St. Pat Leaves Weekend Memories

Susan Price Crowned At Annual St. Pat's Ball

St. Pat's Weekend was highlighted by one of the most elegant and impressive coronations in many years. Music was provided by the Ernie Fields Orchestra and many of the school's dignitaries were present at the impressive ceremony which was held at the National Guard Armory.

Susan K. Price, escorted by John Owens, was chosen as St. Pat's Queen of Love and Beauty. Susan represented Lambda Chi Alpha and is from Jefferson City. She is a graduating senior in Education at the University of Missouri at Columbia where she is a member of Kappa Alpha Theta Sorority. Susan is presently student teaching in Columbia, and after graduation this June she hopes to teach the 6th grade in Kansas City.

First runner-up was Claudine McVay, escorted by Larry Carpenter, a junior member of the St. Pat's Board. Claudine represented Sigma Nu and is from Springfield, Missouri, where she is a junior at St. John's School of Nursing. Claudine is a member of the Missouri State Nurses Association and the Student Government.

Karen Lee Younger of Kappa Alpha was chosen second runner-up at the ball. Karen is a resident of Webster Groves and is a senior at Southeast Missouri State College where she is majoring in French and English. Karen is a member of Alpha Delta Pi Sorority where she has served as Reporter-Historian and Activities and Honors Chairman.

T. PAT CROWNS HIS QUEEN

Bill Castle crowns Miss Susan Price as the 1967 Queen of Love and Beauty.

Phi Kaps Capture Punch Bowl PiKA, Kappa Sig Close Behind

A highlight of this year's St. Pat's celebration was the parade thru downtown Rolla on Saturday morning. This year, as every year, the floats constructed by campus organizations were recognized for the large part they play in the parade by various awards.

Fifty-Niners received an award for the beautiful Queen's float that they constructed. The Workmanship award was won by Lambda Chi Alpha's "A Tribute to Disney" while Sigma Phi Epsilon won the Originality Trophy for "Run for Your Life." A new award, the Novice Award, went to Triangle for their float, "The Beverly Hillbillies." A special award of the Parade Committee was given to the Helias Drum and Bugle Corps, and International Fellowship for their contribution to the parade.

The First Place award went to Phi Kappa Theta's beautiful float, "It's a Mad, Mad, Mad

World." "Dumbo" by Pi Kappa Alpha took second place, and Kappa Sigma's "It's About Time" was third.

PHI KAPPA THETA TAKES FIRST

"It's a Mad, Mad, Mad World" took top honors in the 1967 St. Pat's parade. The float cost over \$500 to build.

Inauguration of Dr. Weaver To Be Held on Columbia Campus

On April 18, 1967, John Carrier Weaver will be inaugurated President of the University of Missouri. All four campuses will be represented at the ceremonies which will be held on the Columbia campus.

Each campus will send two official delegates per every thousand students on its campus. These delegates will take part in the academic procession, which

will immediately precede the inauguration itself.

The schedule of events will last from 8:30 a.m. until 3:00 p.m. At 8:30, registration will be held in Jesse Hall, first floor west. This will last until 9:30.

At 9:30, the inaugural procession will start from Jesse Hall and end at Brewer Field House. This procession will include the official delegates from all four campuses, guest speakers, and Dr. Weaver. This phase of the ceremony is expected to last until 10:00.

The inaugural ceremony will begin at 10:00, and last until 12:30. Guests and delegates will witness the ceremonies which will be held in Brewer Field House.

Bernard Schweigert, president of the UMR Student Council, will deliver the salutation from the students of the University of Missouri. Also delivering salutatory messages will be representatives from the faculty and the alumni of the University, and Governor Warren Hearnes will speak for the state of Missouri.

After the inauguration, a luncheon will be held for official delegates and invited guests in the Rothwell Gymnasium. The luncheon will begin at 12:45 p.m.

A reception for all delegates and guests will be held at Memorial Union, beginning at 3:00. During this reception, a special

exhibition will be on display in Memorial Union: "Photography by President Weaver."

This is the program planned for the Inauguration of Dr. John C. Weaver as President of the University of Missouri.

Blue Key Sponsors Pen Sale at UMR For Needy Waifs

On Wednesday, April 12, the members of Blue Key National Honor Fraternity will sell specially marked ball point pens in an effort to raise funds to support a Vietnamese orphan through the Foster Parents' Plan. The pens will be sold in downtown Rolla, Hillcrest, the business areas of highway 63, and on the UMR campus. The minimum contribution in order to receive a pen will be fifty cents.

The Foster Parents' Plan is a non-profit, relief organization whose purpose is to care for orphaned and otherwise distressed children in a number of countries throughout the world. Through this plan, the child receives new clothing, blankets, medical care, school supplies and tuition. The child also receives a sum of money each month.

President of Blue Key Chosen February Man of the Month

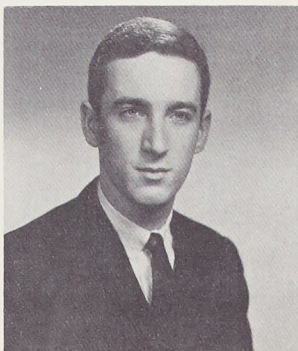

Blue Key has announced Mike Evans as its selection for February Man of the Month.

Mike, hailing from St. Joseph, Missouri, is majoring in Mechanical Engineering and has served UMR well since entering in September 1963. He was the 1966 Editor-in-Chief of the Rollamofter having served as Business Manager and Sports Editor in previous years. Other offices that he has held include Secretary, Sergeant-at-Arms and member of the Executive Council of Phi Kappa Theta; Expansion Officer of Intercollegiate Knights and the

first chairman of the Student Executive Forum.

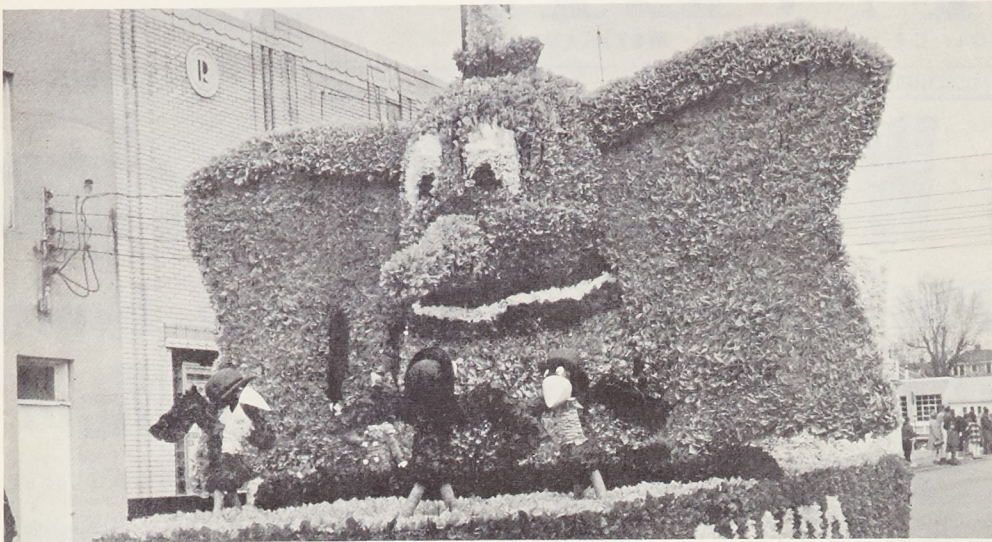

Topping his list of achievements is this semester's Presidency of Blue Key Honor Fraternity, which he has also served as Vice-President and Alumni Secretary in past semesters. Membership in the Miner Board, Pi Tau Sigma, and Newman Club complete Mike's list of activities. For these he has been selected to Who's Who Among Students in American Colleges and Universities for the past two years.

A salute to Mike Evans February Man of the Month.

MIKE EVANS

1967 St. Pat's Festivities

SECOND PLACE FLOAT —

Pi Kappa Alpha Fraternity placed second in the annual float contest with their interpretation of Dumbo. This was one of thirteen floats in the 1967 St. Pat's Parade.

ANNUAL SHILLELAGH CONTEST —

In the annual freshman shillelagh contest held at Lions Park, Phi Kappa Theta Fraternity won first place for the third year in a row. Pi Kappa Alpha Fraternity placed second.

The year — 1967. The day — March 17. You were there at the biggest and best St. Pat's celebration yet. Tourists and guests (girls) from all over the country poured into Rolla for the long awaited weekend.

Officially the celebration began Friday with the arrival of St. Pat and the never to be forgotten unusual tapping of the green beer at Moutray's. Festivities continued at the traditional drinking and shillelagh contests at Lions Park.

Highlighting Friday's activities was the Coronation Ball featuring the music of Ernie Fields and the coronation of the lovely Miss Susan Price as the Queen of Love and Beauty. The evening was greatly enjoyed by all who attended.

The annual St. Pat's Parade held Saturday morning provided the highlight of the weekend. Featured in the parade were thirteen floats as well

ST. PAT SCORES —

In the grand tradition of previous St. Pats, Bill Castle heartily kisses all the lasses along the parade route.

ST. PAT'S QUEEN AND HER COURT —

Miss Susan K. Price and her court were chosen by a vote of the UMR St. Pat's Board. The Board voted after personally interviewing each candidate.

Review at a Glance

as numerous bands and performing units.

Saturday afternoon provided an atmosphere of quiet solemnity as several representatives of fraternities and eating clubs were accepted as knights of St. Pat. The ceremony was enjoyed by all.

The well-known Astronauts provided the late afternoon entertainment Saturday by providing excellent music in the Student Union Ballroom. Their popular sounds and great beat topped off a memorable afternoon.

The climax of the day came as the final dance of the weekend. The popular artists, the Buckingham, provided the atmosphere of fun representing the whole weekend. The highlight of the evening was the announcement of the contest winners.

All and all, when the dust settled and the heads cleared everyone agreed that this St. Pat's was certainly "A Date to Remember."

Congratulations are in order for the St. Pat's Board and the entire student body.

KAPPA SIG TAKES THIRD —
"It's About Time" took third place honors this St. Pat's for Kappa Sigma Fraternity. This year's parade theme was movie and TV titles.

1967 QUEEN OF LOVE AND BEAUTY —
Lovely Queen Susan Price, representing Lambda Chi Alpha, served UMR well as its 1967 St. Pat's Queen.

SHILLELAGH A-GO-GO —
This year, the serpent problem was greatly reduced by the introduction of a new weapon. Mechanized shillelaghs proved effective this year in ridding the campus of snakes.

NIGHTS KISS THE BLARNEY STONE —
Miners to be knighted by St. Pat. kiss the blarney stone according to 60 year tradition.

Miner Editorials, Letters, and Features

Hatfield Speaks Forth

Dear Sir:

This letter is prompted by the article "Miners Prefer Popular Artists Over Cultural Entertainers" which appeared in the recent issue of *The Miner*. There has been much discussion of the issues raised by this article and Mr. Bowles of KMSM was kind enough to program a session of "The Miner Asks" in behalf of a public airing of some of these. The following is offered in the hope that both students and faculty will appreciate 'our' problem.

There is no written job-description for the chairmanship of the General Lectures committee, nor any written guide for its efforts. The programs sponsored by GLC have been in the recent past largely popular music of sorts. One might well ask, "Why is it called a committee on lectures, then?" That's a pertinent question, but I don't know all the history implied here. It seems clear that somehow there has been a miscarriage of intent. It's almost anything but lectures now. But the problem is wider than our committee, for the Student Union Board of Governors also programs lectures and music. When SUBG and GLC have overlapping goals and there is no central authority and no 'corporation paper' defining responsibilities, misunderstanding (and even conflict) is certain.

As chairman of the GLC I am uncomfortable, to say the least. I am certainly no "Commissar of Culture" at UMR. Nor is anyone else. What is culture anyway? According to the reputable American College Dictionary it is simply the "development or improvement by education or training." The GLC feels an obligation just here to provide a spectrum of various types of programs. It is not expected that every student will like every program. But college presents a unique opportunity for expanding such horizons.

Several students have argued that since it's student money, they should decide the type of entertainment (and here the emphasis frequently falls upon the type of program that can "throw the valve that will permit some steam to escape"). But it should be pointed out that there is no contract between UMR and the student when he pays the part of his fee devoted to underwriting GLC programs. The student has no jurisdiction over the rest of his fee, for that matter. He comes to UMR because it offers what he wants and is willing to pay for. The administration then assumes the responsibility of providing the kind of program which will benefit him. And this does not necessarily mean that which provides an avenue for emotional release. There are other objectives, and one of these is the matter of the development of musical taste. This does not come about by listening to only one kind of music. If you are exposed to only classical music, how can you feel the excitement of the "conversation of instruments" in a live jazz session. If you are exposed only to rock-and-roll and never hear classical (symphonic for example), and here I mean live performances in each case, how can you ever hope to develop an intelligent preference?

I think it is an error to pit folk music against classical in such a context. Folk songs have as much claim to being 'cultural' as does classical music. (I like folk songs very much — we have about a dozen records in our collection, including Western, English, African, Appalachian, and religious; both ancient and modern.) When I appeared before the Student Council (at their request) about five weeks ago I tried to make clear my position regarding the Serendipity Singers. I did not criticize their music, but I did object to the smut and immoral innuendo, etc., that interspersed their musical numbers and hence stained their program. One of the UMR professors expressed to me his embarrassment at having attended this concert with his daughter. This underscores our obligation to the public. We simply cannot and shall not condone such programs.

As I see the situation regarding extracurricular cultural opportunities and entertainment opportunities (for neither should be omitted) on our campus, we have three distinct needs. First, we need more funds. On some campuses students form their own programs, engage their own entertainers, sell their own tickets, and pocket their profit, if any. (Don't ask what happens if they 'go in the hole'.) But unless this sort of thing takes hold on its own, it remains basically administrative responsibility, I feel, to provide the additional funds. Then we need a formula for the proper distribution of these funds for the purposes given above. Finally, we need a much greater variety across the campus in what is offered.

There are many excellent programs that never see our campus simply because they are booked a year or so in advance, whereas GLC programming is hand-to-mouth, at best a few months ahead. We need new perspective here. I would like to assure the students that the GLC committee wants to see a better balance of programs on campus and will do what it can to bring it about. This is the one guide-line that was given the GLC by Chancellor Baker when I was appointed chairman of it last fall. We appreciate hearing from various student groups your preference. At the suggestion of one student we tried to get Barry Goldwater for a lecture on foreign policy, but he could not make it. Perhaps another person can. We welcome your ideas.

NOTICE!

The Missouri Constitution Exam will be given on April 5, 1967, at 4:30 p. m. in Room 105, Rolla Building.

Several copies of UNDERSTANDING THE MISSOURI CONSTITUTION, Robert F. Karsch, are on 3-day reserve in the library and will be the primary reference source. Particular emphasis will be placed on Chapters 3, 4, 5, 8, and 10.

The Missouri Constitution Exam is scheduled for the benefit of graduating Seniors who have not completed American Civ. 60 or Political Sci. 90.

Miners Have No Control Over Use of Student Fees

Dear President Johnson,

I would like to know if Rolla, Missouri is part of the United States and whether or not the U. S. Constitution is in effect here. If it is, I would like to know why the faculty and administration of UMR has not heard about it. They have decided that the Miners are ignorant and in need of culture, therefore they take our money and bring to Rolla all the second rate entertainment they can find. They call this culture. I call it disgusting and think that it violates the eighth amendment if not the ninth and tenth. Since less than 10% of the students attend these cultural performances I think that 90% of us are entitled to our money back. "Not so," say our totalitarian masters, "this is for your own good. You should learn to love what we deem culture in order to make you more complete as a man of the world. You are cooped up in a town, devoid of culture, but we will change all this — when we get finished you'll think you attended school in Boston — and we'll spend every last cent you are forced to give us to do it, too!"

Miners everywhere would thank you, sir, if you would issue a presidential decree declaring that booze and women are cultural, since this is what we really appreciate. If this is impossible, please send this letter to the Justice Department, so that they may investigate the situation here where 4000 students and their money are at the mercy of a few culture lovers. You are probably wondering why I am writing to you to see justice done here, instead of doing things the normal campus way — by riot. Believe me sir, we would like to riot and be like other normal colleges, but while the faculty preaches culture, they hand out so much Math homework that it is impossible for even a few of us to find time for several hours of rioting. Besides, the school would take away our free day, if we did riot.

Sincerely,
John Tenfelder

P.S. — We have heard what you intend to do with student deferments, so we were wondering if you couldn't adopt all the girls at Lindenwood, Stephens, and Monticello, so that we could date them, support our mothers, and stay out of the Army long enough to finish school.

Present Student Union Budget Provides Fine Culture Program

BY FRANK FIX

In any type of discussion, the only possible way to reach any real solution to the problem at hand is for each participant to enter the discussion with a clear and open mind. And yet, it has often amazed me how many people (including certain distinguished faculty members) can close their ears to all ideas presented (except their own) and continue to travel around and around in their well trodden circle, always avoiding any statement in direct conflict with their own ideas.

The discussion referred to is that of the Student Council General Lecture Series. The Student Union presents an extremely well organized and well balanced cultural program. Of the total amount of student funds appropriated for entertainment (both Student Union and Student Council) approximately 33% is applied to cultural activities. Some people, still refuse to recognize the work of the Student Union. Therefore, the following Student Union budget has been submitted so that students and faculty alike

can readily see what UMR's cultural program entails and how we presently have a very fine program offered.

Student Union Concerts ('65 - '66)

October 5, 1965	Richard Morris, concert pianist	200.00
October 26, 1965	Heritage Singers, (select choral group from UMKC) Cost only of meal prior to concert	118.05
December 2, 1965	Dr. John Swanay, Folk Singer	200.00
	(Folk music from Elizabethan Court Songs to American Folk Heritage)	
February 20, 1966	Dr. Wiktor Labunski, concert pianist	200.00
	Cancelled because of snow storm	
March 9, 1966	Chamber Opera Group (2 part program) 1. String Quartet 2. Mozart Comic Opera in one act	940.00
April 21, 1966	Jazz Workshop Group from UMKC Cost only of meal prior to concert	47.55

(Continued on Page 5)

Student Union Lectures ('65 - '66)

October 21, 1965	Brig. Gen. Thomas S. Power, Former Commander-in-Chief of Strategic Air Command	
Subject:	Design for Survival	\$1,500.00
1. The Key, Student Union Organization Guide, MSM, Student Union Budget Committee, p. 3, 1963		
2. College Unions - Fifty Facts, Association of College Unions - International, p. 3, 1963		
December 9, 1965	Tom Ewell, Humorist and Actor	
Subject:	The Many Faces of Laughter	750.00
March 31, 1966	Robert Manry, Author and Adventurer	
Subject:	Tinkerbell's Run to Glory	500.00
April 28, 1966	Dr. Nicholas Nyaradi, Director, School of International Studies, Bradley University, (Former Minister of Finance of Hungary)	
Subject:	Shall We Survive?	175.00
Note:	Through personal contact, Dr. Nyaradi was obtained at a nominal fee. Hans Conried was scheduled for April 12, date changed to April 19, 1966, then cancelled by booking agent due to illness of Conried. (Fee would have been \$1,250.00)	

Student Union Concerts ('66 - '67)

October 26, 1966	Dr. Wiktor Labunski, concert pianist	200.00
November 30, 1966	Symphonic Brass Quintet	500.00
February 8, 1967	Dr. John Swanay	200.00
March 8, 1967	Henry Morrison & Merrily Culwell	350.00
April 26, 1967	Ray Reussner, flamenco guitarist	200.00

Student Union Lectures ('66 - '67)

October 12, 1966	Roger Price, Humorist	
Subject:	Humor, from Aristopanes to Elephants	500.00
November 16, 1966	Bill Veeck, Sportsman and Writer	
Subject:	Bill Veeck Speaks Out	650.00
April 11, 1967	Major Donald Keyhoe	
Subject:	The Flying Saucers are Real	500.00

Student Union Art Exhibits

The Student Union Board also sponsors Art Exhibits in the Union each month during the Fall and Spring Semester. Some of the sources are as follows:

1. National Gallery of Art
2. General Aniline Corporation a. Matthew Brady Exhibit
3. Corning Museum of Glass
4. Boydell Shakespeare Gallery and Japanese Woodcuts (Procured through ACU-I COTA Representative from University of Kansas)
5. Travelers Insurance Co. (Currier & Ives Exhibit)
6. Eastman Kodak Co. (1966 Scholastic Photography Winners)
7. Rolla Fine Arts Association (Has exhibited several times with pictures by local artists, including some UMR students)
8. Photo Club of UMR exhibits winning photos in spring
9. Mr. Hafeli of Extension Division wants to exhibit paintings by students of Extension Art classes when sessions are over

Campus Notes

Applications for Summer Student Union Board will be available at the candy counter on April 3, 1967. Will be open until April 19. Elections for summer Board on April 20, 1967.

* * * * *

The first night of Passover will be celebrated at Seder on Monday evening, April 24th at Fort Leonard Wood. Army Chaplain (Rabbi) David Radinsky will lead the traditional services preceding the festive meal.

Passover which comes each year on the fourteenth day of the Hebrew month of Nisan is observed by Jews throughout the world to commemorate the deliverance of the Jews from ancient Egypt. Matzoh (unleavened bread) is one of the symbols of the holiday. Anyone in Rolla or vicinity interested in at-

tending this year's Seder should call 364-3964 to make reservations.

Students Resent Attitude Of Local Hotel Policy

Dear Sir:

Over St. Pat's Party Weekend I beheld a sight which indeed assured me that someone from above had sent a guardian angel to steer us through the weekend. I never in my life have had an experience with an establishment so wise and so concerned for my welfare.

This protector immediately realized its obligation to be our mother away from home. Knowing that actually men 20 years old and older have no common sense at all and need a guardian to help them along, the protector from above arranged to have all the students' dates stay at a wonderful hotel in town.

Accordingly the hotel quickly secured a group of maternal guardians — our friends the officers of the law (the term cop does not befit men of such dignity). The officers (our protectors against crime and/or evil) were indeed a service to the UMR students. At strategically planned times throughout the evening, the men would enter the girls' rooms and most adequately assure themselves that the girls were not ready to go out yet.

I mentioned in the first paragraph that the hotel was very wise. An example should be cited to verify this beyond all reasonable doubt. They allowed no incoming phone calls from the hours of 2:00 a.m. until 8:00 a.m. This was a really good idea since there is absolutely no possibility of an emergency arising during that time and hence no possible reason to use the telephone.

When one couple unfortunately moved out, the hotel quickly weighed the tragic fourteen dollar loss against the meager amount of room payments accounted for by the remaining 250 customers. After all, any engineer taking calculus knows that 250 customers certainly can't offset one customer's bill. At once precautions were taken in order to safeguard against another unaccountable loss. The hotel proceeded to impose a few restrictions upon the boys and their dates — perfectly restrictions however. Reminds me of the time England levied the Stamp Act on the colonists — it didn't go over too big!!

Indeed all the students owe a great deal of thanks to this hotel for watching over them for the entire St. Pat's weekend and also told gratitude to the officers of the law (on second thought, maybe cop would sound better) who so kindly gave up their time to keep watch over our dates. Never before has such concern been expressed for the UMR students. Possibly it never will be again!!

Sincerely,
Rick Kolaz

Individual Performances Boost Standing of ROTC Rifle Team

The UMR Rifle Team was among 70 high school and college teams which participated in the 32nd Annual Invitational Midwest Indoor Camp Perry Rifle Match held Friday through Sunday, March 3-5, at Kemper Military School and College, Boonville, Mo. The team placed fifth in the College Division of the Match with a score of 1023 out of a possible 1200. Wilford Pomeroy placed third in the prone position scores with 100 + 0 out of 100, and fourth in the individual match aggregate (prone, kneeling and standing) with a score of 275 out of a possible 300. The University also had a second team entered in the Kemper Match.

The UMR Rifle Team placed fifth in the tournament at Kemper Military School. The team, from left to right, is composed of Bob Hill, Rich Vogeler, Wilford Pomeroy, MSG William Meredith, coach, and John Perry.

Rolla Will Host Speech Contest For Local Area

The annual South Central District Speech Festival will be held March 31 and April 1 on the UMR campus.

About 200 students from 25 high schools in a 16-county area are expected to participate. Winners in some events will qualify to compete for state championships.

Contests will be held in the field of speech.

John M. Brewer, associate professor of humanities, is district manager of the Festival. The UMR Intercollegiate Knights will assist by serving as guides, as the registration desk, and as co-chairmen for events.

SAE Recognized For Outstanding Student Branch

The Society of Automotive Engineers student branch at UMR has won an outstanding student branch award for 1966. The award will be presented to student branch officers by national SAE president Ralph Isbrandt at the St. Louis section meeting on April 4. President Isbrandt, a vice president of American Motors Corp., will visit UMR on Wednesday, April 5, and speak at the student branch meeting that same evening at 7:00 p.m. in the auditorium of the Civil Engineering Building. His topic will be "360-Degree Vision," followed by a discussion period. All students and faculty are cordially invited to attend.

A field trip to Carter Carburetor Corp. in St. Louis has been planned for Tuesday, April 4 in conjunction with president Isbrandt's visit. Information about the field trip is posted on the SAE bulletin board in the M. E. Building.

The SAE student branch at UMR is the largest in the world, with a membership of over 300. In addition to its regular monthly meetings, the group sponsors events such as the annual showing of new automobiles and an automatic safety check.

Three Outstanding Student Branch Awards were presented by the SAE for 1966. The UMR student branch also received the award in 1964, and an honorable mention in 1965.

New Officers Elected By the Independents

Officers have recently been elected for the Independents at UMR.

They are as follows: President, William A. Wolf; Vice President, Tim Bodell; Secretary, Joe Pridgeon; Treasurer, Robert J. Mueller, and Sergeant at Arms, Bill Henehan.

The Independents is an organization composed of non-fraternity men and non-sorority women, and has the largest membership of an organization on the campus. Its purpose is to provide social activities and campus representation to non-fraternity students at the University.

JUNE ENGINEERING GRADUATES

A Promise is only a Promise, but a CAREER is what YOU live with

Right now, as a matriculating engineer, you are about to be romanced by some real giants of industry. The day of the athlete is giving way to that of the engineer. Listen to the tales of new R & D projects and to the beach stories about playground plant sites. Brother, you're ripe for the hook; but before you bite, listen to us.

CONDUCTRON-MISSOURI has grown to a predominant position in the commercial aircraft simulation market in less than two years, with contracts for 727, 737, DC-8 and DC-9 Jetliner Simulators. Our engineers earned their reputation by developing and manufacturing simulators for Mercury and Gemini, when we were a part of McDonnell. We're a volume hardware producer of avionics and ground support checkout equipment. We're involved in advanced communications and micro-electronic circuitry. And we've just entered the institutional field with PARAMETRON®, the most flexible bio-medical critical monitoring device yet offered to hospitals.

Conductron engineers have the benefit of working

for a "small" outfit (383 engineers and scientists) that does BIG business (our current backlog is \$33 million). Our total employment grew from 1200 to almost 2000 in 1966.

What does this mean to you? Well, first you'll be known by far more men than those in your immediate groups, and you'll rub slide rules with top men on a project from the start. Second, you'll be reviewed for promotion by men who know your capabilities firsthand, rather than top-side administrators. But most of all, you'll know you've got a job, not a position. A job that's well paid, and meaty enough for you to sink your talents into juicy projects, if you stick.

In the next three years we must double our engineering personnel. Chance for promotion? You bet! Then perhaps you'll understand why 70% of the men we think are worth inviting to come look us over decide to stay.

We're located in suburban St. Charles, Mo., just 22 miles from downtown St. Louis with all the educational, cultural and recreational benefits of city life.

We will be on campus

April 4th.

If you are about to earn a B.S. or M.S. degree in Electrical, Electronics or Mechanical Engineering, Mathematics or Physics, contact your placement office to set up an interview.

THE MISSOURI MINER

PAGE 7

Vessell and Andrew Named To MIAA All-Conference Squads

Coach Billy Key's starting guards for the University of Missouri at Rolla Miners were named to the 1966-67 MIAA All-Conference Basketball Teams, according to league commissioner Roy Brown. Five-foot-eleven junior Randy Vessell was elected to the six-man First Team, and senior Charles Andrew was picked for the Second Team.

Vessell placed fifth in scoring in the Missouri Intercollegiate Athletic Association this past season with his average of 16.8 points per game. The chemical engineering student from Farmington, Missouri, totaled 364 points for the 22-game season.

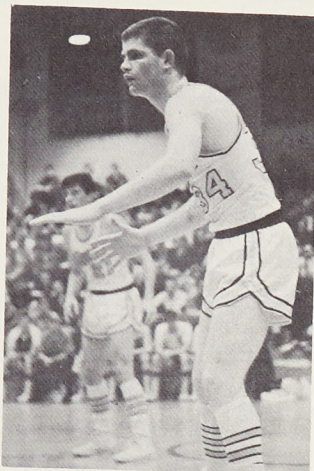

Andrew Averaged 14.3

Andrew, from St. Joseph, Missouri, averaged 14.3 points per game and scored 314 for the year. He hit .478 from the field and will be one of two men to leave the squad before next year's schedule.

Other men on the MIAA First Team include Dan Bolden (Southwest Missouri State), Calvin Pettit (Central Missouri State), Curtis Williams (Southeast Missouri State), Kermit

Meystedt (Southeast Missouri State), and Louis Shepard (Southwest Missouri State).

Commissioner Brown also announced the winner of the MIAA Basketball Sportsmanship Award.

RANDY VESSELL

This year the honor went to Dan Bolden of the Springfield Bears. Bolden established himself as a fine college player in his freshman year by acquiring 274 re-

bounds and an average of 13.6 points per game. As a senior this year, he was the second leading scorer in the conference with an average of 19 points per game. This is Bolden's third year on the All-Conference Team.

Runners-up for the Sportsmanship Award were Charles Andrew of the University of Missouri at Rolla, Dave Wells of Central Missouri State, and Michael Simon of Northwest Missouri State.

UMR VARSITY GOLF SCHEDULE - 1967

Mon., Tues, April 3, 4	NCAA Invitational Tourney	Springfield
Sat., April 8	McKendree College	Rolla
Mon., April 10	CMS, Warrensburg	Warrensburg
Sat., April 15	SMS, Springfield	Rolla
	Lincoln University	
Sat., April 22	NEMS, Kirksville	Rolla
	CMS, Warrensburg	
Thurs., April 27	Washington University	St. Louis
Sat., April 29	SEMS, Cape Girardeau	Cape Girardeau
Wed., May 3	Drury College	Rolla
Fri., May 5	Lincoln University	Jefferson City
Fri., Sat., May 12 & 13	Conference Meet	Cape Girardeau
June 12-16	NCAA Tournament	Paducah, Ky.

MEET THE MINERS

Glazier Coaches Golfers Toward Second Crown

The University of Missouri at Rolla varsity golf squad will be aiming for its second Missouri Intercollegiate Athletic Association title when the Miners meet Central Missouri State to start off the season on April 10. At the helm of the UMR linksmen is thirty-four year-old Bud Glazier, who also doubles as an assistant football coach.

Glazier, an ardent golfer himself, came to the University of Missouri at Rolla in 1964, when Athletic Director Gale Bullman revised the varsity coaching staff. Coach Glazier had previously coached Rolla High School, leading the Bulldogs to their most successful season since they joined the Central Missouri Conference in 1958.

Before coming to Rolla, Glazier coached at the Mountain View High School for five years and at Midway High in Stark City, Missouri.

A high school and college football star, Glazier played for Mountain Grove High School and for two years at Wichita University in Kansas. He played two seasons for Southwest Missouri

Colonial Lanes

To Host

Mural Bowling

Play for the 1967 UMR Intramural Bowling Tournament is scheduled for this Saturday and Sunday, April 1-2, at 1:00 p.m. Colonial Lanes will again handle the meet.

Five men will make up a team, and it is emphasized that this is a team sport. No individuals may compete in the tournament. They must be a members of one of the participating organizations.

(Continued on Page 10)

Championship Linksman In NCAA Invitational

The University of Missouri at Rolla Varsity Golf squad, defending champion of the Missouri Intercollegiate Athletic Association, will embark on the 1967 season next Monday at Springfield, Missouri. Coach Bud Glazier's linksmen will open with competition in the NCAA Invitational Tournament scheduled for April 3-4.

Five veteran lettermen return to the championship club and several promising freshmen give Glazier hopes for an even better showing than last season's 10-4 mark.

"We've got a good club coming back this year," noted the Miner mentor. "I'll probably start Fred and Larry Parks, Don Traut, and Steve Coats as my four top men. The other two positions are still up for grabs."

The two Parks brothers, Fred

and Larry, were the top men for that title team of last year, averaging 74.5 and 77.3 strokes per round, respectively. The two Rolla men and John Solook (who has since graduated) tied for third place in the MIAA Conference Tournament with identical 147 scores.

Sophomore letterman Don Traut averaged 77.4 strokes per round last year. In addition to Coats, letterman Ted Gilmore and both John Legsdin and Bob Palmer will be back this year.

Freshman Jim McCracken and senior Jack Ahrens seem to be coming along in pre-season practices. Ahrens has placed in the finals of the last three UMR intramural golf tournaments and has now decided to have a go at the varsity squad. Other newcomers include sophomore Ray Shaefer and freshmen Jim Richey and Jim Spangler.

Once the season has begun, Glazier will maintain a system of checks and balances on his squad, using a method which was proven successful last year. Under this system, the man placing sixth in each meet can be challenged by anyone on the entire squad. It is in this way that each man must work to maintain his playing position, and at any time during the season, there is always a chance for someone to break-in on the top six.

UMR's 1967 schedule lists nine encounters and it may include a tenth if the Miners repeat last season's conference sweep. Coach Glazier is considering a trip to the NCAA Regional, but he adds, "We must win the conference title to go to the NCAA Playoffs at Paducah on June 12-16." This ultimatum is self-inflicted by Glazier.

Unusually inclement spring weather has played havoc with the Miner practice schedule, but Glazier comments, "If weather will permit, we should be ready for the NCAA Invitational Meet April 3." In addition to UMR and host Southwest Missouri, teams participating in the meet are Lincoln University, Middle Tennessee State, Southwestern College of Memphis, Washington University, and William Jewell College.

Netmen Open Season With Four Returning Lettermen

By Greg Julian

Coach Ray Morgan has been readying his netmen for their 1967 debut on the 30th of March against Southwest Baptist. Among his players are four returning lettermen: Bob Whelove, a senior; Ken Link and Larry Estes, sophomores; and Danny Sabo, a junior. Two lettermen were lost, however, one due to the honor of graduation, which was Hank Montrey, and Jerry Bridges, transferred.

Five new men are also on the list of tennis players, and four of these are freshmen. Bob Brewer is the only senior and Joe Reynolds, Rick Lowe, Doug Beck and David McLeur are the freshmen.

Whelove in Tourney

A fine performance has already been displayed by Bob Whelove and Joe Reynolds as they participated in the St. Louis Tourney last fall. Coach Morgan feels that Doug Beck will shape into varsity material as he is showing good strokes and moves with his racket.

UMR VARSITY TENNIS SCHEDULE - 1967

UMR Blacks Participate in Annual MRFU Easter Ruggerfest

This past Saturday the UMR Blacks participated in the Missouri Rugby Football Union's 33rd Annual Easter Ruggerfest. The M.R.F.U. hosted eleven teams from different parts of the mid-west. Some of the teams included were Redstone, Alabama; Illinois University, Kansas University, Missouri University, and the team the UMR Blacks were matched against, Wisconsin University.

In the first half of the game the Blacks dominated the ball and were using smooth running attacks. The first score was made by Ray Behrens of the Blacks on a three yard drive. The conversion attempt by Tim Handlan after the try was good. Right before the first half ended the wing on the Wisconsin team made a spectacular 35 yard jaunt for their first try. The conversion

attempt was no good. The score stood at 5 to 3 in favor of the

UMR Rugby Squad in action.

Blacks at half time.

The second half brought on some long runs made by Tom Wehner and Charlie Jerabek which led to a second score by Behrens. The conversion attempt by Handlan was no good. The Wisconsin team made a final surge at the close of the second half but was to no avail. The final score was 8 to 3 in favor of the UMR Blacks.

This victory over Wisconsin topped off the victory of the UMR Blacks over the UMR Golds which was played on our intramural fields two weeks ago. The Blacks can be placed high in the final standings at the end of the season if they can maintain their present streak.

Carthage College Defeats Miner Baseball Club, 8-7

The Missouri Miner baseball squad raced to four runs and six hits in the first inning against Carthage College last week, but the Kenosha, Wisconsin club edged-out UMR 8-7 in the season's first game. Terry Nixon was the losing pitcher for the Miners, while Krause picked-up the win for Carthage.

The first four Miners up to bat crossed the plate, and the UMR ball club added two more runs in the fourth and a single one in the seventh. A couple of errors in the latter innings helped the Carthage cause and set the stage for their three-run eighth and two-run ninth. Leo Christopher's squad led up until that ninth, when Sadouski and Stuckey scored for Carthage.

Ron Shuey pitched three scoreless innings on the Miner mound, but was relieved by Mike Termini when trouble developed in the fourth. Termini struck-out three but gave up three runs and was replaced by Bruce Fiene in the sixth. Fiene also struck-out three and allowed the same number of runs. He was replaced by Nixon, who gave-up the final two runs of the game.

Terry Broccard led the Miners with four hits and one run. Hughes, Schrick, and Windish each had two hits and a single run to their credit.

Spring Sports Scheduled For Intramural Program

The coming of spring to the UMR campus signals the resumption of the intramural program following a couple of idle weeks for 'mural athletes. These days have been far from idle for the department staff, however, and play for three sports began yesterday, March 30. Softball, tennis doubles, and horseshoes are on tap now, while bowling and track will round out the spring schedule.

In case of postponed games due to inclement weather, all scheduled games will move back one day according to the schedule. A student may not compete in both the singles and the doubles competition.

Matches will be pitched on courts at the east end of new football stadium. Shoes will be checked out at the equipment building next to the intramural fields.

Tech Club was the team champion in horseshoes last year. Chapman of the Fifty-Niners Club was the singles champ, and the team of Oliver-Andrews took the doubles title for Sigma Phi Epsilon.

Lambda Chi Alpha will be trying for another tennis doubles crown this spring. Kappa Alpha was the runner-up in last year's tournament. Squad entry for doubles will be three men, one being an alternate. A contest will constitute a nine-game set; the first team to win nine games takes the match. No deuce sets are allowed.

Intramural points for tennis doubles will be based on one half the total intramural points for tennis. The singles tournament was played this past fall. As in horseshoes, the games will be rescheduled in case of bad weather. Matches will be played on varsity courts designated as numbers one and two.

MURAL BOWLING

(Continued From Page 9)

Team trophies will be awarded to the winner and runner-up, with medals presented to the top two men in the individual high series. ABC Rules are followed in the tournament, and the schedule will be posted on the intramural bulletin board outside the athletic building.

All scores must be turned in to Chuck Lammlein, manager of Colonial Lanes. Mr. Lammlein will be the manager of the tournament. The Intramural Department pays all team bowling fees.

NEMO Bulldogs Sweep MIAA Indoor Competition

By Lloyd J. Lazarus

On March 18th, the annual MIAA Indoor Track Meet was held at the Brewer Field House on the University of Missouri at Columbia campus. For the second straight year in a row the Bulldogs of Northeast Missouri State out ran the field.

In winning the meet, the Bulldogs amassed 67 2/3 points compared to only 57 points they scored the year before. In a similar finish to last year Central Missouri State took second with 39 1/2 points and Southeast Missouri grabbed third with 30 points. Southwest Missouri State rose to fourth place with 27 points, while Northwest Missouri State dropped to fifth place with 9 points. UMR finished sixth with 7 points.

Seven new MIAA records were set in this year's meet. Banks of NEMS set a new record in the 440 yard dash in a time of 49.6 seconds. Paul Economides also of NEMS threw the shot 54 feet, 1/2 inch, fifteen inches further than the old record in the shot put. Curtis Williams of SEMS broke the high jump record when he leaped 6 feet, 3/4 inch. Denny, another member of the NEMS

team, set a new record in the 880 yard run with a time of 1:55.6. In the 60 yard low hurdle, Davis of NEMS set a new record of 6.9 seconds. Sandy Farrar of SWMS set a new record in the pole vault when he went over the bar at 13 feet, 11 3/4 inches. The Kirksville mile relay team of Banks, Krumeich, Walker, and Davis set another record of 3:27.4.

All told the NEMS track team set five new records and totaled 5 seconds, 6 thirds, 2 fourths, and 2 fifth place finishes. Larry Schloss of SEMS took first in the mile run in 4:18.2. Pet Hager of NWMS ran 60 yards in 6.3 seconds to take first. The 60 yard high hurdles was run in 7.8 seconds by William Douglas of SWMS. Again in the two mile Larry Schloss took first in 9 minutes and 32 seconds. Mark Pittman jumped 22 feet, 11 1/4 inches in the broad jump to take the event for CMS.

UMR's seven points were won with Don Arney's third place finish in the 440 yard dash, Dave Gray's fifth place finish in the 60 yard low hurdles and the third place finish of the mile relay team.

Bears Down UMR In First Meet

Gale Bullman's Missouri Miner varsity track squad met Southwest Missouri State in the first encounter of the season, but the improved Bears walked away with the win, 75-33. The Miners took firsts in only two of eleven events: the shot put and the mile relay.

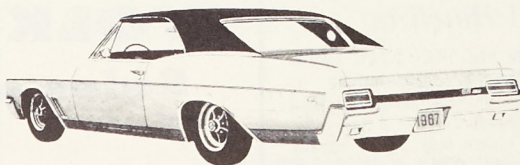

Freshman Don Pink edged out veteran Paul Woley for the shot put event. Woley holds the UMR school mark, but as SMS, Pink threw a distance of 45 feet, 9 inches. The mile relay squad of Duren, Arney, Smith, and Gray ran the course in a time of 3:53.7.

Springfield's Sims set coliseum records in the 60-yard dash with a time of 6.3 seconds and the 440-yard dash with a mark of 55.8 seconds.

The March 11 meet was the first of nine scheduled for the UMR varsity track squad.
