The views, opinions, and/or findings contained in these proceeding volumes are those of the author(s) and should not be construed as an official position, policy or decision of the University of Missouri-Rolla, Army Office of Research or NCEER (Buffalo), unless so designated by other documentation.

Volume I Pages 1 through 544
Volume II Pages 545 through 1056
Volume III Pages 1057 through 1632

Financial Co-Sponsor

Army Office of Research and
National Center For Earthquake Engineering Research, Buffalo, NY

In Cooperation With

International Society of Soil Mechanics and Foundation Engineering
International Association of Earthquake Engineering
Earthquake Engineering Research Institute
Seismological Society of America
United States Committee on Large Dams
American Society of Civil Engineers (Mid Missouri Section)
ASFE (The Association of Engineering Firms Practicing in Geoscience)
Centrifuge Committee (ISSMFE)
Association of Engineering Geologists and
Transportation Research Board
