# New buddies...

## "Bucky" and "Joe"

"Bucky", Phelps County Bank's new 24-hour automatic teller machine and "Joe Miner" have really hit it off. The Bankers Card Account provides "Joe" with 24-hour banking plus other conveniences that he hasn't had before in Rolla.

It's more than a card for cash and also provides:

- Unlimited checking and up to 400 free personalized checks per year.
- 10% discounts on all motel and hotel rooms in the U.S. plus 10% discounts on Hertz Rent-A-Car.
- Travelers cheques and money orders without issue charge.
- \$10,000 Accidental Death Insurance with additional insurance optional.

These plus other services "Joe" receives for one amount—\$4.50 per month—a real value.

"Joe" recommends all Miners stop by Phelps County Bank and get acquainted with "Bucky". You'll learn more about the Bankers Card Account...the account designed with Miners in mind!

Some say it's "Upside Down Pizza."

Try Pizza Inn's new Sicilian Topper Pizza. You might say it's "Upside Down Pizza", because we put the toppings on the crust first, then cover them with extra portions of our mozzarella cheese. No matter which topping you select, the Sicilian Topper is truly a unique taste in pizza.

## Who in the world is pickin' on KUMR?

Some real big pickers ... like Earl Scruggs, and Doc Watson, and Hot Dawg Grisman. And there's a lot of fiddlin' around with Charlie Daniels and Vassar Clements, and even Senator Robert Byrd. We also hear from the Blue Grass Alliance, try some Country Cooking, and put on the New Grass Revival. In fact, we hear from the whole country from Boone Creek to the Backwoods Band. When it comes to blue grass, we've got the pick of the crop.
