ERRATA

The following are corrections to be made in the paper entitled "Offshore Caissons on Porous Saturated Soil," by Gazetas and Petrakis, which appeared in Vol. I, pages 381-386.

1. On page 386, in Fig. 3, the insert should read:

$$\text{---} C_w = 1.0 \times 10^{-3}$$

$$\text{-----} C_w = 4.9 \times 10^{-7}$$

rather than the other way around.

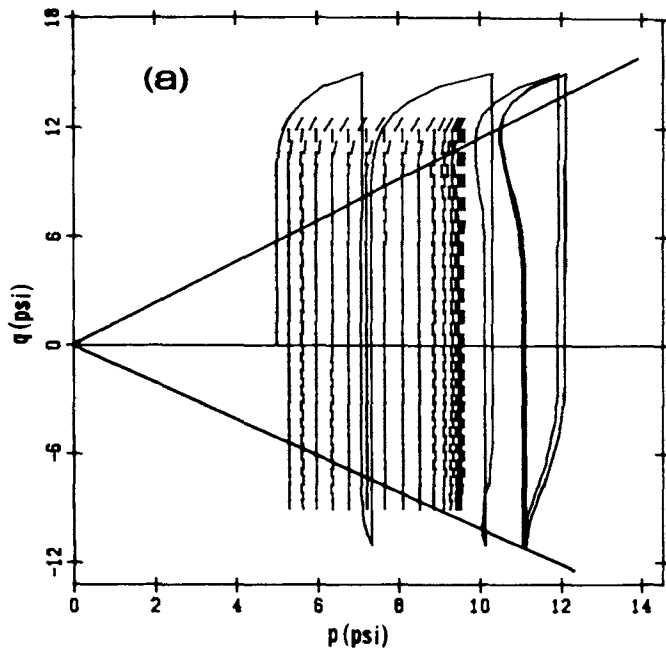

2. On page 384, in equation 13b, the term in b should read:

$$b(\dot{u}_i - \dot{U}_i)$$

3. On page 384, equation 21b should read:

$$\phi_2 = \{A_2 \exp(-ih_2 m_2 x_3) + B_2 \exp(ih_2 m_2 x_3)\} * \exp[i(\omega t - h_2 l_2 x_1)]$$

The attached print should replace the one in Fig. 5a of the paper entitled "Cyclic Loading Response of Cohesive Soils Using a Bounding Surface Plasticity Model," by Dafalias, Herrmann, and Anandrajah, Vol. I, p. 143.

Some Chinese authors' names were misprinted in the Table of Contents of Vol. 1. Corrections are as follows:

Session 1A--H. Wen-yao should be Hu Wen-yao
Z. Rui-jeng should be Zhu Rui-geng

Session 2--W. Zhong-qi should be Wang Zhong-qi

The following corrections are for the paper entitled "Dynamic Properties of Embankment Dams," by M. Oner and M. Erdik, Vol. I p. 475.

Eq. (5) should read:

$$T = 4.7 H^{0.75} / \sqrt{\frac{AF}{\rho} \sqrt{(1+2K)\gamma' p_a}}$$

Eq. (6) should read:

$$T = 4.7 H^{0.75} / \sqrt{\frac{AF}{\rho} \left[1 + \frac{4}{(L/H)^2} \right] \sqrt{(1+2K)\gamma' p_a}}$$
