Varsity Orchestra Debut Thursday

The M. S. M. Varsity Orchestra, under the able direction of Ellerman and Theerman, will make their debut this coming Thursday evening at the Pennant Tavern for a Lion's Club dance. The band is made up of nine well balanced pieces, which include two trumpets, two saxophones, two double on sax and clarinet, a trombone, piano, and drums.

The music used by the orchestra will be for the most part, director Ellerman reports, the very latest. The organization has had to hold up its debut several months waiting for new arrangements. Due to some misfortune most of the stock arrangements they had on hand disappeared, making it necessary to buy mostly all new music.

Feature soloists of the band will be Bill Faulkner, solo trumpet. Bill is studying music under Huber of St. Louis. Faulkner has won a reputation for his ability to ad lib solos, and for his smooth but spirited tone quality. Another of their outstanding musicians is their drummer, Verne Johnson of Cuba, Mo., who has been almost permanent figure in the orchestra for quite some time back. Verne will be unable to be with the band this Thursday night, however, so Freddy Hawthorne will sit in as drummer.

Because of the lack of tryouts on the campus for the band, it has been necessary for the Varsity Orchestra to borrow two players from Rolla high school. One of them is Dick Tankersley, solo clarinetist and saxophone player, who has played with the Varsity before, and the other is Lavel Armsby, trombone player.

The lineup of men for this Thursday night is as follows: Ellerman, piano; Theerman, solo saxophone and clarinet; McGee, tenor sax; Pickett, alto sax; Faulkner and Kohrs, trumpet; Armsby, trombone, and Hawthorne, drummer.

The public can be looking forward to seeing the orchestra at such places as the St. Pat's Homecoming dance, Kappa Sigma dance November 9th, and the U. S. O. on Wednesdays and Saturdays on and off throughout the year.

Directors Ellerman and Theer-

(Cont. from Page 3)

Cox Elected Glee Club President

At the annual business meeting of the Missouri School of Mines Glee Club on September 27, 1945, the following officers were elected for the current school year:

President John Cox
Vice-Pres. Paul Gebhardt
Sec'y.-Treas. Everett Holcomb, Jr.
Librarian W. Tappmeyer

As in the past, the officers and members cordially invite all male students who may be interested to attend the meetings of the glee club every Thursday evening from 7:00 to 8:30 in the auditorium. The increased enrollment enables the Glee Club to successfully build around the excellent neucleus which has carried on during the semesters of low enrollment. The voices are at present in fairly good balance, but several new tenor voices would be welcomed.

The Missouri School of Mines Glee Club are now practicing several light classics to be presented at a number of public appearances during the year.

WESLEY FOUNDATION HOLDS INITIAL INITIATION

Wednesday evening after football practice, nineteen students were formally initiated into the new campus organization, The Wesley Foundation. The ceremony took place at the Methodist Church. The organization's purpose is to create a christian organization which will bring more students together in good fellowship and create higher standards of ideals on and off the campus.

The charter members of the organization are: Harold Moe, Larry Bahn, Richard Wiese, Jaunita Steiner, Carney Fesler, Sherman Dempsey, Pay Pickett, Frank Kerr, Lester Miller, Elwood Buterbaugh, Bill Break, Oliver Kortjohn, Dean Daniels, Leroy Gillham, Jack Rother, Bill Bishop, Bill Menamin, Dick Detweiler, and Don Eason. Rev. Ralph Hicks, pastor of the Methodist Church, is the Foundation advisor.

All students interested are invited to attend the meetings held on the second and fourth Wednesdays of each month. The meeting place is the Methodist Church; the time is 8 p. m.

Miners Defeated 32-0 By Heavily Favored Billikens

Last Friday the Miners met their heaviest opposition of the season at Walsh Stadium in St. Louis, St. Louis University. The Miners showed the Billikens that they weren't the pushover they were thought to be. Statistics showed the Bills would beat the fighting Miners by an overwhelming score, but the Miners held the heavy experienced team to 32 points, although they did not score themselves.

Statistics showed the Miners made 6 first downs to the Bills 13. The Miners completed 4 of their 11 attempted passes to 6 of 22 attempted by the Bills. A total of 76½ yards in 8 penalties was made by the Bills to only 10 yards with 2 penalties by the Miners through "air careful hard fighting. The Miners intercepted 3 passes made by the Bills while they intercepted only 2 Miner passes. Out of 8 punts the home team made, they averaged 32 yards, while the Bills made 5 punts to average 39.6 yards. Due to the Miners out-weighted line, the Miners only made 77 yards by rushing, to the 266 by the Bills.

Our team fought a hard battle all during the game. To start off the game, the Miners ran off a first down when Jack Nomi carried the ball for a first and ten. Then a misplaced pass put the ball in the hands of the Bills. Another play put St. Louis on our 22 yard line. Three more downs of the four put St. Louis over for a touchdown. The heavy St. Louis line held the Miners out just long enough for a conversion. Later a pass thrown by Dopp was stolen by St. Louis on the Miners' 18. A 15 yard penalty was then called on the Bills for holding. The Bills' 2 passes failed and a third was an electee run of 33 yards for another 6, along with a good conversion.

In the second quarter, Hequembourg, the gaining and tackling Miner asset for the game, made a beautiful run, but fumbled when hit by 3 Bills on their 24 yard line, the best threat by the Miners.

In the third quarter, the hard fighting Miners outplayed the

heavier Bills and held them scoreless. In this period, Syl Pagano, after playing a wonderful game at guard, had a bad piece of luck when he was injured in a play and put out of action. Syl suffered a torn cartilage in his knee and was taken to the hospital after the game. It was in this quarter when the Miners showed their true fighting spirit more than ever. They crashed St. Louis' line and held this on their losses. Marty Leonard showed the Bills he could kick by holding them at Bay with his long punts into the Bills' territory, thrown them for losses.

In the last period, the Miners gusted up St. Louis' plays, but failed to score after their close threats.

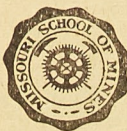

The game showed that the young Miner team is gaining experience and co-operation. They are showing positive improvement in their playing and have a promising future. The light fighting line and backfield moved past midfield four times threatening the Bills goal. The whole team deserves a hearty cheer for their hard playing and unflinching attitude in spirit for the school. They fought their hearts out to show they are not to be just pushed around as the underdog.

The band needs praise for their support for the team and the well conducted exhibition at the half.

The games line-ups were:

M. S. M.	St. Louis U.
Rother	L. E. Weisner
Fesler	F. T. Mosher
Pagano	L. G. Grosse
Mathews	C. Terry
Dempsey	R. G. Radison
Hackman	R. T. Young

As a MINER Sees it

Well, all you gossip-hungry creatures, gather 'round and dig your claws into this week's column.

I've been told that a slightly beered up group staged quite a healthy little necking party out at the almost traditional "Pennant" the Sunday P. M. before last. It came to me too late for last week's strip, but better late than never. Or is it? 'Tis said 'was a lively affair, with no holds barred. After the exhibition there the assemblage moved on and wound up the evening's festivities at the Snake House. It might hurt if I mentioned the names of those involved, so here goes: June "Bones" Ritzman and Quentin Kuse (who has been sought constantly by Miss Ritzman of late), Betty Johnson and Vel Turner ("The Unmentionable"), and John Grevillius and a brunette whose face I couldn't see as she was incessantly either kissing John or getting ready to. "V. D. Gillham accompanied them to liven up the evening—as if they needed it. Their heat made the Freshman bonfire look like a dead clinker (meaning they made ashes of themselves?). One of them, Turner, who got off to a bad start here in Rolla, is reported to be on the beer wagon and an altogether reformed character, or is that the word to use? Confidentially though, is it true, Don Mathews, that you are married, and possibly a prospective. Of course it can't be, but people will talk, won't they?

The weekend in St. Louis was interesting, to say the least. We lost the game, but our boys really put up a fight. And I wonder whatever happened to those 121 points we were supposed to lose by.

The drunken Kappa Sigs, beer bottles and pints in hand as usual, showed up at the game en masse and proceeded to let everyone know they were there. (Firing of our own cheerleaders' incapacities, "Pretty Boy" Dasso and some soldier named but Bud or Charlie or something jumped out of the stands and led their own cheers. When Dasso gave up our cheer leaders decided the only thing to do was to keep them cheering, so they yelled continually for the last part of the game. Well, I've got to hand it to you Kappa Sigs, you did as much (if not more) cheering than all the rest of the crowd, and that's what we need.

Boner of the week: Jack Mas-

terson, in a drunken stupor, stumbled into the women's 'john' at the stadium after the game, and some gal had to drag him out. Sue, where were you?

After the game the Miners dispersed throughout the town, taking Candlelight, The Snack Bar, The Kingsway Hotel, The Club Plantation, The Chase, and several other so-called night clubs. Rigo Saenz, the Kappa Sig Simon Legree, was making merry (known to her friends as "Windy") out at the Candlelight House, and Buterbaugh, the Lambda Chi ditto, was holding his own and part of his date's, at the same oasis. The Sigma Nus couldn't be held down though, and a bunch of them went out wolfing all evening. I suppose they had a howling good time.

After spending the day recuperating, the Miners started anew Saturday night. Sigma Nu had a little party out at the Black Forest, and Lambda Chi threw a hayride followed by an old fashioned beer and weiner roast—the weiners were roasted, not the beer.

Interesting item: A certain Freshie, whose moniker I won't mention, has persuaded one of our Rolla girls to write his themes for him. How does he do it? I admit she picks intriguing subjects: one of the first was entitled, The Right of Man, a discussion of childbirth, no less.

Before closing for this week, I want to say that you fellows on the team did a fine job Friday night, and I hope you keep it up. If you keep plugging away the rest of the season like you did in the St. Louis game, we have a damned good chance of winning the rest of the games. I'm afraid Syl Pagano won't be out there to help us, but the rest of you boys have the intestinal fortitude (you know a four-letter word that means the same thing) to give our opponents a rough go. You too, Haf, keep 'em trying!

FRANK HEQUEMBOURG HEADS C. V. A.

At the third meeting of the Campus Veterans Association, Frank Hequembourg was unanimously elected to the office of Commander. The officers for the coming semester are: Hequembourg, Commander; Kehner, Vice Commander; Masterson, Secretary; Secy-Treas.; Matthews, Sgt.-at-Arms, and Scholl, Chaplain. The organization is planning many social activities for the coming semester. At present there are about fifty members in the organization, some of whom are professors as well as students. The organization, although new at present, is expected to become very strong in the future.

INTRAMURAL Sports

Cross Country Race

The intramural cross country race this semester will be held on November 10 between the halves of the Homecoming football game with Kirksville Teachers. Each organization is limited to three entries which must be in the entry box by Thursday, November 8, no later. Although three men from each organization can enter, only two places for any one organization will count. The course will cover approximately one mile.

Handball Tournaments

The first games of this semester's Doubles and Singles handball Tournament will be played November 5. The rules governing the games are as posted on the bulletin board in the gym. A member of the doubles team is not permitted to compete in the singles tournament. A doubles team consisting of two men and a singles team of one man. Therefore entry lists should have the names of 3 men and designating who is to play in the singles tournament. Entries for the tournaments must be in by Saturday, November 3, and no later. The procedure of the games will be by double elimination. The one schedule of games posted applies to both singles and doubles tournament with each game starting at 5:00 p. m.

Football

Last week intramural football started off with two games played Monday. The Kappa Sig's beat the Sigma Nuer's in a wild and surprising game by a score of 6-2. Both teams were holding their own when Frank Brenen was caught behind his own goal line giving Sigma Nu two points. Later in battle Brennen and Tappmeyer collided putting Tappmeyer out of the game a little worse for wear. A pass by Krath to Joe Alvarez cinched the game for Kappa Sig.

The other game played was between the Lambda Chi's and Sigma Pi's. It was a scoring game for the Lambda Chi's with Ryan in the fullback position heaving passes to Miller, Meenen, and Dameris whics gave them the game by a score 20-12.

Tuesday Theta Kap beat Sigma Pi in a close scoring duel. At the half the score was 12 to 6, Theta Kap. M. Hagen made the first six points for Sigma Pi with a run. Theta Kap's scorers were Leo Hechinger with a pass by Altman and Paul Carol who also received a pass from Altman. In the second half Theta Kap gained six more with a run by Carl Hechinger. Kessler of Sigma Pi then intercepted a lateral behind the line of scrimmage for 6 more and Bahn made the extra point. Their last rally was too late though and Theta Kap won with the scores tallying 18-13.

On the same night the Independents smashed Triangle with a 14 to 0 score. Triangles put up a good fight but were overpowered when Bob Johnk threw a long pass to Roberts who went oved for the first 6 points. Ostman made the kick for one more. In the second half Johnk let fly another touchdown pass to Ike-uyue with Ostman kicking the extra point to give them 14 points.

Wednesday a rough and tough game was played between the Lambda Chi's and Theta Kaps. The Lambda Chi's came out the victors with a score of 19-18. All three of the touchdowns were made by Les Miller on passes from Tom Ryan. The winning kick was made by Ryan. Theta Kap's 3 touchdowns were scored by Carl Hechinger, Leo Hechinger and Frank Ferreira. Both teams were putting all their fight into the game and played good football.

Thursday Lambda Chi won heir game with a 6-point forfeit score from Triangle, when the Triangle's failed to show up.

Sigma Pi and Kappa Sig played a tight game with the score ending up 7-6 for the Kappa Sig's. The only touchdown for the Kappa Sigs was a completed pass made by Alvarez and received by Krath who ran for the 6 points. Alvarez kicked the extra point to win. The 6 points made for Sigma Pi's was made by Becket, a Sigma Pi who is returning to school. According to the Intramural Football Rules the game was void because Becket had not attended school long enough this semester but since Sigma Pi lost it made no difference.

VARSITY ORCHESTRA

man wish to extend a welcome to anyone wishing to try out for membership. Practices are held on Monday and Wednesday evenings whenever it is possible.

FOOTBALL PERSONALITIES

Harold Moe, Junior, Civil

Harold Moe started to school at Missouri School of Mines in the fall of 1942. After four semesters he left school to spend a year and a half in the Merchant Marines. A center on this year's team, Moe weighs 150 lb and is 5' 10" tall. Harold's home is in Honolulu, T. H.

Football Personalities (Continued from Page 3)

Marty Leonard, Sophomore

Leonard, one of the fullbacks, lives in St. Louis. He attended McBride High School from 1938 to '42. Marty is twenty years old, 6' 1" tall, and weighs 160 lb. He is a member of the Theta Kappa Phi Fraternity.

Dick Detweiler, Freshman

Dick didn't play football at his high school, which is Roosevelt in St. Louis. On our team he is guard. Seventeen, Detweiler is 5' 8" tall and weighs 165 lb. He's a hard worker on the squad. In high school he was on the track team.

Joe Hepp, Freshman

A letterman on his high school team, Joe Hepp has had three years of football experience. His home town is Logansport, Ind. Joe spent three years in the Army, and fought for a time in Italy. Hepp is 5' 9" and weighs

165 lb. He is a guard on the team.

Don Montgomery, Freshman

Don attended Ben Blewett High School in St. Louis. He did not go out for high school football, but on our team he is a guard. Montgomery is eighteen, 5' 8" and weighs 135 lb.

ST. PAT'S

This is just a brief article to acquaint the students with the customs and traditions of the big Miner holiday. Since the St. Pat's board has been revived and since there are only a few fellows in school who have ever seen a real St. Pat's weekend, it seems a good time to get to know what this weekend means.

Practically every letter that comes in from an alumnus refers to a big St. Pat's celebration in 1947. It surely must be good to stir up that kind of interest. I've even heard of fellows who traveled from the Atlantic coast just so they wouldn't miss that weekend.

Here are a few things that may give you an idea about the dance, and the board that plans it.

The St. Pat's board was formed in 1932 with the sole purpose of planning the St. Pat's dance. It is set up as a strictly non-profit organization. The St. Pat's celebration itself dates back to God knows where. It just seems to have been here as long as the school has.

Since 1932 the weekend of St. Pat's has meant a three-day holiday. Starting Thursday at noon, the celebrating lasts until Sunday and it takes a good man to make it through the weekend.

Every fraternity on the campus has a dance Thursday night to get the party off to a rousing start. After his ice-breaker, the celebrating starts on a school-wide scale.

St. Pat (usually the worst drunkard in the senior class) comes majestically into town on a railroad handcar and is promptly deposited at Frisco depot. From there he is brought with all pomp and glory on a manure spreader down to Pine street, and then on to Parker Hall followed by a gathering of loyal followers that overrun the auditorium. The

seniors are then knighted into the order of St. Patrick with such charges being read against them as St. Pat sees fit. These may be anything, and usually are.

Every freshman carries a shellie that is anything from a broom stick to a large tree. The only requirement is that he be able to drag it around all weekend.

Friday night a masquerade ball is given at the gym by the St. Pat's board. By this time an ordinary man would be ready to quit for a month, but a Miner is no ordinary man.

About this time a green sheet makes its appearance on the streets of Rolla followed immediately by bloodhounds trying to find the guilty party. If you have never seen a green sheet ask some upperclassman about them.

The official ending of the celebration comes on Saturday night when a formal ball is held at the gym. The St. Pat's queen is crowned to reign for another year.

This doesn't end it, for the St. Pat's board immediately begins plans on next year's celebration.

The weekend costs the St. Pat's Board about \$2500. This they get from admissions to dances, etc.

Their only reward for a year of hard work are sweaters which you will see appear around the campus in April.

That doesn't cover St. Pat's hardly at all, but it will give you something to plan for.

OFF THE CAMPUS

SIGMA PI FRATERNITY

The Alpha Iota Chapter of Sigma Pi Fraternity is planning to hold a dance, "The Plowboy Prom," on Saturday evening, October 27, 1945 from 7 P. M. on. The place for the dance will be in the Knights of Pythias Hall which is located over the Rolla Bakery. It will be a good, old fashioned Barn Dance, so come dressed in old clothes. It will be a bang-up affair and all Miners with dates are cordially invited to attend.
