## Miners Trounce Camp Robinson for 5th Straight Win

By RAY JUERGENSE

The Missouri Miners took their fifth straight football victory of this season from the 66th Division team of Camp Robinson last Saturday in a very rough battle, 27 to 14. Out weighed the prospect of a Miner win looked dim in the first quarter when the Army's left halfback Whittington loosed a long touchdown pass to his end Robustelli in the first few minutes of play. The conversion was made by Whittington but their later attack bogged down as the Miners passing began to click. The second quarter started 7 to 0 with the Army's weight more than holding and the Miners dishing it out with their quick line plays and punting. The Miners however moved down to the Army's 35 yard line on a roughness penalty and halfback Jimmy Miller took the ball over from the 35 on a long sweeping reverse lateral for the first Miner

score. The kick was made by Bob Reichelt. The Miners again pressed a blocked punt later in the second quarter and moved down to the Army's ten where Al Dick shot a quick-kick pass to Bill Crain for the second Miner Score. The conversion was made by Al Dick and the half ended with the Camp Robinson Panthers opening a futile pass attack, 14 to 7.

With the opening of the third quarter the game began to get really rough and appeared to be a contest between the overwhelming weight of the Panthers and the speed and organization of the Miners. The quarter ended in a stalemate with no score with the Army moving down to the Miner's four yard line. They failed to cash in on their opportunity and on a fumble and a bad lateral were moved back to the Miner twenty. This was the only ground threat that the Miners had to contend with throughout the entire game and they handled it perfectly. The third quarter ended with a Miner punt to the Panthers ten yard line.

The fourth quarter opened making it hot for the Army as soon as the period started with Balchunas passing the Miners down to the Panther's one foot line when Bob Reichelt took the ball over on a quarterback sneak. The kick was made by Al Dick to make the score 21 to 7. As the last quarter progressed the Army team lost all of its gained territory on roughness penalties which were quite frequent during the game. Taking advantage of these penalties and a few clicking line plays the Miners again moved deep into Army territory where after three tries from the one yard line Sherman O'Halloran took the ball over for the down on a long sweeping end run, the kick was missed by Bob Roley however.

With only a few minutes to go before the end of the game the Army began to intensify its passing and finally Silovich got away a long pass from his own forty-five yard line to the Miner end zone where Hoben of the Panthers pulled it down for the second Army score. The kick was made good by Silovich and the game ended with the score 27 to 14 and almost a fight between the two teams.

Too much credit can hardly be given the team after their win over Camp Robinson and for the fact that they were in there fighting all the way. Although heavily outweighed the line held up nicely and the game played by the backfield is in keeping with the score.

## Miners to Play Unbeaten Kansas State Teachers Sat.

The Miners journey to St. Louis Saturday to meet Kansas State Teachers in their last game of the season. Coach Hafeli's charges will attempt to add the finishing touches to a very successful season by winning their sixth straight game. The winning streak the Miners are enjoying is the longest they have experienced in several years.

Kansas State Teachers will bring to St. Louis a team that has been undefeated and untied all season. Made up entirely of Naval V-12 trainees, the Gorillas' backfield is the last year's Hardin Simmons backfield. They own victories over Warrensburg, William Jewell, and two wins over Washburn. They are rated the best team in Kansas this year and Coach Hafeli believes they will be stronger than any team the Miners have faced so far.

The Miners will be at a decided disadvantage since this game was transferred to St. Louis in that Hafeli will not be able to use his A. S. T. P. players. This will make the Miners' high-geared T-formation short-manned and will mean that most of the men will be playing sixty minute ball, providing no injuries occur.

For four seniors, Al Dick, Earl Kane, Jim Miller and Don LePere, this game will be the last in the silver and gold colors as well as being their last collegiate football game. Captain Al Dick, who is playing his fourth season, is regarded by many as one of the outstanding passers in the state. This season Al has played practically sixty minutes in every game and has scored or assisted in scoring the majority of the Miner points.

Don LePere, another sixty minute man, has performed brilliantly at center, both on defense and offense. Don very ably plugs up any holes that may result in the Miners' line, which is one of the main reasons why there have been such few gains made through the Miners' forward wall.

Earl Kane, also playing

his fourth season in a Miner uniform, is the most versatile footballer on the squad. He has filled in at almost every position on the Miner line and this year even filled the quarterback role on several occasions.

Jim Miller, the Miners' flashy right halfback, is probably the most consistent ground gainer on the team. Although injuries plagued him early this season and kept him on the sidelines in several games, he has been outstanding in the current winning streak and has reeled off many successive long runs to set up the Miners' scoring punch.

This game will be played at Walsh Stadium 3:30 Saturday afternoon and it is hoped that a large crowd of students will attend the game to pay tribute to a gallant bunch of warriors, who have fought an uphill battle all the way. With the loss of most of last year's squad to the Navy there wasn't much expected from the small squad Coach Hafeli had to work with this year, but contrary to all predictions he has whipped these Miners into a hard-fighting, scrappy eleven to give MSM its best season in years.

# Rolling Along With ROLLA

Observations - -

By  
EDWARD W. SOWERS

STEPHEN is one year old today.

OUR SON awakened about 7 o'clock (that's before sunup, war time) on this important day. An important day, that is, to us who herewith experience the joy of having a son one-year old.

HIS FIRST BIRTHDAY is one of those red-letter days in our family life. Those of our readers who have children will appreciate the importance of this day (to us), and those who do not will think us much too sentimental, perhaps.

ONE PRIVILEGE among the many enjoyed by parents is that of talking or writing about our children, appraising them to each other. This privilege is often overtaxed, perhaps but certainly not on their birthdays—especially FIRST birthdays. So on this day Stephen encouraged these sentiments with his early morning smile at us as he stood up in his crib, demanding breakfast.

HIS PLAY PEN would hardly restrain him this morning, as he bobbed up and down, holding on precariously to the top bar. Stephen is just learning to walk, still requiring our hand as he waddles along. But he makes up for it as he creeps, fairly scotching across the floor. Today he has the "run of the house" and is making the most of it!

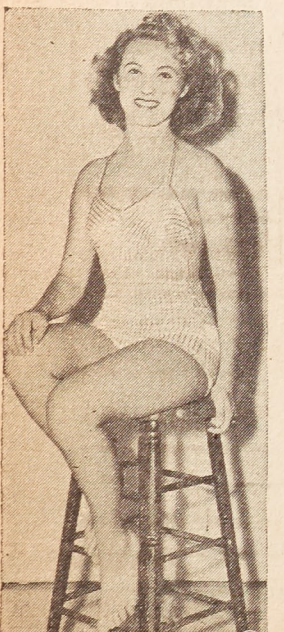

MOTHER baked him a cake and at noon we sat him up close to it. We gave him his gifts and took moving pictures of the scene. He "performed" wonderfully, chattering baby-talk delight with the simple wooden things made under war restrictions. His blue eyes sparkled as he surveyed the "wonders" about him. We are thankful that he doesn't realize the ersatz composition of his toys, keeping the war far from him.

HIS CHUBBY FINGER poised above the cake, then "plunk" it went deep into the white frosting. He pulled it out and smacked his lips over a small bit of it, gleefully smearing the remainder over his face. He fussed a little when it came time to wash his face, but was soon happy again—as any 23-pound, one-year-old boy with six teeth should be.

THIS YEAR has seemed so short. Even war-time problems and tasks, which beset us on the home as well as the fighting fronts, fail to drag the time along. For a little son, just a few months ago nothing but a mere bundle of tiny life, makes the home tempo constant. And as he grows—all too fast—that tempo increases. Only yesterday Stephen was such an infant. And today he is really quite a boy. Tomorrow? What will it bring for Stephen and all the children of the world? In that question we are all vitally interested! Especially today, when Stephen is one year old.

The chief dental officer of the selective service system says a dentist jumps with the paratrooper. And when care is needed the paratrooper jumps with the dentist.

## Rolla Council Of PTA Unit Meets Today

Rolla Council of Parent-Teachers Association, organized here this fall by the district president, Mrs. Floyd Larson, will meet today.

The voting body of the Council, consists of the officers and the presidents, and three delegates from each member unit, and as ex-officio members the Superintendent and Principal of each school.

The officers of this Council are elected for a term of two years. The Council officers: President—Mrs. Hubert Gibson. Secretary—Mrs. W. D. Sally. Treasurer—Mrs. Ralph Grimm. 1st Vice President—Mrs. Eric Schuman, Publicity Chairman.

2nd Vice President—Mrs. Raymond Lindsey, Health Chairman. 3rd Vice President—Mrs. Burl Grubb, Program Chairman. 4th Vice President—Mrs. C. L. Crawford, Finance Chairman.

5th Vice President—Mrs. Robert L. Jordan, Membership Chairman. 6th Vice President—Mrs. Bob Cottingham, Publication Chairman.

Presidents of the three Rolla Units are: Junior-Senior High School, Mrs. Hubert Gibson; East Elementary, Mrs. Otto Bradbury; West Elementary, Mrs. J. Stuart Johnson.

The three delegates from Junior-Senior High School P-T. A. are Rev. Frank L. Rearick, Mrs. C. R. Remington, and Rev. J. V. Carlisle.

The meeting today will be held at the High School auditorium at 3:00 o'clock. All members are urged to be present, reminds Mrs. W. D. Sally, Secretary.

## Men's Fellowship Meeting Tonight At Baptist Church

A men's "Fellowship Meeting" will be held at 7:30 o'clock this evening at the Baptist church (old building).

The pastor, the Rev. J. V. Carlisle, will speak on the theme, "Building Better Men."

An interesting program of music will precede the address, with Miss Ernestine Kilpatrick presenting vocal selections, and Jerry Carlisle son of Rev. Carlisle, offering piano numbers. Prof. C. J. Thorpe, teacher of the Men's Bible Class, will be in charge of the program.

All men and young men of the church and Sunday school, as well as visitors, and friends of the church, are cordially invited.

A fellowship hour will follow the program, with refreshments being served.

## FAUROT FIGURES IN GAME OF YEAR

NEW YORK, Nov. 15.—(UP)—Don Faurot of the Iowa pre-flight Seahawks, the latest in a long line of coaches seeking to burst the bubble of Notre Dame's invincibility, takes his perfect record team to Sound Bend next Saturday, for what looms as the football game of the year.

If Faurot succeeds he will be hailed for the coaching job of the year, if he fails he can gain solace from Fritz Crisler of Michigan, Bill Alexander of Georgia Tech, John E. (Billie) Whelchel of Navy, and Earl (Red) Blaik of Army, whose teams also were unbeaten before they were hit by the Irish hurricane.

Both pre-flight and Notre Dame never have been close to defeat in winning eight straight games each and their meeting will give college football a situation unequalled since 1935. Southern Methodist and Texas Christian with 10 victories each, met with a rose bowl bid in the offing that year and not since then have major teams with more than seven victories and no defeats met in the regular season.

Both teams preserved their records in typical fashion Saturday. Notre Dame used second half power to overwhelm Northwestern 25 to 6 in the hardest game for the Irish to date, but the finesse necessary for victory was there when it was needed. The Seahawks were in front from start to finish in their 28 to 13 victory over Camp Grant.

## Broadway Comedy Star to Visit USO Here November 17

The Salvation Army USO Club of Rolla will have as its guest Warren Lee Terry, foremost AMERICAN exponent of Gilbert and Sullivan, on the evening of Nov. 17th. Mr. Terry will present a highly original program. He fills an hour to the brim with stories of the famous collaborators, and their sparkling satires. He sings numerous songs acting the parts as he goes and adds a generous sprinkling of jokes and witticisms which keeps his audience in rounds of laughter.

Mr. Terry, who is related to the well-known Ellen Terry family of the English stage, has a rich background of experience in the theater. His repertoire of 52 roles has taken him throughout the United States and to ten European countries.

His unique Gilbert and Sullivan program is very popular with service men. This year, Mr. Terry has given more than eighty-five performances at Army and Navy USO clubs. His leisure time in New York City is devoted to work at the Stage Door Canteen, Merchant Seamen's Club and the Lamb's Service Men's Morale Corps.

## Fuel Oil Rations Will Not Be Supplemented

Present fuel oil rations will not be supplemented by special allowances this year as they were last, R. E. Heller, chairman of the Phelps county fuel oil panel announced today.

Mr. Heller warned fuel oil users to budget the supply already allotted with extreme caution so that it would carry them through the winter.

"OPA regulations will not permit issuance of supplemental rations this winter except in rare circumstances, such as illness," he said. "Distribution of ration coupons has already been made on the basis of available supplies, and we will have to keep within our present allotments."

It is interesting to read that the annual fall horse show was held in Cleveland this year. Since meat rationing, we didn't know a horse had a show.

## Receives Son's Award In Ceremony at Cuba

In an impressive ceremony at Cuba, Mo., Mrs. Yetta Kirkpatrick of Steelville, was presented the Distinguished Flying Cross and the Air Medal for her son Tech. Sgt. Louis B. Kirkpatrick, reported missing in action in April.

Mrs. Kirkpatrick was given her son's awards by Lt. Col. Roy W. Fleming, commanding officer of the Provisional Air Base Group at Scott Field, in a significant ceremony here, "for permanent records."

Mrs. Kirkpatrick's son was reported missing in action on April 6, 1943 after he had fought over American coasts, continental Europe and the Middle East. He was awarded the Distinguished Flying Cross for extraordinary achievement while serving as radio operator and gunner on a B-24 airplane on 25 bombardment missions over enemy occupied continental Europe.

The deep faith of Mrs. Kirkpatrick that her son is still alive has been strengthened by recent newspaper dispatches which reveal that members of crews of other planes forced down in hostile countries and previously reported missing are once more accounted for.

Besides Mrs. Kirkpatrick was Mrs. Harry Grant, who was presented by Col. Fleming with the Purple Heart won by her son, Yeoman Third Class, Lawrence E. Grant, killed in action on the U. S. S. San Francisco, and Mrs. Harry Hudson, mother of Seaman First Class Hale Kermit Hudson, lost in the same action, who was awarded the Presidential citation.

## Bulldogs Trounce Steelville 62-12

By BENNIE CLEMENTS. The Rolla Bulldogs looked good as they trounced Steelville 62-12 Friday night.

Cletus Fink led the Bulldogs in their victory with 21 points to his credit. Jack Niemiller came next with 16 points to his credit.

In the last quarter when the score was 52-8 Miss Ferguson, coach, substituted Clyde Fink (who made a fine shot) Don Parker, David Doman and Bob Hardebeck. Ted Bell acted as captain for the Bulldogs and Donahoe was captain for Steelville.

The box score reads: Rolla FG FT F Pts. Ted Bell 1 0 1 2 Cletus Fink 10 1 0 21 Burgett 6 1 0 13 Parker 0 0 0 0 Doman 0 0 0 0 Niemiller 2 0 2 16 Clyde Fink 1 0 1 2 Drake 4 0 2 8 Hardebeck 0 0 0 0 Steelville Collins 0 0 0 0 Callahan 0 0 0 0 Smith 0 0 0 0 Donahoe 4 2 1 10 Bruce 0 0 0 0 Helering 0 0 0 0 Farrar 0 0 0 0 Collman 1 0 2 2 Jones 6 0 0 0 Brand 0 0 0 0

## Additional Miner News From Page Two

## As a MINER Sees it

The news about the holidays is good. For a while there it seemed that it wouldn't come through. Thanks to the pros, etc., who made it possible.

We did all right on the football game. Those guys were big and dirty, which is a bad combination, but all's well that ends well. This means a free show no doubt? The ROTC band sure sounded like it was hard hit by the war shortage.

The ROTC boys coming back are getting into circulation since they have been roomed out. They don't have so much bed checking, which gives them a chance to get around with their old buddies.

From my vantage point I see one of the lads losing his head over the "girl on the hill." Said lad should date less and attend class more.

We had a lot of guest stars last week, just visiting. To wit: Lieut. Ken Mooney, Bud Brockman and the unforgettable Senator Brown. Friday, The fruit juice in the punch bowl was especially delectable. Everybody except Si Orloff, sky seemed to have a delightful time. Desjardins claims he can remember everything that happened???

## Rolla War Chest Fund Is Lagging Miner

The United War Chest Fund drive is lagging in Rolla, officials of the campaign reported today. R. B. Murry, general chairman, said that the rural districts are "doing fine" but admitted that the drive in Rolla is behind schedule.

Only \$5,300 of the \$12,000 goal has been obtained in the entire county, he reported. However, he said the reports from rural school pie suppers held to raise funds for the United War effort, gave cheer to the workers.

For example, Perkins school pie supper brought \$147.57 to the fund. This is the largest amount reported by a rural school.

Mrs. W. J. Boudinot is chairman of the school, which has two teachers. It is located near Highway 66 north of Newburg. A number of other rural schools have been swelling the fund.

"They are setting a good example for Rolla," Mr. Murry remarked. "Surely Rolla will come through behind this worthy fund."

## Leo Higley to Be Speaker at C of C Wednesday

Chamber of Commerce members will learn more of the "why" there should be such an organization on Wednesday, when Leo W. Higley will be guest speaker. He has chosen to explain the benefits from having a Chamber of Commerce in a town and the purpose of such an organization to the community as well as to the members.

The regular meeting will be held Wednesday at the Pennant Tavern and members are urged to attend this meeting.

NASSAU, Bahamas, Nov. 16.—(UP)—The plans of Count Alfred De Marigny to reward his pretty 19-year-old bride in a Catholic church appeared uncertain today and a close friend of the French nobleman said it was doubtful if the couple will go through with the ceremony.

Although De Marigny postponed the ceremony yesterday on the grounds that he was "not well," he was seen driving with friends a short time later.

## "Steel, Man's Servant", Shown at ASM Meeting

The ASM Chapter of the American Society for Metals held a meeting last Thursday evening in the Auditorium. A technical film entitled "Steel, Man's Servant" issued by the United States Steel Corporation, was shown. The film, narrated by Edwin C. Hill, gave vivid descriptions of the manufacture of steel from mining of the ore to various finished products.

After the film, the Metallurgists retired to the Fire Assaying Lab to enjoy pies and coffee.
