attention to the 32nd anniversary celebration of the founding of the Chinese republic, to be observed Oct. 9, with a broadcast at 9:15 p. m.

U. S. war expenditures for the fiscal year 1943 were 11 times as much as those for 1941.

Ohio State Whips Missouri, 27 to 6

Ernie Parks, fleet Ohio back, scores his third touchdown on a 63-yard run against Missouri. The game was played at Columbus, O., and Ohio State won with a score of 27 to 6. (NEA TELEPHOTO.)

Lanier Fails To Subdue N. Y. Batters

NEW YORK, Oct. 5.—(UP)—The New York Yankees, showing some of the old-time batting power, won the first game of the war-time World Series here today, defeating the St. Louis Cardinals 4 to 2.

The Yanks solved the left-handed offerings of Max Lanier while their own star moundsman, "Spud" Chandler, held the obstreperous Cardinals in check.

The game was played before 68,676 fans who paid \$265,980 for the privilege.

Cards Score First
The Cards tallied first in the second inning when Walker scored on Marion's two-bagger, and held that lead until the fourth inning.

The Yanks turned on the power in their half of the fourth, Crosetti scoring as Keller hit into a flashy double play. Then Joe Gordon parked a homer over the 402-foot marker, giving the Yanks a 2-to-1 lead.

The game took on the sensational flavor with the Cards at bat in the first half of the fifth. Sanders singled, worked his way to third base on outs by Litwiler and Marion, where everyone thought he would stay, especially when Chandler worked the count to nothing and-two on Max Lanier, a weak-hitting pitcher. But Max fooled 'em and hit sharply to left, scoring Sanders and knotting the score, 2-and-2.

Fluke Wild Pitch Costly

The Yanks capitalized on a fluke wild pitch to ice the game in their half of the sixth. Crosetti was on first base when Kuroski couldn't handle his hot grounder. Johnson hit through second but Crosetti was held on second. Kelled fled out. Then Lanier, after working two strikes on Joe Gordon, threw a low one which bounced off Cooper's glove, bounding high into the air. It went so high that Crosetti scored from second before it came down. Gordon then struck out but Dickey singled, scoring Johnson.

Lineup for Today's Opening Game

Batting order for the first game of the world series, showing final averages:

CARDINALS	YANKEES
Klein, 2b, bats right .285	Stainback, cf, bats right .260
Walker, cf, bats left .295	Crosetti ss, bats right .233
Musial, rf, bats left .357	Johnson, 3b, bats right .279
W. Cooper, c, bats right .319	Keller, lf, bats left .270
Kuroski, 3b, bats right .287	Gordon, 2b, bats right .247
Sanders, 1b, bats left .283	Dickey, c, bats left .351
Litwiler, lf, bats right .272	Etten, lb, bats left .271
Marion, ss, bats right .279	Lindell, rf, bats right .245
Lanier, p, throws left .15-7	Chandler, p, throws right .20-4

Umpires—Rommel (A. L.), Reardon (N. L.), Rue (A. L.), Stewart (N. L.).

giving the Yanks a 4-to-2 lead—which was enough.

The Cards threatened to tie the score in the seventh, when Marion parked a ball into the bleachers—with Sanders on base—but the blow was foul by a foot.

The second game will be played in New York tomorrow.

Rolla School Children Buy Pursuit Plane

Rolla School Children "went over the top" in their own drive for \$75,000 to purchase a pursuit plane, which they now have the privilege of naming.

The drive carried on in conjunction with the 3rd War Bond Drive this month, was carried on by the school children themselves, and bond purchasers were asked to have a certificate signed and given to a school child, that it might be included with others for the raising of this sum of money.

It was with much pride that Principal T. H. Leaver, announcing the reaching of this goal. A contest will be started soon for the students and each school will be given an opportunity to submit names. A committee to be chosen, will then select the name that seems to be best.
