

International Conferences on Recent Advances
in Geotechnical Earthquake Engineering and
Soil Dynamics

1991 - Second International Conference on
Recent Advances in Geotechnical Earthquake
Engineering & Soil Dynamics

10 Mar 1991, 1:00 pm - 17 Mar 1991, 3:00 pm

Disclaimer

“The views, opinions, and/or findings contained in these proceeding volumes are those of the author(s) and should not be construed as an official National Science Foundation, or University of Missouri-Rolla or National Center for Earthquake Engineering Research’s position, policy, or decision, unless so designated by other documentation.”

Volume I Pages 1 through 982
Volume II Pages 983 through 1892
Volume III Pages 1893 through _____

Cosponsors

National Science Foundation
National Center for Earthquake Engineering Research

In Cooperation With

International Society of Soil Mechanics and Foundation Engineering
International Association of Earthquake Engineering
Earthquake Engineering Research Institute
Seismological Society of America
United States Committee on Large Dams
American Society of Civil Engineers (Geotechnical Engineering Division and Technical Council on
Lifeline Earthquake Engineering)
ASFE (The Association of Engineering Firms Practicing in Geoscience)
Center for Earthquake Studies, SMSU
Landslides Committee (ISSMFE)
Association of Engineering Geologists
Central United States Earthquake Consortium
